GENERAL NOTES

Instructions are given for first size, larger sizes are given in round brackets. Where only one figure is given this applies to all sizes.

After casting off stitches for shaping, one stitch will remain on the right hand needle which is not included in the instructions that follow.

As the shapings (may) differ for the various sizes on each pattern, follow the headings for the size required.

When working in more than one colour, where possible the colour not in use should be stranded loosely across back of work to retain elasticity of fabric. DO NOT BREAK OFF AND JOIN IN YARN EXCEPT WHERE NECESSARY.

TENSION

VERY IMPORTANT – Check your tension and use finer needles if you have less stitches to 4 in (10 cm) or thicker needles if you have more stitches to 4 in (10 cm).
