SEWING AND CUTTING ARMHOLES:

Before starting, make sure the two sleeves have the correct number of sts at the cast-off. Then measure the sleeve width against the garment, from the shoulders down. Sew a basting thread from the shoulder down and a few sts across to mark the end of the armhole. A bright contrast thread works best. Be sure the basting thread follows the same line of stitches and is exactly where you later want to cut.

A total of 3-4 stitches are usually allowed for sewing and cutting. Starting at the shoulder, sew with very small machine sts along the ridge formed by the sts closest to the basting thread on one side. Sew across the bottom of the armhole and up the other side of the basting thread, along the ridge closest to the basting thread at the other side. Try not to stretch the garment lengthwise while sewing. Sew once or twice more around, each time 1/2 stitch away from the previous stitching line. The purpose is to secure the knitted yarn strands and prevent them from sliding out. Cut along the basting thread. The armhole will get a bit larger. This happens when knit is cut and it is all right.

knit into the back of the loops in order to avoid holes. Work pattern from **diagram D** + 2 rows st st.

the next row while inc evenly spaced to (148) 156 (166) 174 (184) 192 sts. Place a marker thread in the back's middle st as well as in the front's middle st. Change to 2.5 mm ndls and work 2 rows st st. On the next row work with turns to create a higher back as follows: K 8 sts past the mid back marked st, turn and p 17, *turn and work 8 sts past the prev turn*, repeat from * to * until (4) 4 (5) 5 (6) 6 turns have been worked at each side of mid back. Work st st around on all sts again and work until the pants mid front from the folding row meas (17) 18 (19) 20 (21) 22 cm. Inc 1 st at each side of both the mid back and mid front marked sts. Inc in this manner on alt rows 6 times more = (176) 184 (194) 202 (212) 220 sts on the ndl.

Divide mid front and mid back with (88) 92 (97) 101 (106) 110 sts on each leg, and each leg has one of the marked sts [= now inside leg sts]. Work each leg separately on 2.5 mm double pointed ndls. Work st st around and dec 1 st at each side of the marked st every (4) 4 (5) 6 (6) 7 rows 10 times. Work until the leg from the gusset meas (17) 20 (23) 25 (27) 30 cm. Change to 2.5 mm ndls, k 1 row while inc evenly spaced to (112) 128 (128) 128 (144) 144 sts. Work pattern from the diagram. Start at the arrow for correct size and work **pattern A** first, then work **pattern B** until the toque meas approx. (13) 14 (14) 15 (16) 17 cm. **Note!** Pattern B is worked with rose and is repeated in the height as well as in the width. Continue working pattern B, but on the next row dec 1 st in each p-section, leaving 2 p sts in each "stripe". Work until the hat meas approx. (14) 15 (16) 17 (18) 19 cm and finish with a whole pattern repeat.

Hereafter work st st with rose and at the same time dec as follows: *k 1, k 2 tog*, repeat from * to * around. K 1 row without dec. **Next row:** *k 2 tog*, repeat from *to*

around. K 1 row without dec. Repeat from *to* once more. Cut the yarn, thread it through rem sts, gather and fasten strand well. Make a small pompon, using all colours. Fasten pompon on top.

Ear flaps: Insert a marker thread mid back as well as 11 sts at each side of the mid back marker. Right side facing, with the toque facing you, pick up from the marker to the left of the middle (20) 22 (24) 26 (28) 30 sts along the cast-on row. This is for the right ear flap. With fuchsia and 2 mm ndls work garter stitch back and forth on those sts for (3.5) 4 (4) 4.5 (4.5) 5 cm. Hereafter dec as follows: *k 1 edge st, slip 1, k 1, pass the slipped st over the k st, k remaining sts, turn*. Repeat from *to* until 6 sts remain on the row. Cast off.

Work the other ear flap in the same manner. When picking up sts, start (20) 22 (24) 26 (28) 30 sts before the marker to the right of the mid back marker.

Twist 2 cords with 3 yarn strands and fasten 1 cord to each ear flap tip.

Back and front: With 2 mm ndls cast on (150) 166 (182) 198 sts. Work 10 rows garter stitch [= 5 ridges]. Change to 2.5 mm

ndls and work pattern from the diagram. Work until the garment meas (13) 16 (19) 22 cm. Divide for armholes: Work (33) 37 (41) 45 sts [= front], cast off next 5 sts for armhole, work (74) 82 (90) 98 sts [= back], cast off next 5 sts for armhole and work rem (33) 37 (41) 45 sts [= front]. Work each part separately.

Each front: Work without further shaping until the armhole meas (7) 8 (9) 10 cm. **Shape neckline:** from the front edge cast off on alt rows (7) 8 (9) 10 sts once, 2 sts once and 1 st once [all sizes]. Finish the other shoulder in the same manner.

Sleeves: With 2 mm ndls cast on (40) 42 (44) 46 sts. Work 10 rows garter stitch [= 5 ridges] and on the last row inc (8) 10 (10) 12 sts evenly spaced to (48) 52 (54) 58 sts. Change to 2.5 mm ndls, work pattern from the diagram. Ignore the arrows for start and finish. Instead count back from the middle of the sleeve to find how the pattern starts. K 1 edge st at each side on every row. After 4 rows inc 1 st inside the edge st at each side. Inc in this manner every (5) 5 (6) 6 rows until there are (67) 73 (79) 85 sts on the row. Change to 2.5 mm ndls and work pattern from the diagram above. **Note!** Start at the arrow to the right, work the repeat (5) 6 times and finish at the arrow to the left. Work approx. (8) 10 cm pattern and finish with a whole repeat or just before the eyelets start. K the next row while dec evenly spaced to (85) 97 sts. Continue to knit every row and at the same time dec as follows: *k (12) 14, k 2 tog*, repeat from *to* and finish the row with k 1 = 6 sts have been dec. Dec in this manner on alt rows and there will be 1 st less between dec after every time. along the ridges.

Fold the front band doubled outward and pin at the sides.

Lower edge: Right side facing, use 2 mm ndls and the yarn, pick up and knit inside edge sts approx. (79) 87 sts along the lower edge and doubled band edges. Work 3 rows ribbing [p 1, k 1]. On the next row work eyelets as follows: *k 2 tog, yarn over ndl*, repeat from *to* along the row, ending with k 1. Work further 2 rows ribbing. Cast off rib-wise.

Cast on 180 sts and work 5 garter stitch ridges [= k every row]. Thereafter work pattern as follows:

Work 7 sts garter stitch, 166 sts pattern [start at the arrow to the right] and 7 sts garter stitch. **Note!** The pattern will finish before the outer 7 sts as a mirror image of how it started.

Work in this manner until the blanket meas approx. 78 cm and finish with a whole pattern repeat in the height.

Work 5 garter stitch ridges. Cast off evenly.

Block or press lightly on the wrong side.

Twist 2 cords with 3 yarn strands (or knit cords, see below), each approx. 25 cm long. Sew one cord to each ear flap.

Knit cord: Use 2 double pointed 2 mm ndls. Cast on 4 sts. K 4. Push sts to the other end of the ndl and hold the ndl with the left hand. The yarn will be at the left side of the sts. *Bring the yarn behind the ndl and k the same 4 sts [it is still the right side]. Push sts to the other side of the ndl*. Continue in this manner and a cord is created. Work until the cord meas 25 cm or desired length. Cut the yarn, thread it through the 4 sts, gather and fasten end. (150) sts. Work in a circular manner. Work 7 rows st st for facing + 1 p row [= folding row + 8 rows st st. On the last row inc 12 sts evenly spaced to (144) 156 (162) sts. Change to 2.5 mm ndls and work cable pattern from the diagram above. Work until the garment from the folding row meas approx. (9) 10 (11) cm and complete a pattern repeat in the height.

K the next row while inc evenly spaced to (180) 200 (220) sts.

Insert a marker thread at each side with (90) 100 (110) sts on the front as well as on the back. Mark also 2 sts mid front as well as 2 sts mid back with threads.

On the next row work with turns to create a higher back as follows: K 6 sts past the marked sts mid back, turn and p 14, *turn and work 6 sts past the prev turn*, repeat from * to * until (5) 6 (6) turns have been worked at each side of mid back. Work st st around on all sts again and work until the pants mid front from the folding row meas (20) 21.5 (23) cm.

Divide mid front and mid back between the 2 sts = (110) 120 (130) sts on each leg. Work each leg separately on 2.5 mm double pointed ndls. Place a marker thread around the first and last st on the row [= inside leg]. Work st st around and dec 1 st at each side of the marked sts on alternate rows 8 times, then every 4 rows (5) 7 (9) times = (84) 90 (96) sts rem. Work without further dec until the leg from the gusset meas (15) 18 (21) cm. K 1 row around while dec evenly spaced to (40) 42 (44) sts. Change to 2 mm ndls. Work 10 rows garter st [= alternately p 1 row and k 1 row around]. Cast off.

Work the other leg the same.

Fold the upper band inward along the folding row and fasten loosely on the wrong side.

Straps: With 2.5 mm ndls cast on (40) 46 (52) sts. Start with a p row and work 6 rows st st. K the next row [= wrong side] for folding row. Work 13 rows st st + 1 k

Work the other strap the same.

Fold the straps along the folding rows and join cast-on edge to cast-off edge with whip sts. Press lightly, using a damp cloth.

Sew straps onto the middle of the back, placed (7) 8 (9) cm apart.

K 1 row.

Transfer the first (16) 22 sts and the last (17) 17 sts to a thread. Remaining 15 sts are mid front and the top of the foot. Work those sts back and forth in cable pattern from the diagram for approx (3) 3.5 cm. Cut the yarn.

Transfer sts from the threads to 2.5 mm ndls and pick up (9) 11 sts along each side of the middle section. There are now (66) 76 sts in total around. Mark each side of the front middle 15 sts with threads and count back (26) 31 sts = mid back. Work garter st back and forth from here [= k every row] and on the first row dec (2) 4 sts evenly spaced on the first (26) 31 sts, work the middle 15 sts and dec (1) 3 sts evenly spaced on the last sts = (63) 69 sts rem. Change to 2.5 mm ndls, work st st and on the first row inc evenly spaced to (174) 202 (210) 218 sts. Mark the sides = (87) 101 (105) 109 sts on each the front and the back. Mark also 1 st mid front as well as 1 st mid back with threads. Starting on the 2nd row work with turns to create a higher back as follows: Start at the mid back marked st and k 8 sts, turn and p 17 sts, *turn and k until 8 sts past the previous turn, turn and p until 8 sts past the previous turn*, repeat from *to* until 6 turns have been worked at each side of the mid back marker. Work in a circular manner on all sts again.

When the pants mid front from the folding row meas (17) 18 (18) 19 cm inc 1 st at each side of both middle markers. Inc in this manner on alt rows 9 times more = (214) 242 (250) 258 sts.

Now divide mid front and mid back with (107) 121 (125) 129 sts for each leg and allow 1 marked st to follow each leg [= inside leg sts]. Work each leg separately. Work in a circular manner and dec 1 st at each side of the inside leg sts every 2 rows a total of 10 times and every 4 rows (4) 5 (5) 6 times = (79) 91 (95) 97 sts rem. **Note!** Change to double pointed ndls when necessary. Work without further dec until the leg from the gusset meas approx. (17) 20 (23) 28 cm or desired length.

On the next row dec evenly spaced to (50) 55 (59) 62 sts. Work garter stitch [alternately k 1 row and p 1 row] and work stripes, 2 rows each of *blue, navy, ecru, beige*, repeat from *to* once more. Cast off evenly.

Finish the other leg the same.

Pockets: Work both pockets the same. With charcoal and 2.5 mm ndls cast on 31 sts. Work 2 cm st st + 1 p row from the right side + 2 cm st st. Change to navy.

Now work garter stitch and on the fist row dec 3 sts evenly spaced to 28 sts. Work stripes as on the sweater and when the pocket meas 10 cm dec 1 st inside the edge st at each side. Dec on alt rows in this manner 3 times more. Cast off.

Fold the pocket band inward along the folding row and fasten on the wrong side.

With charcoal crochet 1 row sc along 3 sides of each pocket [not along the pocket band].

Sew 1 pocket onto each pant leg. For placement see photo.

Fold the upper band inward along the folding row and fasten loosely on the wrong side over a suitable elastic.

Press the pants lightly on the wrong side, using a damp cloth.

Work 8 ch and work 1sl in the other corner of the same sleeve section. Turn and work 1sl in each of the first 4ch [= middle of underarm]. The rows start here.

The sleeves are worked back and forth. Check to see if the next row should be a right side row or the wrong side row.

Work 1dc in each of the 4 new sts, 1dc in each dc along the sleeve and 1dc in each of the 4 new sts at the other side = (48) 58 (68) dc. Turn.

Work dc back and forth until the sleeve meas 7 cm. Dec 1dc at each side on the next row [= work 2dc together to 1dc]. Dec in this manner again after (10) 10 (11) cm and again after (0) 13 (15) cm = (44) 52 (62) dc rem.

After the last dec work sc instead of dc until the sleeve meas (12) 15 (19) cm, but on the 3rd row adjust stitches to (45) 51 (63) sc. Finish the sleeve with a scalloped band, worked as follows:

Row 1: Work 2dc, *skip 2dc, work 7dc in next dc, skip 2dc, 1dc in next dc*, repeat from *to*. **Note!** Adjust the pattern in order to place 2 fans along the 8 underarm sts at each side. When adjusting, skip just 1 sc instead of two here and there and finish the row so the two fronts are a mirror image. Turn.

Row 2: Work 2dc, *skip 3dc from the fan, work 7dc in next dc, skip 3dc, 1dc in next dc*. Repeat from *to*. Finish the row with 1dc in last dc.

Repeat Row 2 until the jacket meas full given length.

Hood: Work 1dc in each dc along the neckline, but work 2dc in the same st where 2dc were worked in the same st on the yoke and also work 2dc in the same dc mid back = (70) 77 (88) dc. Insert a thread marker in the 2dc mid back.

Work dc back and forth and at the same time inc on every alternate row 1 st at each side of the marked sts mid back [=

work 2dc in the dc before as well as in the dc after the marked sts].

Work until the hood meas (16) 17 (19) cm. Fold the hood in half, right sides facing, and line up the front edges. Crochet the hood together on top from the wrong side.

Row 2: Work 2dc, *skip 3dc from the fan, work 7dc in next dc, skip 3dc, 1dc in next dc*. Repeat from *to* and finish the row with 1dc in last dc. Turn.

Repeat row 2 until the band meas approx. 4 cm. Cut the yarn.
