A few suggestions

Dear mummies, grannies and aunties

In this journal we show lovely knits for your pet. Maximum comfort and a stylish look are ensured. For playing, for cuddling or for romping, for everyday or for festive hours, this journal is full of charming ideas. Just go ahead, dress up your baby and knit a soft cardigan, a comfy overall or a chic sweater. Many models are given the finishing touch with matching hats and bootees. The models are given in large enough sizes since kids grow quick. At the beginning roll up sleeves or trousers.

Go on, get started now and have fun!
