KNITTING TIPS

M1 - Make One Stitch

Pick up yarn lying between the stitch just worked and the next stitch and place it on left hand needle then knit (or purl) into the back of this loop.

MAKING UP

Mattress Stitch - Invisible Seaming

This method gives the neatest finish to a garment. Mattress stitch can be worked either one stitch in or half a stitch in from the edge. Where the knit side of the work is the right side, work under two rows at a time. Where the purl side of the work is the right side, work under one row at a time.

Joining Two Cast Off Edges

When using mattress stitch two cast off edges can be matched stitch for stitch.
