TENSION

Please read this paragraph carefully before commencing your garment.

You have obtained the correct Sirdar yarn, you have obtained the correct hook, but **TO OBTAIN THE CORRECT MEASUREMENTS**, it is essential that you work to the tension stated.

The rule at the side of the page is for your guidance. We suggest you work a small sample in the stitch before commencing your garment, then place the rule across it to see if your tension corresponds. If you have less stitches than the number stated, use a finer hook, if more, use a coarser one.
