7 GARMENTS (AGE 1 YEAR) IN **SIRDAR** BABY DOUBLE KNITTING WOOL

PLEASE READ THIS CAREFULLY

The Baby garments reproduced throughout this book have been designed by and are the work of expert knitters and if followed carefully satisfactory results cannot fail to be achieved. There are, however, two paragraphs which should receive special attention: firstly, Materials; secondly, Tension.

Sirdar Baby Double Knitting Wool is of the highest quality, and it is advisable to use the specific Sirdar quality and size of needles given.

Having obtained the correct wool and the correct needles, it is essential to work to the tensions stated in order to obtain the correct measurements. The one-inch rules at the side of this page indicate the number of stitches to the inch and are for the knitters guidance. These one-inch rules correspond with the various tensions given throughout the book, and if difficulty in working to tension is found, the following suggestions may be useful.

Work a small sample in the required stitch before commencing the garment, then place the appropriate one-inch rule across it and see if your tension corresponds.

If you are unable to obtain the correct tensions, proceed as follows:

If you have less stitches than the number stated use a finer needle.

If you have more stitches than the number stated use a coarser needle.

TO FRINGE THE COVER

Commencing 9 patterns down from the top of the cover (hem edge) work a fringe across the cover as follows: Using a medium sized crochet hook and 2 strands of wool 4 inches in length commencing at the second stitch from the edge draw a loop through the stitch, draw ends through the loop to form a fringe. Continue in this manner working into each stitch and loop between stitches, ending in the second stitch from the end.
