HOW TO CROCHET

By following the simple, step-by-step instructions on these pages strangers to the crochet hook can quickly learn the stitches. A little practice and the novice will be ready to try the crochet patterns, including the charming crochet curtains for a nursery (p22) which we have chosen for this book

Holding yarn and hook

Holding hook between first finger and thumb of right hand and letting second finger rest near point of hook, make a loop and pass it on to hook. Holding work, as it is formed, between first finger and thumb of left hand, pass yarn from ball over first and second fingers, under third and round little finger.

Chain stitch

Commencement of all Crochet Work:—

Holding yarn and hook as described above and making a slip loop to begin with, * pass hook from left to right under yarn (held in left hand), draw this thread through loop already on hook and rep from * for length required.

Single crochet or slip stitch

Is chiefly used for joinings or in

fancy patterns, and is the shortest in height of all crochet sts:—

Make required length of chain.

1st row — Miss end ch (near hook), * pass hook through next ch, draw yarn through both sts on hook, rep from * to end of ch, turn.

2nd row — 1 ch (1 ch at beginning of row always forms last st of next row), * inserting hook in second sc, draw yarn through both sts on hook, rep from * to end of row, turn. Rep 2nd row for length required.

Double crochet

Usually requires to be worked firmly, evenly, and with medium tension. Make required length of chain.

1st row — Miss 2 ch, * draw a loop through next ch, then draw a loop through both sts on hook, rep from * to end of row, turn.

2nd row — 2 ch (2 ch at beginning of row form last st of next row, the first stitch being missed on every row), * draw a loop through next dc, draw a loop through both sts on hook, rep from * to end of row, turn.

Rep 2nd row for length required.

Two different effects can be obtained from the above st.

Flat surface

Produced (for each new st) by inserting hook **through two threads** forming a chain along top edge of previous row.

Ridged surface

Produced (for each new st) by inserting hook **through back threads** of sts that lie along top edge of previous row.

Half treble

Make required length of chain.

1st row — Miss 3 ch, *pass yarn round hook, draw a loop through next ch, draw a loop through all 3 sts on hook, rep from * to end of row, turn.

2nd row — 3 ch (3 ch at beginning of row form the last st of next row), * pass yarn round hook, draw a loop through next htr draw a loop through all 3 sts on hook, rep from * to end of row, turn.

Rep 2nd row for length required.

Treble stitch

Make required length of chain.

1st row — Miss 3 ch, *pass yarn round hook, draw a loop through next ch, to height st is required to be when finished, draw a loop through first 2 loops on hook, then draw another loop through 2 remaining loops, rep from * to end of row, turn.

Care should always be taken to draw up first loop to its full height. Proper loop formation gives to finished st its soft and full appearance. Do not finish off top of st too loosely, or a ragged effect will be produced.

2nd row — 3 ch (3 ch at beginning of row form last st in next row), work 1 tr on each tr to end of row, turn. Rep 2nd row for length required.

Long treble

Make required length of chain.

1st row — Miss 4 ch, * yarn twice round hook, draw a loop through next ch, draw a loop through first 2 loops on hook, draw a loop through next 2 loops, then another through last 2 loops (thereby completing one long treble st), rep from * to end of row, turn.

2nd row — 4 ch (4 ch at beginning of

row form last st of next row), work 1 tr on each 1 tr to end row, turn.

Rep 2nd row for length required.

Treble round treble

This st, used frequently in modern crochet patterns, produces a very suitable fabric for blankets, etc. Instead of working treble into top of st in usual way, it is actually worked round treble as illustrated.

Joining yarn

When only a few inches are left, take end from new ball of yarn and complete last st with this. Continue working over both ends of yarn for several sts, afterwards continuing with new thread.

Increasing

In plain fabric work 2 sts into one. In a fancy st, work 2 pattern groups into one; detailed instructions for this are usually given.

Decreasing

In plain fabric, usual method is to miss a st, or, * yarn over hook, draw a loop through next st, yarn over hook, draw a loop through two loops, yarn over hook, draw a loop through next st, yarn over hook, draw through three loops, yarn over hook, draw through two loops, * rep from * to * as many times as required. In a fancy pattern detailed instructions are always given when decreasing is required.
