Jumper and trousers

Sizes: 74 and 86 – about 9 months and 18 months.

Figures in brackets refer to size 86. If there is only one set of figures it applies to both sizes.

Materials: Yarn Patons, quality "Classic Cotton", 100% cotton (about 112 m/50 g), 150 (200) g in red No. 2235, and 100 g each in white No. 2240 and blue No. 2232. One pair 3 and 4 mm needles, one 3 mm crochet hook, 2 buttons, elastic 2.5 cm wide.

Basic pattern using 4 mm needles: stocking stitch = * K 1 row, P 1 row, rep from *.

Tension: 21 sts. and 29 rows to 10 cm.

Rib pattern using 3 mm needles: * K1, P1 rep from *.

METHOD, jumper

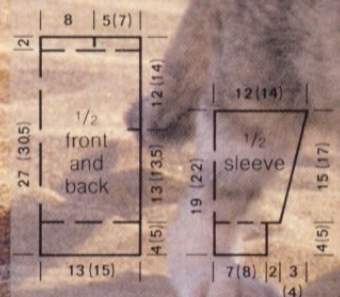

Back: cast on 56 [65] sts. in white and work in rib pattern 4 rows in white, then continue in blue until ribbing measures 4 [5] cm.

Continue in basic pattern as follows: 4 rows white, 10 [14] rows red, 4 rows white, 10 [14] rows red, 4 rows white, 8 rows blue, 2 rows white, 8 rows blue, 2 rows white, 6 rows red, 2 rows white and 6 rows blue = 66 [74] rows.

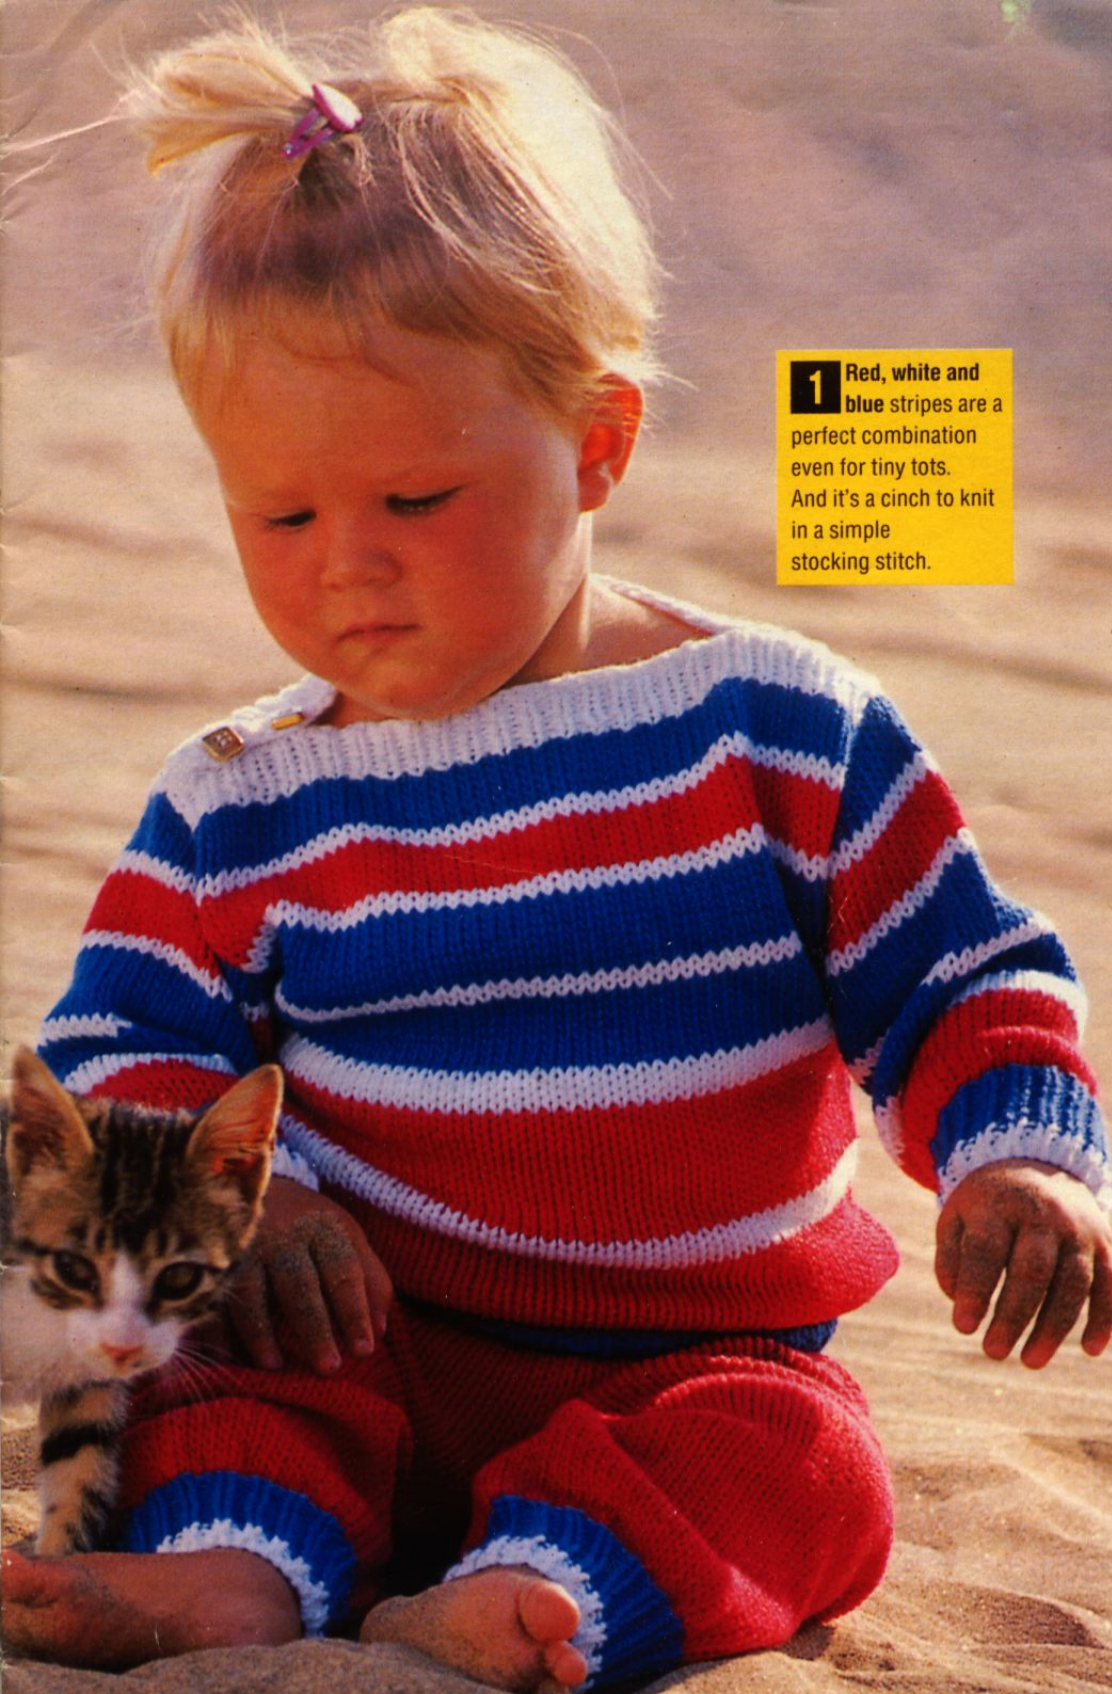

Then K 1 right side row in white and continue for 2 cm in rib pattern = work measures 29 [32.5] cm.

Front: proceed as for back.

Sleeves (both alike): cast on 32 [36] sts. in white and work ribbing as for back, increasing 8 sts. evenly across on last row = 40 [44] sts. Continue in basic pattern as follows: 6 [12] rows red, 4 rows white, 8 rows blue, 2 rows white, 8 rows blue, 2 rows white, 6 rows red, 2 rows white

and 6 rows blue = 44 [50] rows. At the same time increase 1 st. at each end of every 8th row once, then 1 st. on every 6th row 5 times [1 st. on every 6th row 4 times, then 1 st. alt on every 4th and 6th row 4 times] = 52 [60] sts.

1 Red, white and blue stripes are a perfect combination even for tiny tots. And it's a cinch to knit in a simple stocking stitch.

When work measures 19 [22] cm – at the end of the stripes – cast off all sts.

To make up: block pieces to measurements, cover with a damp cloth and allow to dry.

Join left shoulder seam.

Along right back shoulder work 1 row double crochet, making 2 button loops.

Overlap right back shoulder by 0.5 cm over front shoulder. Sew sleeves in position, then join side and sleeve seams.

Sew on buttons.

METHOD, trousers

For the left trouser leg cast on 35 [39] sts. in white and work in rib pattern 4 rows in white, then continue in blue until ribbing measures 4 [5] cm, increasing 21 sts. evenly across on last row = 56 [60] sts. Continue straight in basic pattern in red.

When work measures 18 [22] cm increase 1 st. at each end of every alt row 4 times = 64 [68] sts.

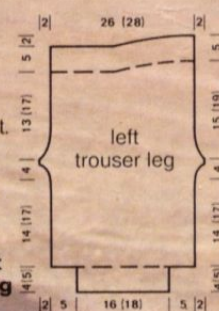

When work measures 22 [26] cm cast off 2 sts. at each end once, then 1 st. on every alt row twice = 56 [60] sts.

When work measures 35 [43] cm, work in short rows.

From right edge work 26 [28] sts. in pattern, turn on a yarn-over and work back, then work over 17 [19] sts. in pattern, turn on a yarn-over and work back, then work over 8 [10] sts. in pattern, turn on a yarn-over and work back.

Now K 1 right side row in blue over all sts., then work in rib pattern. On

1st row K each yarn-over together with the following st. When ribbing measures 5 cm cast off all sts. Work **right trouser leg** in reverse to match.

To make up: block pieces to measurements, cover with a damp cloth and allow to dry.

Join inside leg seams, then crotch seam.

Fold upper ribbing half in to wrong side and sew in position, inserting elastic.

3 Zigzag stripes in vivid primary colours go well with baby's rosy complexion. A practical aspect: the yarns used are machine washable.

7 Whoever said curiosity killed the cat? These cheeky little kitties are quite lively. Details like the noses are embroidered.

6 A two-piece "catsuit". The cardigan and trousers are very roomy and comfortable. Both are done in stocking stitch.

onto the needle with the decreased (crotch) edges meeting, and continue over all sts. = 86 [94] sts. When work measures 42 [46] cm continue in rib pattern, decreasing 12 [14] sts. evenly across on 1st row = 74 [80] sts.

When ribbing measures 1.5 cm make 2 buttonholes each 28 sts. from the respective side edge. For 1 buttonhole cast off 2 sts., on next row cast on 2 over those cast off (see diagram p. 29).

When work measures 45 [49] cm cast off all sts.

Front: proceed as for back but without the buttonholes. Also, when left trouser leg measures 12 cm work a cat's head following chart 2 (work in white on the black and the red trousers, and in black on the white trousers). Work 28 [30] sts. from right edge in pattern, then start motif over the next 5 sts. When right trouser leg measures 26 [30] cm work 56 [58] sts. from right edge in pattern, then start a cat's head following chart 3 over the next 5 sts. (work in red on the black and on the white trousers, and in black on the red trousers).

To make up: block pieces to measurements, cover with a damp cloth and allow to dry. Embroider cats' heads as given.

Join inside and outside trouser leg seams.

For the straps cast on 20 sts. in the respective main colour and work 38 [42] cm in rib pattern, then cast off all sts.

Sew one strap to the inside of front ribbing, 8 cm to the left and the right of the centre. Sew a button to the end of each strap.

METHOD for the jumper

Sizes: 80 and 92, to fit chest 53 cm and 56 cm – about 21 in. and 22 in.

Front: cast on 82 [92] sts. in black and work 3 cm in rib pattern.

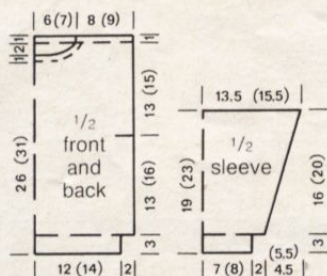

Continue in basic pattern, working 26 [36] rows in black, then continue following chart 1, starting at E [C] and ending at P [S]. Continue to end in white.

When work measures 26 [31] cm slip 18 [24] sts. at centre onto a stitch holder and continue each side separately. At neck edge slip onto the stitch holder on every alt. row another 4 sts. once, 2 sts. once, and 1 st. twice, turning on a yarn over needle.

When work measures 29 [34] cm continue over all sts. with 3 mm needles and work 1 cm in rib pattern. On 1st row work yarn-over together with next st. before centre st., and together with preceding st. after centre st. Also, after 2 rows make 2 buttonholes on each side, the first 2 cm and the 2nd 7 [8] cm from side edges. For one buttonhole cast off 2 sts., on next row cast on 2 sts. over those cast off (see diagram p. 29). When work measures 30 [35] cm cast off all sts.

Back: work as for front but without neck shaping and working intarsia pattern in reverse.

When work measures 29 [34] cm work another 1 cm in rib pattern,

then cast off all sts.

Right sleeve: cast on 48 [52] sts. in white and work 3 cm in rib pattern, increasing 4 [6] sts. evenly across on last row = 52 [58] sts.

Continue in stocking stitch in white. At the same time increase 1 st. at each end of every 4th row 13 times [1 st. alt on every 4th and 6th row 4 times, then 1 st. on every 4th row 12 times] = 78 [90] sts.

When work measures 19 [23] cm cast off all sts.

Left sleeve: work as for right sleeve but in black only. Also, after 6 rows in stocking stitch work the cat's head in red following chart 2. Centre of sleeve is given in chart.

To make up: block pieces to measurements, cover with a damp cloth and allow to dry. Embroider the cats' heads as given.

Overlap shoulder bands by 1 cm at outside edges, sew sleeves in position, then join side and sleeve seams. Sew on buttons.

METHOD for the romper suit

Sizes: 68/74 and 80/86 – about 6/9 months and 12/18 months.

For one trouser leg cast on 76 [82] sts. in black and work 10 cm in rib pattern, increasing 32 sts. evenly across on last row = 108 [114] sts. Continue in stocking stitch, working alt. 16 [18] rows each in white and black.

When work measures 21 [24] cm cast off at each end of every alt. row 3 sts. once, 2 sts. twice and 1 st. 3 times = 88 [94] sts. Work 1 return row, then slip sts. onto a stitch holder.

Work the 2nd trouser leg the same to match.

Now slip both legs onto a needle and continue in stripe pattern over all 176 [188] sts.

When work measures 43 [48] cm divide work into 3 and continue over the 88 [94] sts. at centre for front in black. On 1st row K2 together 24 times evenly across = 64 [70] sts. Work 4 rows, then start cat's head following chart 1, starting at K [I] and ending at V [W]. At the end of chart continue in white.

When work measures 54 [60] cm slip 12 sts. at centre onto a stitch holder and continue each side sep-

arately. At neck edge slip onto stitch holder on every alt. row another 4 sts. once, 3 sts. once, 2 sts. once and 1 st. twice, turning on a yarn over needle.

Continue with 3 mm needles and work another 2 cm in rib pattern over all sts. On 1st row work yarn-over together with next st. before centre st., and together with preceding st. after the centre st. Now pick up and continue over the 44 [47] sts. of one back piece. On 1st row K2 together 12 times evenly across = 32 [35] sts.

After 16 [18] rows in black continue to end in white.

When work measures 56 [62] cm slip 10 sts. at outer edge onto a stitch holder, then on every alt. row another 5 sts. once and 2 sts. once, turning on a yarn over needle.

Continue with 3 mm needles and work another 2 cm over all sts. in rib pattern.

Work 2nd back piece alike to match first side, reversing shaping.

To make up: block piece to measurements,

cover with a damp cloth and allow to dry. Embroider motif as given. Overlap shoulder bands by 2 cm and sew together. Sew buttons to shoulders about 1 cm and 4 [5] cm from side edges. Pick up about 88 [92] sts. in white

round each armhole edge with the double-pointed needles and work 2 cm in rib pattern.

Sew zip in position, then join crotch and leg seams. Note that the last 5 cm of lower ribbing are turned up to outside.

METHOD for the slipover

Sizes: 80, 86 and 92, to fit chest 53 cm, 55 cm and 56 cm – about 21 in., 21½ in. and 22 in.

Back: cast on 82 [86/92] sts. in red and work 3 cm in rib pattern.

Continue in stocking stitch, working alt. 6 rows each in white and red. When work measures 15 [18/21] cm – after 6 rows in white – cast off 9 sts. at each end once for armholes = 64 [68/74] sts.

When work measures 28 [32/35] cm – after 90 [102/114] rows in stocking stitch, or 6 rows in white – rib for another 2 cm in white using 3 mm needles, then cast off all sts.

Front: proceed as for back, but when work measures 16 [19/22] cm – 4 rows above the armhole

shaping row – work the intarsia pattern following chart 1, starting at H [G/F] and ending at N [O/R].

Also, when work measures 26 [30/33] cm, slip 10 [16/16] sts. at centre onto a stitch holder and continue each side separately. At neck edge slip onto the stitch holder on every alt. row another 5 sts. once, 4 sts. once and 2 sts. once, turning on a yarn over needle.

When work measures 28 [32/35] cm continue over all sts. in white with 3 mm needles and work 2 cm in rib pattern. On 1st row

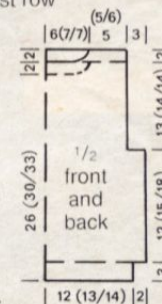

work yarn-over together with next st. before centre st. and together with preceding st. after centre st.

To make up: block pieces to measurements, cover with a damp cloth and allow to dry. Embroider the cat's head as given.

Overlap the shoulder bands by 2 cm and sew together.

Pick up about 76 [86/86] sts. in white round each armhole edge and work 3 cm in rib pattern.

Sew bands in position at lower edges of armholes, then join side seams.

METHOD

Back: cast on 64 [76/86] sts. and work 3 cm in rib pattern, increasing 3 [3/5] sts. evenly across on last row = 67 [79/91] sts.

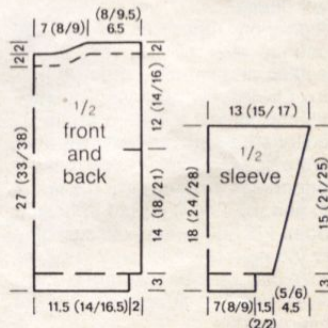

Continue in basic pattern following respective chart. On patterns 1 and 2 work edge st., then motif 5 [6/7] times, end with sts. 1 to 5 of chart + 1 edge st. 20th row: work 11 dc over the whole row.

21st row: into 1 st. of previous row work 1 sl-st 4 times, and 1 dc 7 times.

Rows 22 and 23: work as for rows 6 and 7.

24th row: work 12 dc over the whole row.

25th row: into 1 st. of previous row work 1 sl-st 4 times, and 1 dc 8 times.

Rows 26 and 27: work as for rows 6 and 7.

28th row: work 12 dc over the whole row.

Fasten off.

Continue over both body and trunk (= 63 sts.) starting at back:

Rows 1 to 5: 1 turning chain, then 1 dc into 1 st. of previous row 63 times.

6th row: 1 turning chain, work 1 dc into 1 st. of previous row 62 times, do not work the last st.

Rows 7 to 11: 1 turning chain, 1 dc into 1 st. of previous row 62 times.

12th row: 1 turning chain, 1 dc into 1 st. of previous row 61 times, leaving last st. free.

Rows 13 to 15: 1 turning chain, 1 dc into 1 st. of previous row 61 times.

Continue working dc, starting each row with 1 turning chain, decreasing at the end of the rows as given (to decrease, do not work the corresponding number of sts. at the end of the rows):

2 sts. at the end of the 16th row, 1 st. on 17th row, 2 sts. on 18th row, 1 st.

on 19th row, 2 sts. on 20th row, 1 st. on 21st row, 3 sts. on 22nd row, 1 st. on 23rd row, 4 sts. on 24th row, 1 st. on 25th row, 3 sts. on 26th row, 1 st. on 27th row, 5 sts on 28th row, 2 sts. on 29th row, 8 sts. on 30th row, 4 sts. on 31st row and 9 sts. on 32nd row. There are thus only 11 sts. left on the 32nd row.

Work a 2nd side piece to match.

Lower body: work a front and back leg as given for side piece and join together. Then work 4 rows dc over all 50 sts.

Work a 2nd piece in reverse to match.

Forehead: ch 2 in grey and continue as follows, starting each row with 1 turning chain:

1st row: 1 dc into 1 st. of cast-on row twice.

Rows 2 to 17: 2 dc into 1st st. of previous row and 1 dc into every following st. = 18 dc on 17th row.

Rows 18 to 23: 1 dc into 1 st. of previous row 18 times.

Rows 24 to 40: 1 dc into 1 st. of previous row, decreasing 1 st. at the end of every row, i.e. leaving the last st. of each row free. There is only 1 st. left on 40th row.

Fasten off.

Ears (make 2 alike): for 1 ear chain 2 in grey and work as follows, starting each row with a turning chain:

1st row: 1 dc into 1 st. of cast-on row twice.

Rows 2 to 9: work 2 dc into 1st and last sts. of previous row, and 1 dc into all other sts. = 18 sts. on 9th row.

Rows 10 to 28: 1 dc into 1 st. of previous row 18 times.

Rows 29 to 33: work dc throughout, decreasing 2 sts. at the end of every row, i.e. leaving 2 sts. free at the end of every row. There are only 8 sts. left on the 33rd row.

Now work 1 round dc round the entire ear, then fasten off.

Soles: chain 3 in grey and close the round with a sl-st.

1st round: work 6 dc into this ring, closing this round and every following round with a sl-st.

2nd round: work 2 dc into every st. of previous round = 12 sts.

3rd round: * work 1 dc into 1 st. of previous round and 2 dc into next st., rep from * = 18 sts.

4th round: * work 1 dc into 1 st. of previous round twice, and 2 dc into next st., rep from * = 24 sts.

5th round: * work 1 dc into 1 st. of previous round 3 times, then 2 dc into next st., rep from * = 30 sts.

6th round: * work 1 dc into 1 st. of previous round 4 times, then 2 dc into next st., rep from * = 36 sts. Fasten off. Make 3 more soles for the remaining legs.

Work another piece the same for the trunk, but fastening off after the 2nd round.

Tusks (make 2 alike): for 1 tusk cast on 3 chains in cream and close the round with a sl-st.

1st round: work 6 dc into this round. Close this and all other rounds with a sl-st.

Rows 2 to 4: work 1 dc into 1 st. of previous round 6 times.

5th round: work 1 dc into 1 dc of previous round 5 times, and 2 dc into the 6th st.

Rows 14 to 19: work 1 dc into 1 st. of previous round 8 times.

Fasten off.

Eyes (make 2 alike): cast on 3 ch in brown and close the round with a sl-st.

1st round: work 6 dc into this ring in brown, close the round with 1 sl-st.

2nd round: in cream work 2 dc into every st. of previous round, close the round with a sl-st, then fasten off.

To make up: sew each lower body section to a side piece. Sew forehead to head of one side piece, starting about 2 cm above the rounded section of the trunk. Then sew 2nd side piece to 1st side piece, working from the back legs, across the back to the forehead and then down to the tip of the trunk. Join lower seam of trunk and the seam from the centre front to the legs.

Crochet the soles of the feet and the end of the trunk in place by working 1 round dc in grey.

Stuff the elephant and bring it into shape.

Join the lower middle seam.

Make a pleat in each ear and sew in position, sew on eyes (see photo). Stuff the tusks and sew in position. For the tail twist a cord in grey, about 14 cm long and knot one end. Sew the other end to the rear end of the elephant.

Cover: cast on 47 ch in red and work as follows:

1st row: in red 3 ch (for 1 treble), and 1 tr into 1 st. of cast-on row 46 times.

Rows 2 to 13: 3 ch (for 1 st tr), miss the 1st tr, work 1 tr into 1 tr of previous row 45 times, 1 tr into the 3rd loop of ch.

Chart for faces

1 = white or pink
2 = yellow or white

Smileys: work the large circles for the faces in stocking stitch following the chart, or Swiss darn them on at the end.

If you want to knit them in, use a separate ball for each colour, twisting yarn at back of work when

changing colours (see diagram page 141).

Embroider the mouth, nose and eyes at the end in stem stitch or satin stitch.

Rib pattern using 3 mm needles: * K1, P1, rep from *.

METHOD

Back: cast on 52 [64] sts. in white or pink and work 3 cm in rib pattern, increasing 8 sts. evenly across on last row = 60 [72] sts. Continue in basic pattern in white or pink.

When work measures 20 [26] cm cast off 4 sts. at centre and finish each side separately.

When work measures 26 [32] cm cast off at neck edge 8 [9] sts. once, then 3 [4] sts. once on 2nd following row.

When work measures 28 [34] cm cast off remaining sts. for shoulder.

Front: proceed as for back except for neck but without slit. Also work in 3 [5] circles for the faces. When work measures 24 [30] cm shape neck. On next right side row work 25 [30] sts. in pattern, turn and leave remaining sts. on a holder.

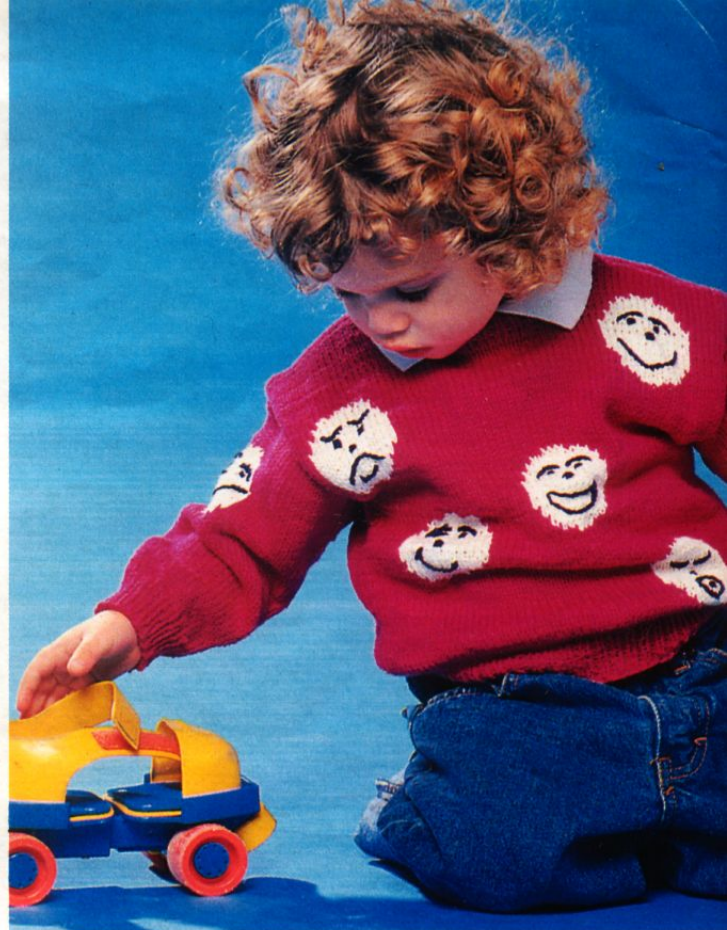

Complete this side first. At neck edge cast off on every alt row 4 sts. once, 2 sts. once and 1 st. twice [3 times].

When work measures 28 [34] cm cast off remaining sts. for shoulder. With right side of work facing, slip first 10 [12] sts. onto holder for centre front neck, rejoin yarn to remaining sts. and work pattern to end. Complete to match first side, reversing shaping.

Sleeves (both alike): cast on 32 [38] sts. in white or pink and work 3 cm in rib pattern, increasing 8 sts. evenly across on last row = 40 [46] sts. Continue in basic pattern in white or pink.

At the same time increase 1 st. at each end of 4th following row once, then 1 st. on every 6th row 6 times [1 st. at each end alt on every 6th and 4th row 11 times] = 54 [68] sts. At the same time when left sleeve measures 4 [6] cm and right sleeve measures 9 [13] cm work a circle over the centre sts. for a face. When work measures 18 [23] cm cast off all sts.

To make up: block pieces to measurements and steam carefully on wrong side. Embroider the faces onto the circles, working the mouth, nose, eyes and eyebrows in stem stitch and satin stitch in black or navy, fol-

lowing our photo or at random. Join all seams and sew sleeves in position.

Pick up round neck edge about 63 [71] sts. in white or pink and work 2 cm in rib pattern.

Pick up about 19 sts. along each slit and neck band edge and work 2 cm in rib pattern, making 3 buttonholes evenly spaced across one back band. For 1 buttonhole cast off 1 st., on next row cast on 1 over that cast off (see diagram p. 29). Overlap lower edges of bands and sew in position at slit opening edge. Sew on buttons.

Use a separate ball for each col, twisting yarn at back of work when changing cols (see diagram p. 41). The motif can also be Swiss darned

until work measures 26 [28] cm, then continue in rib pattern over all sts. on 3 mm needles.

When work measures 28 [30] cm cast off 29 sts. at centre for neck and finish each side separately. Work another 2 cm in rib pattern over the remaining 19 [24] sts., making 2 buttonholes into each shoulder band when band measures 1 cm. For 1 buttonhole cast off sts. 5-7 and 13-15 [18-20] from side edge. On next row cast on 3 sts. over those cast off (see diagram p. 29). When work measures 30 [32] cm cast off all sts.

Then continue over all sts. on 3 mm needles, K the 1st row then work ribbing as for the ankles.

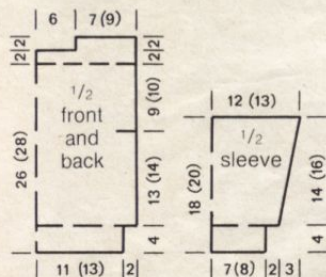

Work **right trouser leg** in reverse to match, but working the short rows on the return rows instead. On the 1st row after the short rows (= return rows) P the yarn-overs together with the following st.

Rib pattern using 2³/₄ mm needles: * K1, P1, rep from *.

METHOD, cardigan

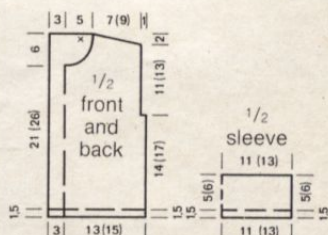

This cardigan is fastened at the back.

Front: cast on 73 [83] sts. in white on 3 mm needles. Work 4 rows in stocking stitch, then 1 right side row as follows: edge st., * K2 together, yarn over needle, rep from *, K1, edge st. On next row P all sts. and yarn-overs.

Work another 4 rows in stocking stitch, then work over 20 rows as follows: edge st., 1 [6] sts. stocking stitch, 15 sts. flower motif, * 3 sts. stocking stitch, 15 sts. flower motif, rep twice from *, 1 [6] sts. stocking stitch, edge st. Then continue over all sts. in stocking stitch.

When work measures 15.5 [18.5] cm cast off 3 sts. at each end once for armholes = 67 [77] sts.

When work measures 22.5 [27.5] cm shape neck. On next right side

row work 29 [34] sts. in pattern, turn and leave remaining sts. on a holder. Complete this side first. At neck edge cast off on every alt row 3 sts. once, 2 sts. once and 1 st. 4 times.

At the same time, when work measures 26.5 [31.5] cm cast off for shoulder on every alt row 5 sts. 4 times [6 sts. 3 times and 7 sts. once]. With right side of work facing, slip first 9 sts. onto holder for centre front neck, rejoin yarn to remaining sts. and work pattern to end.

Complete to match first side, reversing shaping.

Back half: cast on 45 [51] sts. in white on 3 mm needles and work the first 10 rows as for front.

Over the next 20 rows work from side edge as follows: edge st., 1 [6] sts. stocking stitch, 15 sts. flower motif, 3 sts. stocking stitch, 15 sts. flower motif, 9 [10] sts. stocking stitch, edge st.

Continue over all sts. in stocking stitch.

When work measures 15.5 [18.5] cm cast off 3 sts. once at side edge for armhole = 42 [48] sts.

When work measures 26.5 [31.5] cm cast off for shoulder on every alt row 5 sts. 4 times [6 sts. 3 times and 7 sts. once]. Then cast off the remaining 22 [23] sts.

Work 2nd back half in reverse to match.

Sleeves (both alike): cast on 61 [73] sts. in white on 3 mm needles and work the first 6 rows as for front, then continue in stocking stitch.

When work measures 6.5 [7.5] cm cast off all sts.

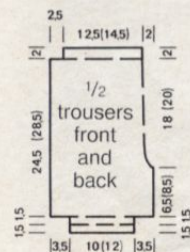

To make up: block pieces to measurements, cover with a damp cloth and allow to dry. Join all seams and sew sleeves in position.

Fold lower edges of cardigan and sleeves in over the eyelet row and sew in position.

Pick up round neck edge about 81 sts. in white on 2³/₄ mm needles, P 1 return row, then work 2 rows in stocking stitch, then 1 eyelet row as for front, on return row P all sts. and yarn-overs. Work another 3 rows stocking stitch. Then cast off all sts. Fold edge in over eyelet row and sew in position.

Pick up about 75 [87] sts. in white on 2³/₄ mm needles along each vertical back edge and work an edge as for neck, turn in and sew in position accordingly.

Sew a button loop in position to neck at the top of each band edge. Sew a button to each back piece, each about 2 cm from the shoulder seam (see the cross on our line chart). Sew a button in position on the outside and on the inside. Embroider a row of green crosses along lower edge of cardigan, 4 rows beneath the flower motifs. Each cross covers just 1 st. Work the crosses over alternate stitches.

Embroider a few satin sts. in red (see diagram p. 32) onto the centre of each flower (see photo).

METHOD, trousers

Back: for 1 trouser leg cast on 29 [33] sts. on 3 mm needles and work 4 rows in stocking stitch, then work 1 right side row as follows: edge st., * K2 together, yarn-over, rep from *, K1, edge st. On return row P all sts. and yarn-overs.

Continue in stocking stitch, increasing 19 [20] sts. evenly across on 4th row = 48 [53] sts.

When work measures 9.5 [11.5] cm cast off 2 sts. on one side on every alt row twice, then slip remaining 44 [49] sts. onto a stitch holder.

Work 2nd trouser leg in reverse to match.

Slip the sts. of both pieces onto a needle together (crotch edges together) and continue over all 88 [98] sts. At the same time decrease 1 st. at the centre on every alt row twice = 84 [94] sts. When work measures 27.5 [31.5] cm continue in rib pattern, decreasing 14 sts. evenly across on 1st row = 70 [80] sts.

When ribbing measures 2 cm cast off all sts.

Front: work as for back, but after 1 cm of ribbing make 2 buttonholes. For 1 buttonhole cast off 1 st. on either side of the 28 [32] centre sts., on next row cast on 1 st. over that cast off (see diagram below).

To make up: block pieces to measurements, cover with a damp cloth and allow to dry.

Join outside and inside leg seams. Fold lower edges of trousers in over eyelet row and sew in position. For one strap cast on 11 sts. and work about 30 [33] cm in rib pattern, then cast off all sts.

Work 2nd strap the same.

Sew straps to waistband back and a button to the other end of each.

Pick up round neck edge about 73 sts. in white on 2³/₄ mm needles, P 1 return row, then work 2 rows stocking stitch, then work an eyelet row as for back. On return row P all sts. and yarn-overs. Work another 3 rows stocking stitch, then cast off all sts. Turn edge in over eyelet row to wrong side and sew in position.

Pick up about 31 sts. in white along each vertical slit edge using 2³/₄ mm needles and work an edge as for neck edge, turn in and sew in position. Overlap the bands at the bottom and sew in position. Make 3 concealed button loops on one band and sew buttons to the other band. Along lower edge of jumper embroider green crosses 3 rows below the flower motifs, each cross covering just 1 st. Embroider alternate stitches. Embroider a few satin stitches in red (see diagram p. 32) into the middle of each flower (see photo).

Buttonholes. For one buttonhole cast off one st. or more on one row (diagram 1). For this design 2 sts. On next row increase these sts. again by twisting yarn round needle (diagram 2).

Tension: 21 sts. and 34 rows to 10 cm over sequence of stripes.

METHOD

Front and back: work in one piece up to armholes.

Cast on 175 sts. in apricot and work straight in stripe sequence.

When work measures 42 cm, divide work for armholes and slip 35 sts. on either side onto stitch holders for fronts.

Continue over the 105 centre sts. for back. On 1st row cast off 16 sts. on either side = 73 sts.

When work measures 56.5 cm - after 192 rows - cast off all sts.

Pick up the 35 sts. of one front and continue straight.

When work measures 53 cm cast off 4 sts. at front edge once for neck, then on every alt row 2 sts. twice and 1 st. twice.

When work measures 56.5 cm cast off remaining sts. for shoulder.

Work 2nd front in reverse to match.

Sleeves (both alike): cast on 33 sts. in turquoise and work 4 cm in stocking stitch, increasing 9 sts. evenly across on last row = 41 sts. Continue working 24 rows half fisherman's rib in turquoise, 6 rows stocking stitch in white, 24 rows half fisherman's rib in yellow and 6 rows stocking stitch in white (= 60 rows). At the same time increase 1 st. at each end of every 4th row 11 times = 63 sts.

When work measures 21.5 cm - after the 6 rows in stocking stitch in white - cast off all sts.

Hood: cast on 71 sts. in mint and work 60 rows straight in half fisherman's rib, then slip sts. onto a stitch holder (= front edge of hood). Fold hood in half so that the side edges are together and join the rear seam (= cast-on row).

To make up: join shoulder and sleeve seams, sew sleeves in position.

Turn lower edges of sleeves in by 2 cm and sew in position. Sew side edges of hood to neck edge. For the front band pick up the sts. of the hood from the stitch holder with the long circular needle, then pick up about another 113 sts. along each front edge and work for 4 cm in stocking stitch in mint over all 297 sts. in open rows.

At the same time, make 6 buttonholes into one front band when this measures 1 cm and 3 cm. Work the buttonholes at the same level as the white stripes.

For 1 buttonhole cast off 2 sts., on next row cast on 2 over those cast off (see diagram p. 29).

Fold band half over to wrong side and sew in position. Sew overlapping buttonholes together and neaten off.

Sew buttons in position.

Overlap bands at the bottom and sew in position to lower seam.

Rib pattern using 2 $\frac{3}{4}$ mm needles: * K1, P1, rep from *.

METHOD

Back: cast on 57 [65] sts. in mint and work 4 cm in rib pattern. Continue in basic pattern, working alt 12 rows green and 4 rows mint. When work measures 26 [29] cm shape neck. On next right side row slip 15 sts. at centre onto a stitch holder and continue each side separately.

At neck edge slip another 3 sts. onto the stitch holder on every alt row 3 times.

When work measures 28 [31] cm rib for another 2 cm in mint over all sts., then cast off all sts. At the same

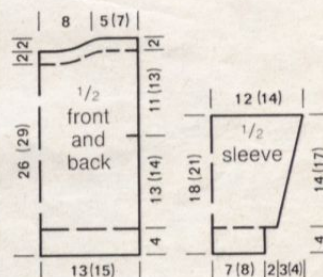

time, make 2 buttonholes as follows: when ribbing measures 1 cm cast off sts. 5 and 10 [12] from side edge, on next row cast on 1 st. over that cast off (see diagram p. 29).

Front: proceed as for back but without the buttonholes.

Sleeves (both alike): cast on 32 [36] sts. in mint and work 4 cm in rib pattern, increasing 7 sts. evenly across on last row = 39 [43] sts. Continue in basic pattern, working alt 12 rows green and 4 rows mint. At the same time increase 1 st. at each end alt on every 6th and 8th row 4 times, then 1 st. on every 6th row 3 [5] times = 53 [61] sts.

When work measures 18 [21] cm cast off all sts.

To make up: block pieces to measurements, cover with a damp cloth and allow to dry.

Overlap back shoulder bands over front and sew together at armhole edges.

Sew sleeves in position, then join side and sleeve seams. Sew on buttons.

shape neck. On next right side row work 31 [35] sts. in pattern, turn and leave remaining sts. on a holder. Complete this side first. At neck edge cast off on every alt row 3 sts. once, 2 sts. twice and 1 st. twice. When work measures 28 [32] cm cast off remaining sts. for shoulder. With right side of work facing, slip first 8 [10] sts. onto holder for centre front neck, rejoin yarn to remaining sts. and work pattern to end. Complete to match first side, reversing shaping.

Pick up sts. for one back half and continue straight.

When work measures 26 [30] cm cast off at neck edge 15 [16] sts. once, then another 5 sts. on every alt row twice.

When work measures 28 [32] cm cast off remaining sts. for shoulder. Work 2nd back piece in reverse to match.

Sleeves (both alike): cast on 36 [42] sts. in white and work 2 cm in rib

pattern, increasing 12 sts. evenly across on last row = 48 [54] sts. Continue in jacquard pattern in white with green.

At the same time increase 1 st. at each end alt on every 4th and 6th row 8 [10] times = 64 [74] sts. When work measures 17 [21] cm cast off all sts.

To make up: block pieces to measurements, cover with a damp cloth and allow to dry.

Swiss darn (see diagram p. 33) 5 strawberries onto front following chart for embroidery, then some straight stitches in green for the leaves (see photo). Join all seams and sew sleeves in position.

Pick up round neck edge about 99 [105] sts. in white, K 1 return row, then work 1.5 cm in rib pattern, making 1 buttonhole into right back as follows: cast off the 19th st. on 3rd row, on next row cast on 1 over that cast off (see diagram p. 29).

Pick up about 81 [91] sts. along each vertical back edge, K 1 return row, then work 1.5 cm in rib pattern, making the 2nd buttonhole into right back as follows: on 3rd row cast off 4th st. from upper edge, on next row cast on 1 st. over that cast off. Sew buttons to left back.

METHOD, trousers

Front: crochet 36 [38] chain sts. in green with the crochet hook, then pick up 36 [38] sts. from this chain with the knitting needles, work 26 rows following the chart for intarsia pattern 1, then continue in jacquard pattern in red and white.

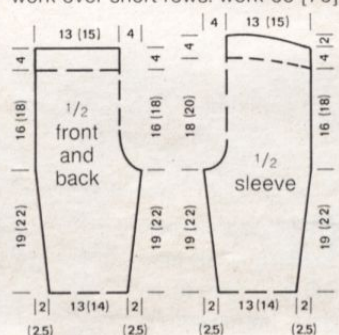

At the same time increase 1 st. at each end of every 8th row 3 [5] times, then 1 st. on every 12th [10th] row twice = 46 [52] sts.

When work measures 19 [22] cm cast off at one side for crotch 3 sts. once, then on every alt row 2 sts. twice and 1 st. 3 [4] times. Then leave remaining 36 [41] sts on a stitch holder.

Work 2nd front piece in reverse to match. Now slip both pieces together onto the needle, crotch sides facing, and continue over all 72 [82] sts. in jacquard pattern. On 1st row K2 together twice at the centre = 70 [80] sts.

When work measures 35 [40] cm work another 4 cm in red in rib pattern, then cast off all sts.

Back: proceed as for front, but when work measures 35 [40] cm work over short rows: work 60 [70]

sts., turn on a yarn-over, work back over 50 [60] sts. Now work another 4 rows, working 10 sts. less on every row, and always turning on a yarn-over.

Then work 1 row over all sts. K yarn-over and preceding st. together before centre st., and together with next st. after the centre st.

Now rib for 4 cm in red over all sts., then cast off all sts.

To make up: block pieces to measurements, cover with a damp cloth and allow to dry.

For the foot pick up 36 [38] sts. in green along the row of chain sts. at the bottom of each trouser front and work in rib pattern, decreasing 7 sts. evenly across on 1st row = 29 [31] sts.

After 24 rows cast off 2 sts. at each end of every alt row 5 times, then cast off remaining 9 [11] sts.

Work the foot on trouser backs the same, but do not cast off until after 30 rows, then cast off 2 sts. at each end of every alt row 5 times, then cast off remaining 9 [11] sts.

Join side and inside leg seams and the seams of the foot pieces, gathering them a little round the ankle. Join the crotch seams.

METHOD, hat

Cast on 102 [110] sts. in red and work 2 cm in stocking stitch on 2 3/4 mm needles and 2 cm on 3 3/4 mm needles, then continue in jacquard pattern in red and white.

After 24 rows in jacquard pattern, work the 26 rows of intarsia pattern 2. After edge st. work motif 4 times, and end with 1 edge st. (for the smaller size start with 3rd row).

Continue for 6 rows in green, then decrease as follows: edge st., K3, K2 together, * K2, K2 together, rep from *, K3, edge st. = 78 [84] sts. On following 2 right side rows K2 together as given above, then slip yarn through remaining 20 [21] sts. and fasten off.

Embroider white dots onto the red panels between the green panels. Work the dots as for the jacquard pattern: on every 3rd row Swiss darn every 4th st. Join back seam.

Romper suit with strawberries

Sizes: 74 and 92, to fit chest 52 cm and 56 cm - about 20 in. and 22 in. Figures in brackets refer to size 92. If there is only one set of figures it applies to both sizes.

Materials: Yarn Phil'dar, quality "Phil'Soft", 60% acrylic, 20% wool, 20% polyamide (about 133 m/50 g), 150 g each in red No 84 and white No 10, and 100 g in green No 93. One pair 2 3/4 mm and 3 3/4 mm needles, and 5 white and 7 red buttons.

Basic pattern using 3 3/4 mm needles: stocking stitch = *K 1 row, P 1 row, rep from *.

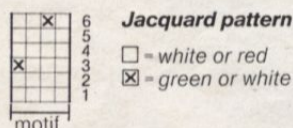

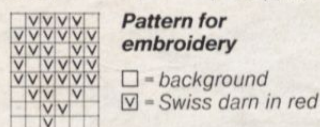

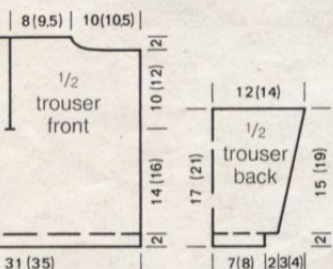

Intarsia pattern: work in stocking stitch following chart. All rows are given, 1 square = 1 st.

Use a separate ball for each col, twisting yarn at back of work when changing cols (see diagram p. 41). Work the white panel with green stitches in jacquard technique.

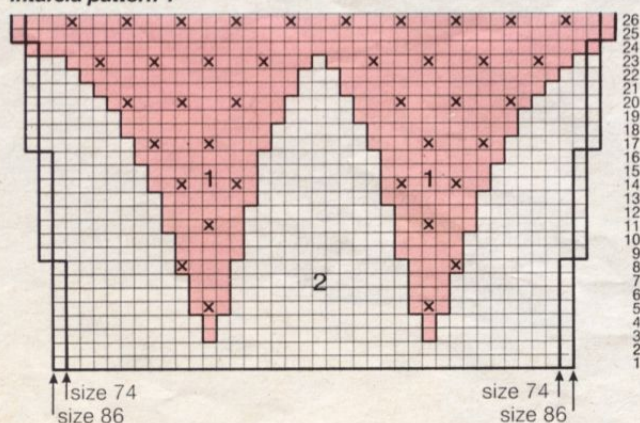

Jacquard pattern: work in stocking stitch following chart. All rows are given, 1 square = 1 st. Work 1 edge st. with both cols on either side.

METHOD

Romper suit front: cast on 33 [35] sts in red for one trouser leg and work 2 cm in rib pattern.

Continue in basic pattern following chart. At the same time increase 1 st. at each end of every 4th row 10 [7] times, then 1 st. on every 6th row 2 [6] times = 57 [61] sts.

When work measures 21 [25] cm cast off at left edge for crotch 3 sts. once, then on every alt row 2 sts. once and 1 st. once = 51 [55] sts. After 64 [76] rows in basic pattern slip all sts. onto a stitch holder.

Work 2nd trouser leg in reverse to match.

Now slip all sts. onto one needle, crotch edges facing, and continue over all sts. following chart. On 1st row K2 together at centre = 101 [109] sts.

At the same time increase for side shaping and sleeves 1 st. at each end of the following 3rd [5th] row once,

then at each end of every 8th row 1 st. 6 times [1 st. on every 10th row 3 times], then 1 st. on every 8th row 3 times, then on every alt row 1 st. twice, 2 sts. 3 times, 3 sts. 3 times [once], 4 sts. once [4 sts. 3 times and 5 sts. once] = 157 [179] sts.

Not all the front is shown on chart, at the end of chart continue in jacquard pattern.

When work measures 52 [59] cm slip 9 sts. at centre onto a stitch holder for neck and finish each side separately. At neck edge cast off on every alt row 3 sts. once, 2 sts. twice and 1 st. twice [4 times].

When work measures 57 [65] cm cast off remaining sts. for shoulder.

Trousers back: cast on 33 [35] sts. in red for one trouser leg and proceed as for front trouser leg following chart. Shape crotch as for front and slip the 51 [55] sts. onto a stitch holder after 64 [76] rows basic pattern, as for front.

Work 2nd trouser leg in reverse to match.

Then slip all sts. together onto one needle and work in jacquard pattern in red with white dots as for front. On 1st row K2 together at centre = 101 [109] sts.

At the same time increase 1 st. at each end of 3rd [5th] row once, then 1 st. on the following 10th row once = 105 [113] sts.

When work measures 32 [37] cm work in short rows as follows: work 91 [99] sts. in pattern, turn on a yarnover, work back in pattern over 77 [85] sts. Work another 4 rows the same, working over 14 sts. less every time and turning on a yarnover.

Then work 1 row over all sts. and work yarn-over together with next st. before centre st., and together with preceding st. after the centre st. Then rib for another 2 cm in red, then cast off all sts. When ribbing measures 1 cm make 7 buttonholes as follows: for 1st buttonhole cast off 5th [6th] st., then every following 16th [17th] st., on next row cast on 1 over that cast off.

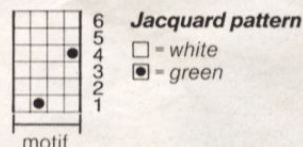

Jumper back: for one half cast on 51 [55] sts. in white and work 1 cm in rib pattern.

Continue in jacquard pattern and increase at one side for side shaping and sleeves 1 st. on every 6th row 3 times and 1 st. on 4th following row once [1 st. on every 8th row twice and 1 st. on every 6th row twice], then on every alt row 1 st. 3 times, 2

sts. 3 times, 3 sts. 3 times [once], and 4 sts. once [4 sts. 3 times and 5 sts. once] = 77 [88] sts.

When work measures 24 [28] cm cast off 10 [12] sts. at the other side for neck, then 2 sts. once on 2nd following row.

When work measures 26 [30] cm cast off remaining sts. for shoulder.

Work 2nd half in reverse to match.

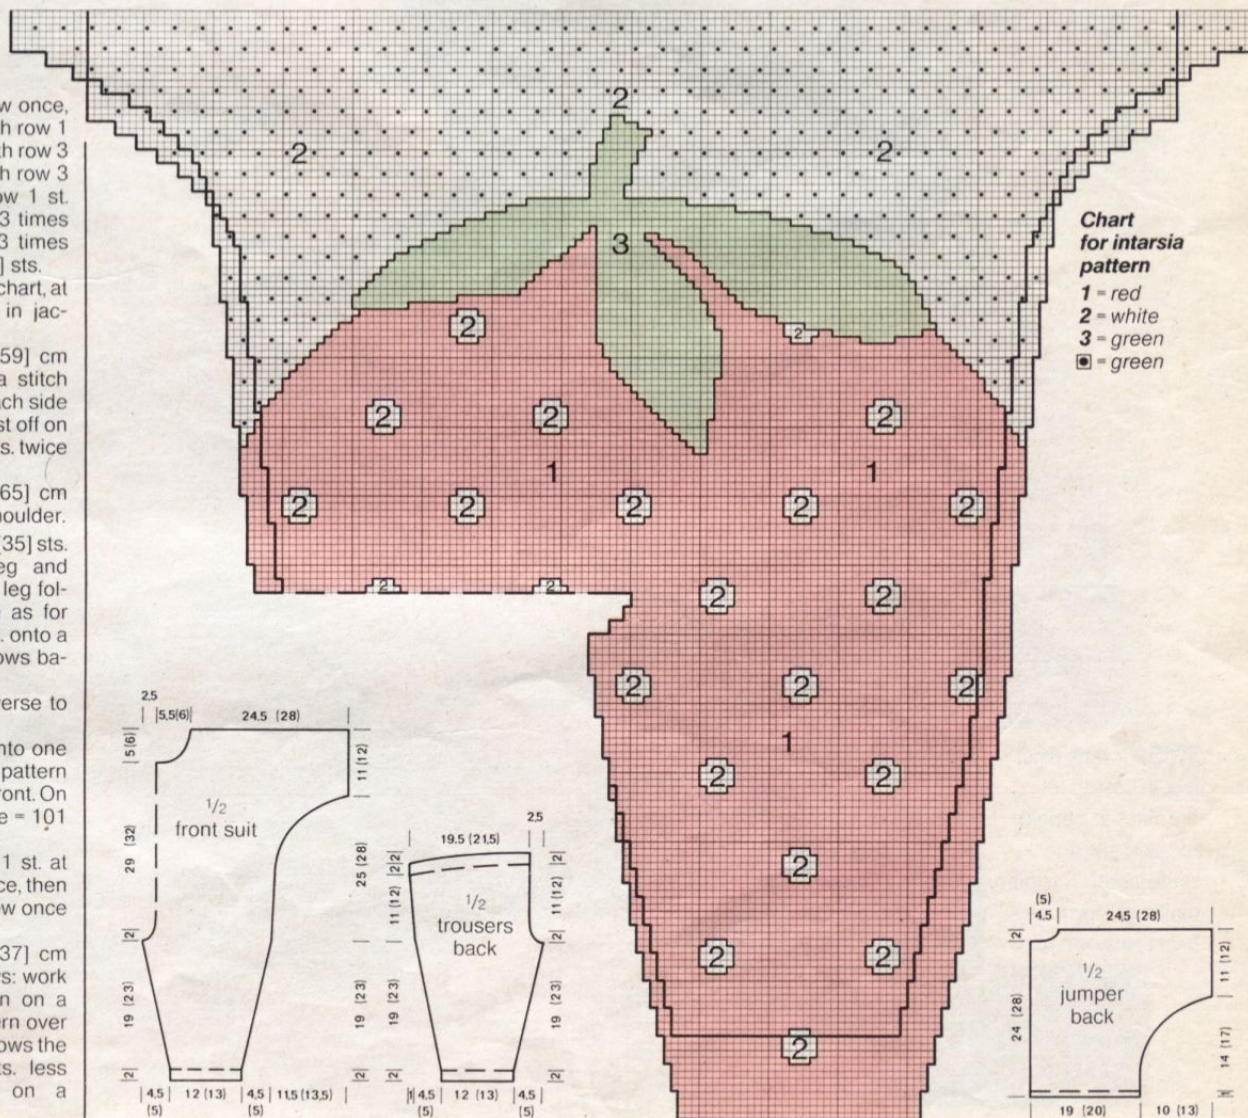

To make up: block pieces to measurements, cover with a damp cloth and allow to dry. Join shoulder and

upper sleeve seams. Pick up about 71 [77] sts. in white round neck edge, K 1 return row, then work 2 cm in rib pattern.

Pick up about 44 [48] sts. in white along the lower edge of each sleeve and work 2 cm in rib pattern.

Pick up about 75 [83] sts. in white along each vertical back edge, K 1 return row, then work 1.5 cm in rib pattern, making 5 buttonholes on 4th row. For the 1st buttonhole cast off 6th st. from upper edge, for remaining buttonholes cast off every 15th [17th] following st. On next row cast on 1 over that cast off. Join side and sleeve seams, overlapping the back part of the trousers by about 2 cm over the jumper.

Join inside leg seams, then crotch seam. Sew on buttons.

One pair 2 $\frac{3}{4}$ mm and 3 mm needles, one blunt embroidery needle and 5 buttons.

Basic pattern using 3 mm needles: stocking stitch = * K 1 row, P 1 row, rep from *.

Tension: 28 sts. and 35 rows to 10 cm.

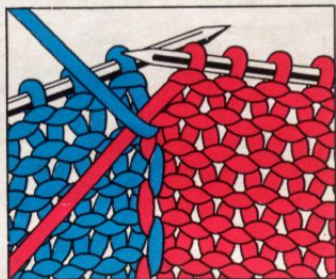

Intarsia pattern: work in stocking stitch following charts 1 and 2. Right side and wrong side rows are given, 1 square = 1 st.

Use a separate ball for each col, twisting yarn at back of work when changing cols (see diagram p. 41).

Rib pattern using 2 $\frac{3}{4}$ mm needles: * K1, P1, rep from *.

METHOD, cardigan

Work in one piece, starting at lower edge of right front.

Twisting threads: when changing colours within a row, twist threads at back of work as shown in diagram to avoid holes.

Cast on 35 [37] sts. in white, work 1 cm in rib pattern, then continue in stocking stitch.

After 8 [12] rows in stocking stitch work the intarsia pattern following chart 1, starting chart at right (front edge) as given. Work all remaining sts. in white, at the end of chart, continue in white too.

When work measures 12 [13] cm cast on at left edge for sleeve on every alt row 6 sts. 7 times [6 sts. once and 7 sts. 6 times] = 77 [85] sts.

When work measures 21 [23] cm cast off at right edge for neck 6 sts. once, then on every alt row 3 sts.

once, 2 sts. twice and 1 st. twice. When work measures 25 [27] cm = shoulder line. Slip the 62 [70] sts. onto a stitch holder.

Work the left front in reverse to match, but after 8 [12] rows in basic pattern work the intarsia pattern following chart 2. Again start chart at front edge as given.

For the back, slip the sts. of one front onto the needle, cast on 30 sts. in white, then slip the sts. of 2nd front onto the needle, neck edges facing, and continue straight over all 154 [170] sts. in white.

When work measures 9 [10] cm from shoulder cast off at each end of every alt row 6 sts. 7 times [7 sts. 6 times and 6 sts. once] = 70 [74] sts. When work measures 24 [26] cm from shoulder line, rib for 1 cm in white, then cast off all sts.

To make up: block piece to measurements, cover with a damp cloth and allow to dry.

Pick up about 61 [65] sts. in white along lower edge of each sleeve and work 1 cm in rib pattern.

Join side and sleeve seams.

Pick up about 69 [75] sts. in white along each front edge and work in rib pattern 2 rows red and 2 rows white, then cast off all sts. At the same time, make 5 buttonholes on 2nd row of one band, the 1st about 2 cm from lower edge and the 5th 1 st. from upper edge, and the remaining 3 buttonholes spaced evenly in between. For 1 buttonhole cast off 1 st., on next row cast on 1 over that cast off (see diagram p. 29).

Pick up along neck and front band edges about 97 sts. in white and work a band as for the front edges. Sew on buttons.

On right front, embroider the cat's ears and the line round the neck in black in stem stitch, for the pupils and the nose make 1 straight stitch each in black, and for the mouth 2 straight stitches in red. Work some satin stitches in black for the nose and eyes of the yellow mouse beneath the cat.

METHOD, skirt

Front: cast on 204 [210] sts. in red, work 1 cm in rib pattern, then continue straight in basic pattern. When

Back: proceed as for front.

Straps (both alike): cast on 11 sts. in red and work straight for about 23 [25] cm in rib pattern, then cast off all sts.

To make up: join side seams. Sew straps to inside of waistband at front and back, each about 4 [4.5] cm from side seam.

Sizes: to fit feet about 11 cm and about 13 cm in length.

Materials:

for the yarn requirements see the instructions for the respective pair of socks.

Five 2 $\frac{3}{4}$ mm and 3 mm double-pointed needles.

Basic pattern
using 3 mm needles:

stocking stitch = * K 1 row,

P 1 row, rep from *; in rounds K all sts.

Tension: 32 sts. and 42 rows to 10 cm.

Rib pattern using 2¾ mm needles:

* K1, P1, rep from *

METHOD for socks

Cast on 40 [44] sts. evenly on 4 of the 2 $\frac{3}{4}$ mm needles and rib for 2 cm or 6 cm in rounds.

Centre back is always between the 1st needle and 4th needle.

Continue in basic pattern on 3 mm needles, working 14 [16] rounds or 20 [24] rounds:

Slip sts. of 2nd and 3rd needle onto a stitch holder, for the smaller size slip another 1 st. onto the stitch holder each from 1st and 4th needle. For the heel work above the remaining 18 [22] sts. 10 rows stocking stitch. Then arrange sts. evenly on 3 needles = 6 [7] sts., 6 [8] sts. and 6 [7] sts. Work over the 6 [8] centre sts. in open rows. At the end of every right side row slip the last of these centre sts. knitwise, K1 off the needle at that side, pass the slipped st. over, turn work, slip 1st st. knitwise and work back. At the end of the return row P last st. of the centre sts. together with the 1st st. off the needle on this side. Turn work again. Continue like this until the 6 [7] sts. on either side have been used up, 6 [8] sts. remain. Always slip the 1st st. of any row.

Now pick up 7 [8] sts. along each side edge of the heel and arrange the 20 [24] sts. of the heel evenly on the 1st and 4th needle, for the smaller size pick up the one idle st. of the 1st and 4th needle

again. There are now 11 [12] sts. each on the 1st and 4th needle.

Continue over all 42 [46] sts. in rounds, decreasing 3 times on every alt row as follows: slip the last st. of the 1st needle onto the 2nd needle and K together with the 1st st. of the 2nd needle, slip the last st. of the 3rd needle knitwise, K the 1st st. of the 4th needle, pass slipped st. over = 36 [40] sts.

Arrange these sts. evenly on 4 needles again, whereby the row change (= centre back) is once more between the 1st and 4th needle.

Now work straight for 18 [24] rounds, then work the toe as follows: work in pattern up to 3 sts. before the end of the 1st needle, then K2 together, K1, K 1st st. of 2nd needle, slip 2nd st. knitwise, K1, pass slipped st. over; continue in pattern and decrease on the 3rd needle as for the 1st needle, and on the 4th needle as for the 2nd needle.
