standard tension:

22 sts and 31 rows to 10 cm (4 ins) over
stocking stitch on 4 mm Needles; tensions
for individual designs are given at the start
of the instructions where applicable.

If there are too many sts to 10 cm, then
your tension is tight and you will need to
change your needle to a larger size. If
there are too few sts to 10 cm, then your
tension is loose and you will need to
change your needle to a smaller size.
