IMPORTANT

Use only the Peter Pan yarn specified.
(We cannot accept responsibility for
an imperfect garment if any other
brand is used.) Follow our instructions
exactly. We advise **every knitter** to
check their tension carefully before
commencing the garment.
All measurements in this design are
based on the stated tension therefore
it is essential that the correct tension
be obtained and maintained
throughout the garment to achieve

success.

We recommend the needle size as
the size we have used to obtain the
tension **but** as each knitter knits
differently it may be necessary for
some knitters to change their needle
size accordingly.

Check your tension carefully

If there are too many stitches to the
inch then your tension is tight and you
will need to change your needle to a
larger size. If there are too few stitches
to the inch then your tension is loose
and you will need to change your
needle to a smaller size.
Keep measuring your knitting
throughout to ensure that you are
maintaining correct tension and
therefore correct measurements.
