The Flower Garden

T114

T118

In this book we have shown how Flower Garden can be introduced into some of these popular designs to give a fresh, new appeal.

You can use Flower Garden in any pattern to create your own design.

See how different the lace panel of design T114 (above) looks using Mimosa 5 knitted in with the Slumberland, or how the yoke of design T118 (above) looks by introducing Mimosa 5 into the stocking stitch.

All Designs

Instructions given for first size, larger sizes given in round brackets. Where only one figure is given this applies to all sizes. Figures or instructions in square brackets should be repeated as stated after the brackets.

Important

Use **ONLY** the Peter Pan yarn specified. (We cannot accept responsibility for an imperfect garment if any other brand is used). Follow our instructions exactly. We advise **every knitter** to check their tension carefully before commencing the garment. All measurements in these designs are based on the stated tension therefore it is essential that the correct tension be obtained and maintained throughout the garment to achieve success.

We recommend the needle size as the size we have used to obtain the tension **but** as each knitter knits differently it may be necessary for some knitters to change their needle size accordingly.

Check your tension carefully

If there are too many stitches to the inch then your tension is tight and you will need to change your needle to a larger size. If there are too few stitches to the inch then your tension is loose and you will need to change your needle to a smaller size.

Keep measuring your knitting throughout to ensure that you are maintaining correct tension and therefore correct measurements.

Pressing

With wrong side facing pin out all pieces to measurements given. Press as instructions. Press all seams.
