PIGLET

Knitting Pattern

Notes

Abbreviations: **dec** - decrease 1 stitch, **g-st** - garter stitch, **inc** - increase 1 stitch, **K** - knit, **L(h)** - left (hand), **mm** - millimeters, **ndl(s)** - needles, **sts** - stitches, **tog** - together, **()** - stitch count, **[]** - yarn colour

Knitting needles required - 3.25mm (UK10)

Tension/Gauge - On 3.25 mm (UK 10) ndls 25st x 49 rows = 10cm (4") square over g-st. For best results check your tension carefully. If you have more than 25sts to 10cm (4") your tension is too tight and you should change to a bigger needle. If you have less than 25sts your tension is too loose and you should change to a smaller needle.

PIGLET Worked in g-st on 3.25mm (UK10) ndls. Join all seams using a firm back st. Each piece has been charted for your convenience, please refer to chart whilst reading the pattern

To create the unique fur effect each piece has to be brushed with a tease brush before being stitched together. Where there are 2 pieces the same, one should be brushed on one side and the other pattern piece to be brushed on the opposite side creating a matching pair. Please use a gentle action when using the brush to avoid damaging your work.

NOTE

When working decs and incs, work 1st in from edge

Making up

Refer to chart pieces and templates as you make up the head. ALL pieces should be brushed BEFORE making up. Please ensure that all pieces are stitched firmly together using backstitch. If you have 2 identical pieces (eg. paw pad) make sure they are brushed so they end up as a pair. You will need to put stiff interfacing inside Piglets ears before sewing together.

HEAD

1. With right sides of **eyemask** together stitch between points **A & B**.
2. Draw around **nose** template onto the fleece and cut out. (Fluffier side of fleece is correct side)
3. Position **nose** in **eyemask** hole. Stitch in place matching points **B & C**.
4. Using **ear** template cut out 4 pieces of fleece.
5. Take 2 **ear** pieces ensuring the right sides are together. Stitch from point **D** around to point **E**. Turn right side out.
6. Repeat for the other ear. You should now have a pair of matching ears.
7. Lay the **eyemask** right side up. Place **ears** on top where indicated. The ears should be lying across the face with both ear tips pointing right. Tack in place.
8. Stitch darts in **head** piece.
9. With right sides together fold **head** piece in half, pin and stitch between points **A & H**.
10. With right sides together pin points **A, F & G** on **eyemask** with points **A, F & G** on **head**. Stitch round from points **A** through **G** to **A**.
11. Turn right side out.

BODY

1. Sew up darts on **front body** piece.
2. With right sides together match points **K & L** on **front and back body** pieces. Stitch left and right shoulder seams.
3. Match and stitch points **I & J** on left side of body.
4. Repeat for right side of body.

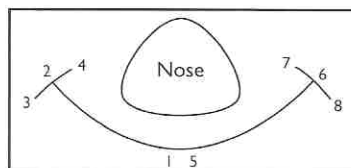

LEGS & ARMS

5. With right sides together match and pin two **leg** pieces together. Stitch between points **N & O**.
6. Stitch between points **P & Q**.
7. With right sides together insert **pawpad**. Stitch in place matching points **O & Q**.

8. Repeat for other leg.
9. Turn **legs** right side out and stuff.
10. Tack along top of **leg** placing seam centrally.
11. Turn body to wrong side. With right sides together insert one **leg** into left edge of the **body**. Make sure the foot is lying towards the top of the body with the highest tip of the leg matching point **J**. Stitch in place.
12. Repeat for right leg.
13. Match and pin points **M & J** on **bottom** body piece to points **M & J** on body. Stitch together.
14. With right sides together match and pin two **arm** pieces together. Stitch round arm from point **R** to point **S** leaving top open.
15. Repeat for other **arm** and turn right side out.
16. With **body** wrong side out insert an **arm** so right sides are together. Make sure the arm is bending towards the front of the body, Match and stitch points **R & S** on arm with **K & I** on **body**.

JOIN HEAD TO BODY.

17. With **body** wrong side out and **head** right side out, put right sides together. Match & pin point **V** of **body** with point **H** of **head**. Ease and stitch in place.
18. Turn right side out and stuff.
19. Insert eyes approximately 2cm from centre seam and 2.5cm from tip of nose.
20. To make Piglets smile follow the diagram below.

Using black wool provided tie a knot at one end. From the back of the face come out through the centre seam where **eyemask** joins the head piece. Stitch the left side first gently pulling the thread so the snout sticks out straight. Repeat on the other side.

21. Using the picture as a guide make each of Piglets eyebrows using a single longstitch.
22. Stuff Piglet and sew up back seam.
