Knitting Pattern

Notes

Abbreviations: alt - alternate, dec - decrease 1 stitch, dpn - double pointed needle. foll(s) - follow(s), g-st - garter stitch, inc - increase 1 stitch, ins - inches, K - knit, L(h) - left (hand), mm - millimeters, ndl(s) - needles, rem - remaining, rep - repeat. rs(f) - right side (facing), st-st - stocking stitch, sts - stitches, tbl - knit 2 together through back of loop. tply - turn and loop yarn worked as follows, work the number of sts instructed, turn work, with yarn at back of work slip 1st on rh ndl to lh ndl, bring yarn forward between slipped st and sts on rh ndl, slip st back to rh ndl from lh ndl and work back across sts just worked, leaving sts on rh ndl resting and unworked. tog - together, ws(f) - wrong side (facing), () stitch count.

Knitting needles required - 2.75mm (UK 12), 3.25mm (UK10) and 2.75mm double pointed needles.

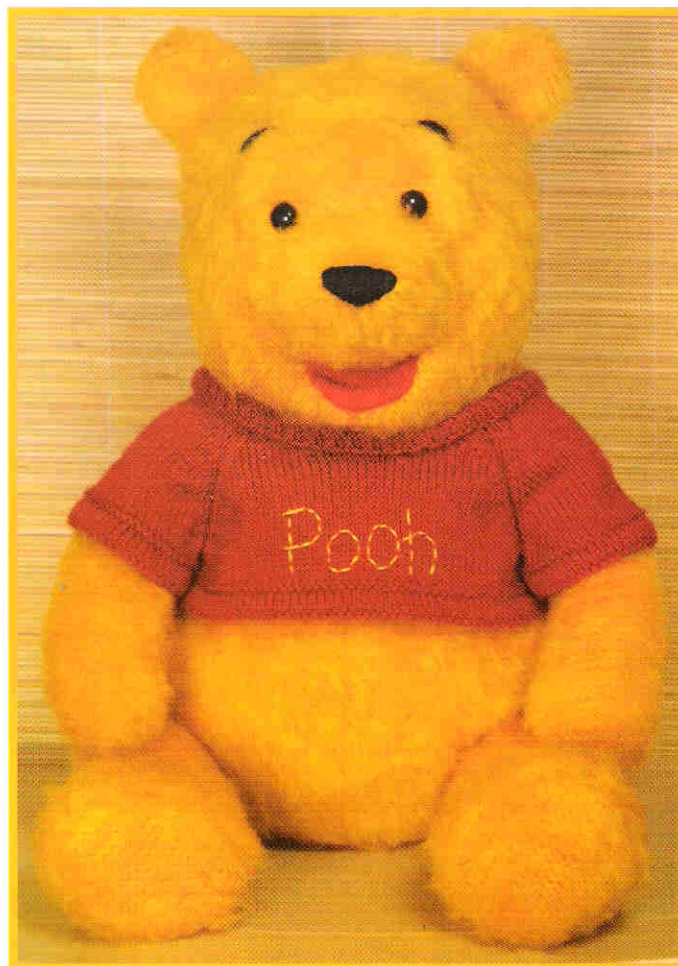

Tension/Gauge - On 3.25 mm (UK 10) ndls 25st x 49 rows = 10cm (4") square over g-st. For best results check your tension carefully. If you have more than 25sts to 10cm (4") your tension is too tight and you should change to a bigger needle. If you have less than 25sts your tension is too loose and you should change to a smaller needle.

POOH Worked in g-st on 3.25mm (UK10) ndls. Join all seams using a firm back st. Each piece has been charted for your convenience, please refer to chart whilst reading the pattern

To create the unique fur effect each piece has to be brushed with a teasele brush before being stitched together. Where there are 2 pieces the same, one should be brushed on one side and the other pattern piece to be brushed on the opposite side creating a matching pair. Please use a gentle action when using the brush to avoid damaging your work.

NOTE

When working decs, work 1st in from edge

Making up

Refer to chart pieces and templates as you make up the head. ALL pieces should be brushed BEFORE making up. Please ensure that all pieces are stitched firmly together using backstitch.

Head

1. Take one ear piece. With the 'outside edge' to your left, stitch dart.
2. Take another ear piece and with the 'outside edge' to your right, stitch dart. You should now have a matching pair of ears.
3. With right sides facing stitch the ears together, leaving the darted edges open. Turn to right side.
4. Repeat steps 1-3 with remaining 2 ear pieces.
5. Stitch darts in a side head piece.
6. Repeat with other side head piece, making sure it is opposite to your first side head piece.
7. Insert ear into side head opening, matching point **B** of ear to point **B** of side head. Repeat with other ear and side head piece. You should now have a pair of side head pieces with ears.
8. Stitch dart at bottom of centre head piece.
9. With right sides together match points **A & B** on the side head pieces with points **A & B** on the centre head piece, pin and stitch between points. Make sure that the ears are balanced.
10. Using the eyebrow template cut 2 eyebrows from black felt.
11. With right side of head facing, pin eyebrows into position centrally over the centre head/side head seams, at points **A**. The curved edge of the eyebrow overlaps the knitting (broken line on template indicates stitching line).
12. With right sides together pin the eye piece into position on head, matching points **A & C** on eye piece with points **A & C** on head pieces. Stitch in place.
13. Stitch centre front seam from point **D** to point **E**.
14. Using mouth template cut one mouth from red felt.
15. Pin mouth piece to head matching point **F** on mouth piece to point **D** on head. Stitch in place.
16. Stitch darts in nose piece.
17. With right sides together fold nose in half, bringing points **G** together. Stitch from point **G** to centre point. turn to right side.
18. Turn head to wrong side. With right sides together insert nose: Match point **H** on top of nose with point **H** at bottom of eye piece, pin. Match point **G** at bottom of nose with point **I** at top of felt mouth, pin. Ease and pin rest of nose evenly into position. Stitch in place.
19. With right sides together, finish stitching the centre head piece/side head piece seams between points **B & J**. Turn head to right side.
20. Brush seams.
21. Insert eyes, just above nose approx 5cm apart.
22. Using nose template cut one nose from black felt. Use PVA glue to stick nose onto head (use picture on front as a guide). When dry, to give nose a fuller look, satin stitch over the felt using black yarn.

Body

1. Put centre front seams together and stitch.
2. Put centre back seams together and stitch from point **L** up to point **M**.
3. With right sides together join side seams between points **N** and **O**.
4. Keep right sides together. At the bottom of the front and back pieces pin centre back and centre front seams together match and pin points **P**. Stitch.

15. Repeat with other arm. You should now have a pair of matching arms
16. With body wrong side out insert an arm, so right sides are together. Make sure the arm is bending towards the front of the body. Match and pin points **O**, **U** and **V** on arm, front and back. Ease and stitch arm into position
17. Repeat with second arm, again making sure it bends towards the front of the body.

Join head to body
