The patterns in this book were derived from Paragon crochet books and have been adapted to suit 4ply yarn. Craft Moods is the copyright owner for all Paragon publications.

The articles in this book were crocheted using the following yarns:

Milford 4ply cotton (approx 226m per 50g ball),
Coats Pellicano No5 (approx 208m per 50g ball) and
TCW 4ply Cottonfields (approx 170m per 50g ball)

The metreage and weights of these yarns vary considerably, so the quantity of yarn given for each pattern ranges from the lighter Milford or Pellicano to the heavier Cottonfields.

STITCHES EXPLAINED

Slip stitch (sl st)

Slip stitching is used to move across a row without creating depth or to join rounds in circular crocheting. Insert hook from the front under the two top threads of the next stitch, yarn over hook (yoh) and pull a loop through the stitch and the loop on the hook in one movement.

Double crochet (dc)

Insert the hook from the front under the two top threads of the next stitch, yoh and pull up a loop. There are now two loops on the hook, yoh and pull through the two loops on the hook. One double crochet (1dc) completed.

Half treble (htr)

Yoh, insert the hook from the front under the two top threads of the next stitch, yoh and pull up a loop. There are now three loops on the hook, yoh and pull through all three loops on the hook. One half treble (1htr) completed.

Treble (tr)

Yoh, insert the hook from the front, under the two top threads of the next stitch, yoh and pull up a loop. There are now three loops on the hook, yoh and pull through two loops, two loops will remain on the hook, yoh and pull through the remaining two loops on the hook. One treble (1tr) completed.

Double treble (dtr)

Yoh twice, insert the hook from the front under the two top threads of the next stitch, yoh and pull up a loop. There are now four loops on the hook, yoh and pull through two loops, three loops will remain on the hook, yoh again and pull through two loops, two loops will remain on the hook, yoh again and pull through the remaining two loops on the hook. One double treble (1dtr) completed.
