To Make Up

Join each leg seam, then sew a sole to base edge of each foot, matching front and back points. Join body back seam, leaving shoulder edge open, then sew matching cast on and cast off edges at top of each leg together. Stuff legs and body firmly then, with body seam running down centre back, fold shoulder edge flat and join. With a length of Black yarn, embroider a line of chain stitch across top of each foot for shoe straps. Join head seam down from gathered top edge, leaving a 2cm space open at base. Stuff firmly, then join remainder of seam. Fold cast on edge flat and join to form chin at centre front. Join side seam of neck, then position and sew to top of body and stuff firmly. With head seam running down centre back, position and sew head to top of neck so that chin protrudes. Following instructions on ball band, press skirt and all apron pieces lightly on wrong side. Join skirt seam, then fit on doll with seam at centre back and sew waist edge of skirt to first Mid Blue row on body. Fold each arm in half and join from underarm, round thumb and hand. Stuff firmly, then position and sew open top edges to sides of

body. Join short seam on each sleeve from underarm to cuff edge, then fit over arms and sew top edge of each sleeve to body. Sew apron shoulder straps to top corners of apron bib. Pin straight edge of each semi-circular sleeve cap under a shoulder strap so that front edge of each cap is in line with third garter stitch ridge down from top of apron bib. Sew in place by working backstitch along edge of strap, then remove pins. Pin apron in place on body and sew ends of shoulder straps to waist, and top corners of bib in place with a few stitches. Now wrap waistband round back of waist, taking ends to front of body. Tuck ends under side edges of apron bib and sew in place, then remove pins. Tie bow strip into a bow and sew knot to waistband at centre back. Wrap dress collar round neck, with side edges meeting at centre front, and sew in place with a few stitches, then embroider a button below collar with White yarn, working a circle of 6 chain stitches. Mark centre front of head with a line of tacking, then mark eye positions with pins, placing 5 knit rows above last increase row, and 4 knit stitches apart. Carefully draw out a single strand from a length of Black yarn and use the remaining 2 strands to embroider a circle of 6 chain stitches for each eye. Using a single strand drawn from a length of Mid Blue yarn, outline each eye with split stitch. Using a long needle and a length of White yarn, fasten off at centre back of head and take needle to one side of left eye. Take a tiny stitch and return to back of head. Draw up yarn slightly to indent eye and fasten with a stitch, then return needle to opposite side

of eye and repeat. Indent right eye in same manner. Using 2 strands of Dark Beige yarn, embroider eyebrows in split stitch, then work a single straight stitch at top of each eye for eyelashes. With a length of Palest Pink yarn, work nose by embroidering a triangle of horizontal satin stitches, placing base of nose in line with last increase row. With a length of Coral yarn, embroider mouth 4 knit rows below base of nose, working a single straight stitch across 2 knit stitches for centre of mouth, with one smaller stitch below and two tiny stitches above. Position and sew ears to head, placing top of each in line with base of eyes and 10 knit stitches to side of centre front. Remove tacking thread. Join seam on hair base piece, then position and sew on head. Cut approximately eighty 40cm lengths of Pale Yellow yarn for hair. Using a single strand for each tassel, work a row of fringing into every stitch on cast on edge of hair base with crochet or rug hook, then work another row of fringing into every stitch on garter stitch row. To straighten yarn, hold over a steaming kettle and shake to remove kinks. Smooth hair backwards over head, taking strands above ears to front. Wrap hair band over top of head and sew in place with a few stitches, then trim ends of yarn to neaten. Join bottle seam, leaving base edge open. Stuff lightly with a few scraps of Black yarn, then work a gathering thread through every stitch on base edge, draw up tightly and fasten off. Sew label to top of bottle, then wrap right hand round bottle and hold in place with a few stitches. Finally, catch right wrist to apron waistband with a couple of stitches.
