TO MAKE UP

Join trousers and shirt seam, then work a gathering thread through every stitch on cast on edge, draw up tightly and fasten off. Stuff firmly through open shoulder edge then, with body seam running down centre back, fold shoulder edge flat and join. Darn in yarn ends on wrong side of head piece, then join seam, starting at tip of snout and leaving a 5cm space open at back edge. Stuff head firmly, join remainder of seam, then work a gathering thread through every stitch on back edge, draw up tightly and fasten off. With head seam running along underside, position and sew head securely to top of body. Press neckerchief pieces lightly on wrong side, then wrap neckerchief round neck and sew front points together at shirt neck. Make a knot in centre of tie piece and sew in place to cover front points. Press apron pieces lightly on wrong side, then pin pocket piece to base of apron, 3 knit stitches in from each side edge and 4 knit rows up from base edge. Sew in

place by working backstitch down sides and across cast on edge, then sew down the two purl stitch divisions in same manner to make three pockets. Wrap apron round front of body and sew cast off waist edges of apron to body waist with a few stitches. With a length of White yarn, catch right top point of bib in place with a small stitch, then take yarn round back of neck and catch left point of bib as before. Wrap apron waistband round back waist and sew ends to side edges of apron waist, then tie bow piece into a bow and sew knot to waistband at centre back. Pin apron patch near top left hand corner of apron and oversew in place with Dark Beige yarn, making uneven stitches. Also sew trouser patch on right back of trousers in same manner. With a length of Powder Blue yarn, work a 4cm long diagonal line of chain stitch down from waist on each side of trousers for pockets, then sew base edge of handkerchief immediately above left pocket line. Fold each sleeve and hand piece in half and join round hand and along sleeve, stopping at underarm. Stuff hand with small ball of stuffing, then stuff sleeve lightly, leaving wrist section unstuffed. Position and sew sleeve heads to shirt sides, then sew a thumb to each hand. Join each foot seam, leaving cast on edge open. Stuff firmly then, with seam running down centre of underside, fold front edge flat and join. Join each leg seam, then sew cast off edge to top of foot, close to back. Stuff legs firmly, then sew cast on edges to base of trousers, placing legs 3cm apart. Fold tail in half and oversew side edges together, leaving cast on edge open. Stuff the first 5cm at top edge firmly, using a pair of tweezers, then position and sew to back of trousers. Wrap tail opening strip round top of tail and sew in place. The stuffed section of tail should act as a stabilizer and enable toy to stand. Mark eye positions on head with pins, placing 12 knit stitches apart and midway between first and second decrease rows at front. With a length of Dark Beige yarn and a long needle, insert at left eye and draw out at right eye, then take a tiny stitch and return to left eye. Repeat once more and draw up yarn to indent eye sockets. Tie off yarn and darn ends into head. Using Black yarn, embroider each eye with a detached chain stitch. With Pinky Beige yarn, embroider nose by working 5 satin stitches, then embroider a "T" shaped mouth by working 2 straight stitches. Lighten area round each eye by colouring with white pencil. Fold cast off edge of each ear in half and join, then join row ends together. Position and sew ears to head, placing 16 knit stitches apart with back edge of each ear in line with last increase row at back of head. Join seam on feeding bottle, leaving cast on edge open. Stuff firmly, then work a gathering thread through every stitch on cast on edge, draw up tightly and fasten off. Join body seam on tiny toy, leaving shoulder edge open, stuff firmly, then fold shoulder edge flat and join. Join head seam, leaving back edge open. Stuff firmly, then work a gathering thread through

every stitch on back edge, draw up tightly and fasten off. Sew head to top of body. Fold each arm in half and oversew side edges together, then sew cast on edges to body sides. Glue ears in place, sewing yarn ends into head, then embroider nose with 2 satin stitches in Pinky Beige, and work two tiny stitches of Black yarn for eyes. Join rattle seam, leaving cast on edge open, and stuff firmly. Spread glue over drinking straw and cover by winding closely with a length of Dark Beige yarn to make handle. Spread glue over one end of handle and insert into rattle opening, then work a gathering thread through every stitch on open edge, draw up tightly round straw and fasten off. With Palest Yellow yarn, embroider 'bells' on rattle by working 4 French knots evenly space round central garter stitch row, and one on top, then wind a length of same yarn twice round top of handle and fasten off. Fit all three items in apron pockets and hold in place with a few stitches of White yarn worked from back of apron.

Join seam on Pipkin's gown, starting at gathered centre point of knickers and stopping 2cm down from shoulder edge. Turn wrong side out and form a tuck on right side by oversewing every stitch on first row of knickers to corresponding stitch on stripe row. Turn back to right side and join remainder of seam. Stuff firmly then, with seam running down centre front, fold shoulder edge flat and join. With White, work a gathering thread through every stitch on waist increase row, draw up to shape, then fasten off securely. Join head seam, leaving back edge open. Stuff head firmly, then work a gathering thread through every stitch on cast on edge, draw up tightly and fasten off. Position and sew head to top of gown. Fold each sleeve piece in half and oversew side edges together, then position and sew cast on edges to gown sides. Join bonnet crown seam, then position and sew on head by working backstitch over cast on edge. Now wrap bonnet brim round front of head and sew in place. Cut a 30cm length of Pinky Beige yarn for tail. Fold in half and hold cut ends together between thumb and index finger of left hand. Insert right index finger into looped end and turn until yarn is very tightly twisted. Bring ends together and allow to twist into a cord, then knot open end to prevent unravelling. Spread a little glue round cord, just below knot, and leave to set, then cut away knot. Spread glue over this cut end and push into knickers, then wrap tail opening strip round top of tail and sew in place. Glue hands, feet, and ears in place, sewing yarn ends into body, then embroider nose with 3 satin stitches in Pinky Beige, and work two tiny stitches of Black yarn for eyes, finally shading area round eyes with white pencil. Position Pipkin in Dusty's arms as shown on photograph, and hold securely in place with a few stitches.
