TO MAKE UP

● Join body seam, leaving shoulder edge open. Take four straws together and bind a 10 cm length with Light Beige yarn, winding evenly to cover straws completely and sealing ends of yarn with a little glue. Trim straws 1 cm away from each end of bound section make a 12 cm long neck former. Stuff body firmly, then make a space in centre with index finger and insert neck former, so that 7 cm extends above shoulder edge. With body seam running down centre back, fold shoulder edge flat and join at each side of form to make right and left shoulders.

● Join each leg seam, leaving ankle and top edges open. To make shoe sole stiffeners, cut two 5.5 x 2.5 cm rectangles of card a curve off each corner by drawing round a cotton reel. Join front seam on each shoe, leaving base and ankle edges open, then sew base edge to a sole piece, matching shoe front seam to centre of sole front edge and leaving a 3 cm space open at back. Insert a

card sole piece into each shoe through opening, then join remainder of seam and stuff shoes firmly. Sew shoe ankle edges together placing leg seam 4 knitted stitches away from shoe front seam, then stuff legs firmly and sew top edges to base of body, placing legs

slightly apart with shoes pointing outwards. Wrap a sock round each ankle and join side edges, then catch ankle edge of shoe with a few stitches. With a length of Black yarn, embroider three straight stitches horizontally across front of each shoe to form laces. Using Bright Green yarn, embroider spots over tights, working a circle of 9 chain stitches for each spot, filling in this circle with another made of 6 chain stitches.

● Leaving fingers and thumb unstuffed, stuff each hand lightly. Join seam on each sleeve, starting at wrist edge and ending at underarm. Sew wrist edges of hands and sleeves together, matching seams on each piece, then stuff

sleeves firmly and position and sew to body sides, placing top edge of sleeve in line with body shoulder seam. Wrap sleeve cuff pieces round wrists and join side edges, then sew in place by working backstitch over cast-off edge of each cuff piece.

● With Black yarn, embroider five bands of split stitch evenly spaced round each sleeve. Also work three vertical lines of split stitch down front and back of body Orange section, embroidering centre lines first, then working the remaining two lines evenly spaced to each side of these.

● Join head seam, starting at gathered top edge and stopping 3 cm above top of neck section. Stuff firmly, then make a space in centre with index finger and insert neck former projecting from top of body. Join remainder of head seam, then wrap neck section round former and join. Matching neck and body seams, sew base edge of neck to top edge of body, then work a gathering thread through every stitch on last row of neck, draw up to fit round former and fasten off.

● At centre front of head, use pins to mark 5th increase row up from base and second cheek decrease row. Take a long needle threaded with a length of Light Beige yarn and work several vertical stitches between these two marked rows, taking stitches through head and drawing up slightly to shape chin and bridge of nose, working along a line that extends 2 cm to each side of centre front. Fasten off ends of yarn securely. With another length of yarn, work several stitches through head, sewing between decreased cheek sections at each side and drawing up yarn slightly to shape cheeks.

● Join nose seam, leaving base edge open, then position and sew centrally to face, placing top edge in line with hand stitched shaping. Take hair piece and join the first 20 sts of each cast-on 40 sts base edge of right and left bunches together to form centre hair parting. Now join side edges of each bunch to form two cone shapes, leaving cast-off edges open. Matching end of hair-parting seam with

gathered top point of head, pin hair piece in position and sew back edge in place with back stitch. Cut two 9 cm lengths from remaining drinking straw and insert one piece into open top end of each bunch cone, so that 1 cm extends outside, and hold in place with a dab of glue. Stuff bunches firmly, then sew cast-on edge of each to head. Join side edges of each bunch end piece, starting at joining row and leaving cast-off edge open. Slip these top openings over straw ends protruding from bunches and sew in place. Fold each bow tail piece in half and oversew side edges together to form a triangle. Wrap a bow knot strip round each hair bunch and join ends, then sew two tails in place to form a bow shape. Following instructions on ball band, press hair fringe lightly on wrong side, then pin and sew across top of head, leaving 3 cm at each end unsewn. Also sew front edges of left side and right side sections of fringe to head, leaving centre piece free.

● Join seam on each eye, then position 4 knit stitches apart on head, overlapping left side and right side sections of fringe and having base of each eye in line with top of nose, and oversew in place with white thread.

● Carefully draw out a single strand from a length of Black yarn and use this to work a circle of 6 chain stitches on each eye to form a dot. Take care when drawing yarn through work as the fibres separate easily. Catch corners of fringe centre piece to eyes with a few stitches. Using single strand of Black yarn and split stitch, embroider five eyelashes at the side of each eye, and also embroider mouth. Sew ears to sides of head, placing in line with cheek decrease row.

● Join dress back seam, then turn up hem along garter-stitch fold row and oversew cast-on edge down. Fit dress on body, then join shoulder seams and catch these seams to body with a few stitches. Arrange hands on hips, then catch fingers and thumbs in place with a few stitches, sewing through dress and body layers of knitting.

Woman's Weekly TEDDY BEAR Mail Order present another Rugrat character — Angelica

'I'm the prettiest, most beautiful kid in the whole universe' — that's Angelica. She might look as if butter wouldn't melt in her mouth, but there's nothing she likes better than terrorising the Rugrat babies.

This toy pattern, along with the two other brand-new Rugrat ones (Tommy's baby brother, Dil, and Reptar, the giant lizard) complete the six Rugrat toys, available as a set of patterns for the first time, especially for Woman's Weekly readers.
