TO MAKE UP

Join body seam then, with seam running down centre back, fold base edge flat and join. Stuff body firmly, then fold top edge flat and join as for base. Join head seam, leaving a 5cm space open at back. Stuff firmly and join remainder of seam, then work a gathering thread through every stitch on cast on edge, draw up tightly and fasten off. Position and sew head to top of body. Following instructions on ball band, press jacket body and collar lightly on wrong side, then sew collar to jacket, matching back neck and decreased lapel edges on both pieces. Wrap jacket round body and pin in place, then sew both front edges to body 2cm below collar ends. Fold each hand in half

and join round thumb and fingers, leaving wrist edge open. With a length of School Grey yarn, separate fingers by backstitching through both layers of knitting down each vertical line of purl stitches, then stuff thumb and remainder of hand. Join each sleeve seam, then sew hands to sleeves, placing hand seam 4 knit stitches away from sleeve seam. Stuff each sleeve lightly, leaving elbow section unstuffed, then position and sew in place, sewing through both jacket and body layers of knitting. Remove pins from jacket. Fold each foot piece in half and join, leaving cast on edge open. Separate toes in same manner as fingers, then stuff remainder of foot firmly, work a gathering thread through every stitch on cast on edge, draw up tightly and fasten off. Position and sew feet to base of body. Join tail seam and stuff firmly, then sew opening centrally to body back, placing base edge of tail 6 knit rows up from base edge of body and stuffing firmly. Using School Grey yarn, embroider long vertical straight stitches at random all over tail for fur, then sew tail to centre back of jacket 4cm up from jacket base, sewing through both jacket and body layers of knitting. Mark eye positions 18 knit stitches apart with pins then, using a long needle and a length of School Grey yarn, work several stitches through head

between these points, drawing up to indent eye sockets, and fasten off. Join seam on each eye, then work a gathering thread through every stitch on cast on edge, draw up tightly and fasten off. Position eyes in sockets and sew in place, then embroider a line of split stitch with Taupe yarn round edge of each central black circle. Using a doubled length of White yarn, work a single stitch on each eye for 'gloss', then embroider two straight stitches of Black yarn in a 'V' shape at each side of eye. Shade round eyes with cream pencil. Using Taupe yarn, embroider 3 horizontal satin stitches for nose. Fold cast off edge of each ear piece in half and join, then press lightly on wrong side. With cream pencil, colour purl, inner, side of each ear, then fold in half and sew to top of head, placing front points 20 knit stitches apart and in line with last increase row at back of head, and back points 8 knit stitches apart. Join nut seam, leaving a 2cm space open at base. Stuff firmly and join remainder of seam, then work a gathering thread through every stitch on cast on edge, draw up tightly and fasten off. Bend arms at elbows, position nut in hands and sew in place, then catch wrist edges to jacket with a few stitches.
