US #3/3.25mm needles*

*A note about these cloths and all my other designs with regards to needle size. I suggest and use a size 3 needle when I knit these cloths because I find that with a smaller needle the design will "stand out" or "pop" more. You can however use any size you prefer from a 3 to a 7 but may end up with a larger finished cloth.

CHRISTMAS CLOTHS

Finished Measurements : 5½"x5½"

Materials: Around 2½ cloths per ball of
Lily Sugar'n Cream Solid
You can use any kitchen cotton yarn.
US #3/3.25mm needles*
Tapestry Needle

Gauge: 23s to 4"

*A note about these cloths and all my other designs with regards to needle size. I recommend a size 3 needle when knitting these patterns because the design will "stand out" or "pop" more. You can however use any size needle you prefer from a size 3 to a 7, but may end up with a larger finished cloth.

CHRISTMAS CLOTHS

Finished Measurements : 5½"x5½"

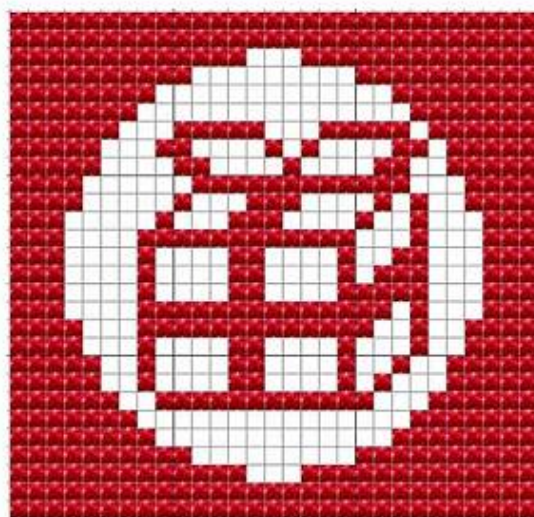

Materials: Around 2½ cloths per ball of
Lily Sugar'n Cream Solid
You can use any kitchen cotton yarn.
US #3/3.25mm needles*
Tapestry Needle

Gauge: 23s to 4"

*A note about these cloths and all my other designs with regards to needle size. I recommend a size 3 needle when knitting these patterns because the design will "stand out" or "pop" more. You can however use any size needle you prefer from a size 3 to a 7, but may end up with a larger finished cloth.

Easter Cloths

Finished Measurements : 5½"x5½"

Materials: Around 2½ cloths per ball of Lily Sugar'n Cream Solid

You can use any kitchen cotton yarn.

US #3/3.25mm needles*

Tapestry Needle

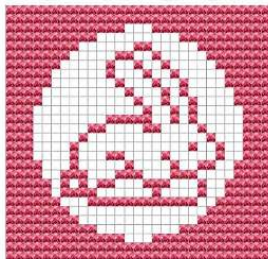

Gauge: 23s to 4"

*A note about these cloths and all my other designs with regards to needle size. I suggest and use a size 3 needle when I knit these cloths because I find that with a smaller needle the design will "stand out" or "pop" more. You can however use any size you prefer from a 3 to a 7 but may end up with a larger finished cloth.

US #3/3.25mm needles*, Tapestry Needle

Gauge: 23s to 4"

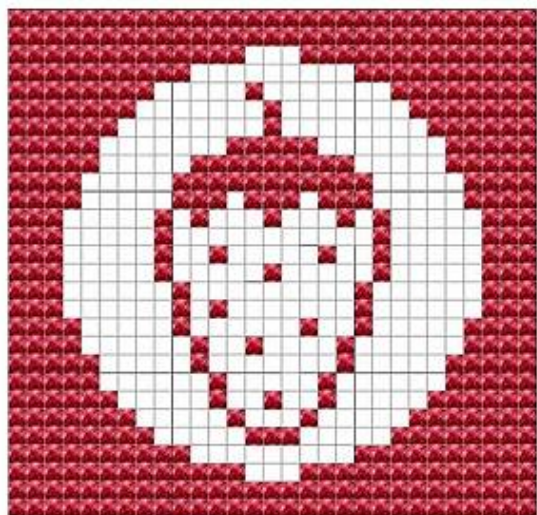

*A note about these cloths with regards to needle size. I suggest a US size 3 needle when knitting these cloths. I find that with a smaller needle the design will "stand out" more. More tips at www.KrisKnits.com.

SCHOOL CLOTHS

Finished Measurements : 5½"x5½"

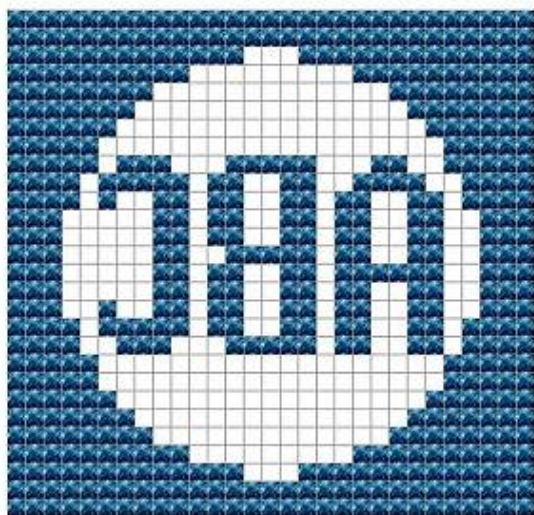

Materials: Around 2½ cloths per ball of Lily Sugar'n Cream Solid
You can use any kitchen cotton yarn.
US #3/3.25mm needles*
Tapestry Needle

Gauge: 23s to 4"

*A note about these cloths and all my other designs with regards to needle size. I suggest and use a size 3 needle when I knit these cloths because I find that with a smaller needle the design will "stand out" or "pop" more. You can however use any size you prefer from a 3 to a 7 but may end up with a larger finished cloth.

Spring Cloths

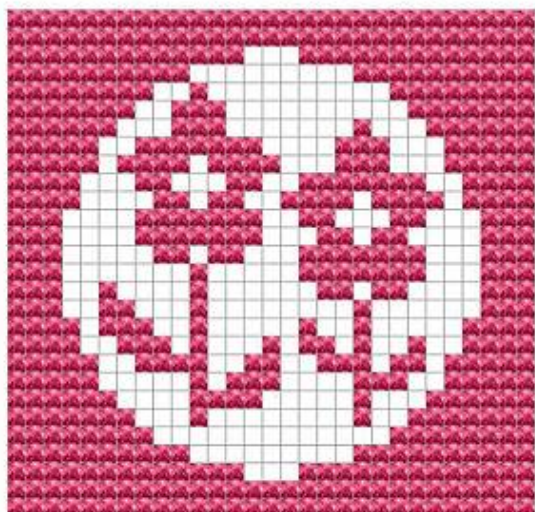

Finished Measurements : 5½"x5½"

Materials: Around 2½ cloths per ball of Lily Sugar'n Cream Solid
You can use any kitchen cotton yarn.
US #3/3.25mm needles*
Tapestry Needle

Gauge: 23s to 4"

*A note about these cloths and all my other designs with regards to needle size. I suggest and use a size 3 needle when I knit these cloths because I find that with a smaller needle the design will "stand out" or "pop" more. You can however use any size you prefer from a 3 to a 7 but may end up with a larger finished cloth.

Cloths

Finished Measurements : 5½"x5½"

Materials: Around 2½ cloths per ball of Lily Sugar'n Cream Solid

You can use any kitchen cotton yarn.

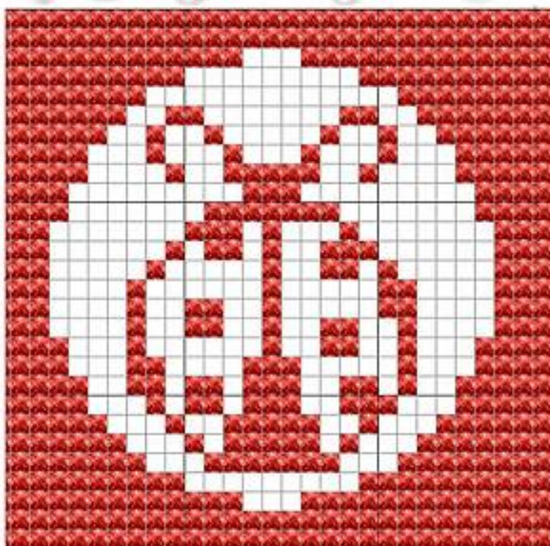

US #3/3.25mm needles*

Tapestry Needle

Gauge: 23s to 4"

*A note about these cloths and all my other designs with regards to needle size. I suggest and use a size 3 needle when I knit these cloths because I find that with a smaller needle the design will "stand out" or "pop" more. You can however use any size you prefer from a 3 to a 7 but may end up with a larger finished cloth.

Valentine's Day Cloths

Finished Measurements : 5½"x5½"

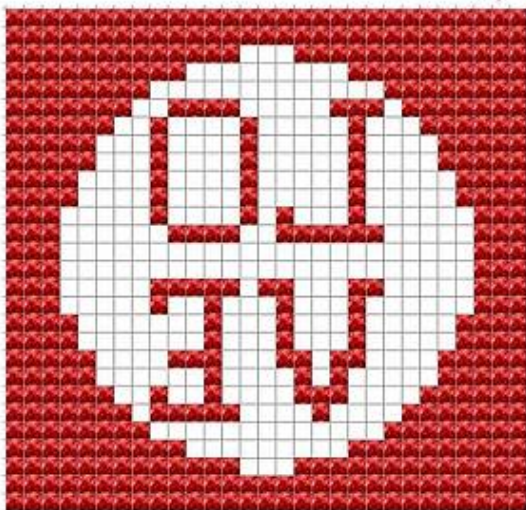

Materials: Around 2½ cloths per ball of Lily Sugar'n Cream Solid
You can use any kitchen cotton yarn.
US #3/3.25mm needles*
Tapestry Needle

Gauge: 23s to 4"

*A note about these cloths and all my other designs with regards to needle size. I suggest and use a size 3 needle when I knit these cloths because I find that with a smaller needle the design will "stand out" or "pop" more. You can however use any size you prefer from a 3 to a 7 but may end up with a larger finished cloth.

Tapestry Needle

Gauge: 23s to 4"

*A note about these cloths and all my other designs with regards to needle size. I suggest and use a size 3 needle when I knit these cloths because I find that with a smaller needle the design will "stand out" or "pop" more. You can however use any size you prefer from a 3 to a 7 but may end up with a larger finished cloth.

WINTER WONDER CLOTHS

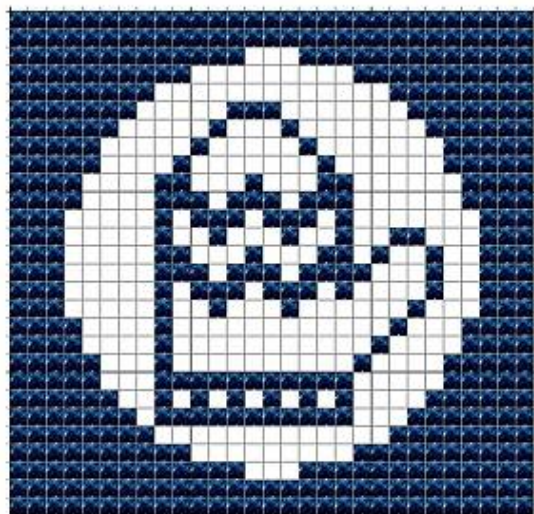

Finished Measurements : 5½"x5½"

Materials: Around 2½ cloths per ball of Lily Sugar'n Cream Solid
You can use any kitchen cotton yarn.
US #3/3.25mm needles*
Tapestry Needle

Gauge: 23s to 4"

*A note about these cloths and all my other designs with regards to needle size. I use a size 3 needle when I knit the pattern because I tend to knit somewhat loose. I also find that with a smaller needle the design seems to "stand out" or "pop" more. You can however use any size you prefer from a 3 to a 7 but may end up with a larger finished cloth.

ZODIAC

Cloths

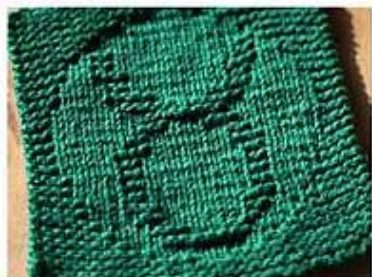

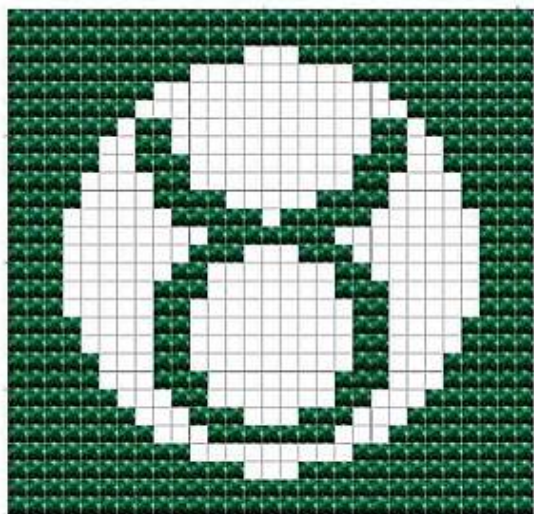

Finished Measurements : 5½"x5½"

Materials: Around 2½ cloths per ball of Lily Sugar'n Cream Solid
You can use any kitchen cotton yarn.
US #3/3 2.5mm needles*
Tapestry Needle

Gauge: 23s to 4"

*A note about these cloths and all my other designs with regards to needle size. I suggest and use a size 3 needle when I knit these cloths because I find that with a smaller needle the design will "stand out" or "pop" more. You can however use any size you prefer from a 3 to a 7 but may end up with a larger finished cloth.
