Cobblestone Pullover

design by Jared Flood

Originally published in *Interweave Knits*, Fall 2007

Kathryn Martin

"I love the way a rustic, tweedy wool looks when worked in garter stitch," says designer Jared Flood. Inspired by a recent trip to Dublin, he designed the Cobblestone Pullover to be both intuitive to work and easy to wear. With a rounded garter yoke and garter panels flanking the body on each side, the design brings geometry to the classic wool sweater.

Finished Size: 39½ (43½, 47½, 51½, 55¾)" chest circumference. Sweater shown measures 43½".

Yarn: Classic Elite Skye Tweed (100% wool; 110 yd [101 m]/50 g): #1272 upland green, 11 (12, 14, 16, 17) balls.

Needles: Size 7 (4.5 mm): 16" and 32" circulars (cir) and double-pointed (dpn). Adjust needle size if necessary to obtain the correct gauge.

Notions: Markers (m); waste yarn; stitch holder; tapestry needle.

Gauge: 18 sts and 29 rows = 4" in St st.

Skill Level: Advanced

Note

- All shaping in this seamless yoke is done within five decrease "rings" spaced over the total yoke depth. Two sets of short-rows are worked within the yoke—one set at the yoke's base and another just before the collar. These short-rows serve to raise the back neck for a more comfortable neck opening.

Gathered Pullover

design by Hana Jason

Originally published in *Interweave Knits*, Winter 2007

Amanda Stevenson

Hana Jason revisits waist shaping in the Gathered Pullover: Pleated cable crossings in a carefully placed panel create all the shaping in an otherwise straight body tube. A wide, deep V-neck and casually rolled edges finish a plain sweater with one great focal element.

Finished Size: 32 (36¼, 40½, 44¾, 48)" bust circumference. Pullover shown measures 32".

Yarn: Brown Sheep Top of the Lamb Sport (100% wool; 154 yd [141 m]/ 50 g): #113 grey heather, 7 (8, 9, 10, 11) skeins.

Needles: Size 7 (4.5 mm): 29" circular (cir) and set of 4 double-pointed (dpm). Adjust needle size if necessary to obtain the correct gauge.

Notions: Markers (m); cable needle (cn); stitch holders; tapestry needle.

Gauge: 19 sts and 24 rnds = 4" in St st in the rnd.

Notes

- The body is worked in the round to the underarm. The work is then split, and the back and two fronts are worked separately. The sleeves are worked in the round to the cap, then the cap is worked flat.
- This sweater is worked in a much larger gauge than the yarn calls for to create a fabric with drape and fluidity. Check your blocked gauge carefully before beginning. When casting on and binding off, do so loosely to match the gauge of the knitted fabric.

Carnaby Street Pullover

design by Melissa Wehrle

Originally published in *Knitscene*, Fall 2009

Todd Nakashima

A Henley pullover gets a makeover with an asymmetric placket and shaped horizontal rib collar. A faux placket at the front makes wearing easier with no gapping between buttons. A textured stitch and roll-up cuffs on three-quarter sleeves complete the look.

Sizes: 30½ (32½, 36½, 40, 44, 47½)" bust circumference; shown in size 32½", modeled with 1½" negative ease

Yarn: Brown Sheep Lanaloft Sport (100% wool; 145 yd [133 m]/50 g):

- #LL75 garland (olive green), 7 (8, 8, 9, 11, 12) balls

Gauge: 23 sts and 35 rows = 4" in texture patt on larger needles

Tools:

- Size 5 (3.75 mm) needles
- Size 4 (3.5 mm) needles
- Markers (m)
- Stitch holder
- Yarn needle
- Sewing needle and matching thread

Cable-Down Raglan

design by Stefanie Japel

Originally published in *Interweave Knits*, Spring 2007

Carol Kaplan

A large diamond cable runs down the center of this raglan pullover. It's flanked by smaller, asymmetrical cables that begin at the midriff. Stefanie Japel says the shaping of this garment is so simple even a beginner can do it.

Finished Size: 28¾ (31¾, 34¾, 38, 41, 44, 47)" bust circumference. Sweater shown measures 34¾".

Yarn: Gems Worsted (100% merino; 168 yd [154 m]/100 g): #48 aqua, 4 (5, 6, 8, 9, 11, 12) skeins. Yarn distributed by Louet Sales.

Needles: Size 6 (4 mm): 24" circular (cir) and set of 4 or 5 double-pointed (dpn). Adjust needle size if necessary to obtain the correct gauge.

Notions: Cable needle (cn); stitch holders or waste yarn; markers (m); tapestry needle.

Gauge: 21 sts and 28 rnds = 4" in St st.

Note

- This pullover is worked in the round from the top down, in one piece. The only finishing is a small seam in each underarm and weaving in the ends.
- The center-front cable panel, worked over 26 sts, is worked from the neck to the hem of the body. At the waist, smaller cables are introduced on either side of the front cable (mirrored right and left and separated by a two-stitch knit rib) and continue around the back (also mirrored right to left). The sleeves are worked in reverse stockinette stitch, with the same arrangement of large and small cables.
- On charts, sleeve outline is followed for first chart repeat only. For each subsequent repeat, work all chart stitches.
- When working the Diamond chart, work the inc round as written in the pattern. On "work even" rounds, work as follows: Cont in patt as established, [work to next m, sl m, k1, work to next m, sl m] 2 times. (In other words, on the "work even" rounds, knit the first sleeve stitch after the marker.)

- After beginning the Right Cable and Left Cable charts, work the Inc rnd as follows: Inc rnd: Cont in patt as established, [k1f&b, work to 1 st before next m, k1f&b, sl m, M1p (see Glossary), work to next m, M1p, sl m] 2 times--8 sts inc'd. (In other words, use the M1p increase on the sleeves rather than k1f&b.)

and every lace double decrease (sl 1 k2tog psso) is accompanied by two lace increases (yo) to maintain correct stitch counts. If there are not enough stitches to work increase(s) with accompanying decrease, work these stitches in stockinette stitch. For ease in seaming in the lace portion, the two edge stitches should not include any yarnovers or decreases (ssk, k2tog, sl1 k2tog psso).

Notre Dame DE Grace Pullover

design by Véronik Avery

Originally published in *Interweave Knits*, Summer 2007

Carol Kaplan

Véronik Avery wanted to make a cozy sweater for lingering over Sunday morning coffee. She chose a cushy alpaca yarn for comfort and warmth, a tailored collar and button accent for details, and a combination of double seed stitch and garter ridges for easy knitting. A loose fit and clean, unadorned edges add to the sweater's relaxed feel.

Finished Size: 36 (40, 42, 46, 50, 52)" bust circumference. Sweater shown measures 40".

Yarn: Reynolds Andean Alpaca Regal (90% alpaca, 10% wool; 110 yd [100 m]/100 g): #183 sage green, 8 (9, 10, 11, 12, 13) balls. Yarn distributed by JCA.

Needles: Size 7 (4.5 mm). Adjust needle size if necessary to obtain the correct gauge.

Notions: One 1¼" button (button shown: #WPL 385-34bt, available from One World Button Supply Co., oneworldbuttons.com); tapestry needle; stitch holders; marker (m); spare needle in same size as main needles for working three-needle BO.

Gauge: 16 sts and 24 rows = 4" in double seed st; 10 rows of corrugated shoulder band patt = 1½" high.

Notes

- The side seams use up one selvedge stitch from the side of each piece when the garment is assembled. The measurements on the schematic show the actual size of the pieces, including the selvedge stitches, for blocking purposes. However, the stitches lost in the seams do not count toward the finished bust size.

- When decreasing in pattern, if the decrease stitch should be a knit stitch in order to maintain the pattern, work the decrease as k2tog after the selvedge stitch at the beginning of a row, or as ssk (see Glossary) before the selvedge stitch at the end of the row. If the decrease stitch should be a purl stitch in order to maintain the pattern, work the decrease as p2tog after the selvedge stitch at the beginning of a row, or as ssp (see Glossary) before the selvedge stitch at the end of the row.

Sunburst Pullover

design by Norah Gaughan

Originally published in *Interweave Knits*, Summer 2002

In an unusual twist on garment design, Norah Gaughan worked circular medallions for the front and back of this cotton pullover. The medallions are knitted from the center outward, then joined with side gussets that are knitted downward from the armholes in short rows to join the front and back. The lower body is knitted in the round to the desired length. The sleeves are knitted in the usual manner, from the cuffs up.

Finished Size: 36 (40, 44)" (91.5 [101.5, 112] cm) bust/chest circumference. Light green sweater shown measures 40" (101.5 cm) and blue sweater measures 44" (112 cm).

Après Surf Hoodie

design by *Connie Chang Chinchio*

Originally published in *Interweave Knits*, Summer 2008

Amanda Stevenson Lupke

The Après Surf Hoodie brings a little edge to delicate lace by setting an allover arrowhead lace motif into a frame of wide stockinette bands and raw edges. Connie Chang Chinchio uses shaping and set-in sleeves to keep the look feminine and a luxurious cotton and cashmere blend for a seasonless garment.

Finished Size: 31½ (35½, 39½, 43½, 47½, 51½)" bust circumference. Sweater shown measures 35½", worn with minimal positive ease.

Yarn: Rowan Cashcotton 4 ply (35% cotton, 25% polyamide, 18% angora, 13% viscose, 9% cashmere; 197 yd [180 m]/50 g): #917 citron, 7 (8, 8, 9, 10, 11) skeins. Yarn distributed by Westminster Fibers.

Needles: Body and sleeves—size 3 (3.25 mm): 24" circular (cir). Neckband and hood—size 2 (2.75 mm): 24" cir. Adjust needle size if necessary to obtain the correct gauge.

Notions: Stitch holders; waste yarn for provisional CO; tapestry needle.

Gauge: 26 sts and 36 rows = 4" in St st on larger needle; 24 sts and 37 rows = 4" in lace patt on larger needle.

Stitch Guide

I-cord Bind-off: CO 3 sts. *K2, ssk (1 I-cord st and 1 st from garment), sl 3 sts to left needle; rep from * until all garment sts are BO. BO rem 3 sts. **Note:** When working the I-cord BO over a larger area (e.g., the body hems or the neckband), sssk rather than ssk every 5th st to avoid puckering.

Notes

- Knit the first and last stitch of every row for selvedge stitches. Work all increases and decreases inside the selvedge stitches.
- When decreasing for neck and armhole shaping in lace pattern, make sure that each pattern decrease (ssk or k2tog) is accompanied by a corresponding increase (yo) and that each double decrease (sl 1, k2tog, psso) is accompanied by two increases (yo); otherwise, work these stitches in stockinette stitch.

Gypsy Mesh Pullover

design by *Norah Gaughan*

Originally published in *Interweave Knits*, Spring 2004

Chris Hartlove

A master at combining simplicity with style, Norah Gaughan has made an adaptable summer sweater that pairs as comfortably with jeans as it does with a dressy skirt. The front and back pieces are identical. After they're joined at the shoulders, stitches for the sleeves are picked up along the armhole edges, and each sleeve is worked down from there. Once you've bound off around the bottom of the cuffs, all you need to do is seam the sleeves and side edges—and you're finished!

Finished Size: 38 (41, 44, 47½, 50½)" (96.5 [104, 112, 120.5, 128.5] cm) bust/chest circumference. Sweater shown measures 44" (112 cm).

Three-Needle Bind-Off

Place stitches to be joined onto two separate needles. Hold them with right sides of knitting facing together. Insert a third needle into first stitch on each of the other two needles and knit them together as one stitch. *Knit next stitch on each needle the same way. Pass first stitch over second stitch. Repeat from * until one stitch remains on third needle. Cut yarn and pull tail through last stitch.

Short-Rows: Wrapping a Stitch

Work to turn point, slip next stitch purlwise to right needle. Bring yarn to front (Figure 1). Slip same stitch back to left needle (Figure 2). Turn work and bring yarn in position for next stitch, wrapping the stitch as you do so. *Note:* Hide wraps in a knit stitch when right side of piece is worked in a knit stitch. Leave wrap if the purl stitch shows on right side. Hide wraps as follows: Knit stitch: On right side, work to just before wrapped stitch. Insert right needle from front, under the wrap from bottom up, and then into wrapped stitch as usual. Knit them together, making sure new stitch comes out under wrap. Purl stitch: On wrong side, work to just before wrapped stitch. Insert right needle from back, under wrap from bottom up, and put on left needle. Purl them together.
