CROCHET DESIGN

INTRODUCTION

ALF™ that wise-cracking Alien Life Form from the planet Melmac, is totally lacking in manners but is blessed with high intelligence and a big heart (in his ear). Although he is living with the Tanners, a typical American family, he can live in your house too when you crochet this terrific version.

This pattern, created by Cheryl DeVeronica, is crocheted in single crochet and loop stitch and is intended for the intermediate. This pattern works up quickly and easily in sport or baby weight yarn. Just add pearl buttons for his teeth.

YARN

All yardages and sizes are approximate since they depend on many factors. (How tightly you crochet, for example). Because of this, you may wish to purchase more than the amount of yarn specified for your project.

GAUGE

Given on each of the patterns are the stitches per inch which will produce the final finished size given. To test your crochet work against these gauges, crochet a 3" piece and count the stitches per inch. DO NOT HESITATE TO ADJUST THE SIZE OF THE CROCHET HOOK TO OBTAIN THE SIZE REQUIRED FOR THE STITCH GAUGE.

SINGLE CROCHET (sc): 1. Insert hook into the second chain from hook, under top two strands.

2. Yarn over hook and draw loop up through stitch.

3. Yarn over hook again and draw through both loops on hook to complete single crochet.

Chain 1 stitch to turn at end of row (This counts as the first sc of the next row).

INCREASE SINGLE CROCHET (DOUBLE CROCHET): Work two single crochets (or double crochets) in same stitch or space.

DECREASING:

SINGLE CROCHET: Complete single crochet stitch to the point where two loops are still remaining on hook. With loops on hook, insert hook from front under the two top strands of next stitch. Yarn over hook, again and draw through all three loops on hook. Two sc stitches have been worked together and there is now one less stitch.

LOOP STITCH

To work loop stitch, insert hook through stitch, wrap yarn around left index finger once (a), hook both loops (b) and draw through stitch only, yarn over, drop loop from finger and draw through all 3 loops on hook (c).
