GENERAL INFORMATION

Explanation of Symbols:

The * is used in repeating — "Repeat from *" — means to repeat everything that follows the last *. Brackets [] are used to explain a stitch. Parenthesis () are used for size changes.

Standard Abbreviations:

Main Color - M/C	Skip - sk
Contrasting Color - C/C	Stitch - st
Chain - ch	Space - sp
Single Crochet - sc	Decrease - dec
Double Crochet - dc	Increase - inc
Half Double Crochet - hdc	Slip Stitch - sl st
Yarn Over - yo	Loop - lp

Helpful Hints:

1. When instructions say join, always use a slip stitch. Insert hook from front under two top threads of stitch. Yarn over hook and with one motion draw through stitch and loop on hook.
2. An increase is made by putting 2 stitches in one stitch. This makes an extra stitch in work.
3. To decrease in single crochet work one sc, but leave the two loops on hook, then begin another single crochet in next stitch. There will be three loops on hook. Yarn over hook and pull through three loops in one movement.
4. To decrease double crochet work one dc until there are two loops on hook. Begin another dc in the next stitch. There will be four loops on hook. Yarn over hook and go through two loops, yarn over hook and go through last three loops.
5. To end work (do not make chain) fasten off by pulling through final loop on hook up 4 inches and cut. Thread a no. 13 yarn needle and weave back into body of work so it will not be seen.
6. The term "Stitch Gauge" is the most important part of all crochet instructions, since the sizes of any article is planned on this gauge.
7. To change colors in crocheting always work off the last two loops with new color.
8. When joining yarn if possible always join a new skein of yarn at the beginning of a row. When it is necessary to join the yarn while working across row leave an end of about 2 inches long, then work from the new skein of yarn on the next stitch, also leave a 2 inch end. After working for 1 inch more, tie these two ends in a square knot, so that the tension will be the same as all stitches.
9. If you wish your blanket/garment to be longer than length suggested, be sure to buy additional yarn when making your purchase.
10. Pom Pom: Wrap yarn around index and middle fingers 50 times, keeping fingers separated. Cut yarn. Cut 9 inch piece of yarn and tie yarn between fingers. Slip off fingers and finish tying very tightly in square knot. Hold both sides of 9 inch piece between thumb and index finger. Cut yarn by placing scissors

through loops. Hold over trash can and trim to desired size. Attach pom pom by pulling one end of 9 inch piece of yarn through end of chain with crochet hook and tie on ch with square knot.
