Antique
CROCHET

PINCUSHIONS®

Dear Crocheter,

When I'm on a trip or have a little extra time at home, I absolutely love to shop in antique stores. I surround myself with the beautiful needlecraft treasures that I pick up on my little forays—it's inspirational to think of the time and love that went into each and every piece.

Delicate old crochet pieces have a special place in my heart. Friends and acquaintances who come to my home love to look at my latest finds as much as I love to share them. That's why I've put together this collection of antique pincushion patterns—I can share these bright, frilly pincushions with so many more of my needlecrafting friends than would ever fit into my living room!

The eight wonderfully easy miniature antique hat designs make great gifts for fellow crochet lovers, sewing enthusiasts, our mothers, daughters or as party favors! I know you'll enjoy sharing these delicate designs with others as much as I've enjoyed sharing them with you!

Happy Crocheting!

Annie

Introducing the Founder of *Annie's Attic*® Annie Potter

The Annie Potter story is one of talent and opportunity combined with determination and gratitude. She explains that it all began during her childhood in Kansas.

"Mom spent hours crocheting, which fascinated me even at the young age of 5. And by the time I reached 8, I found myself crocheting. And not long after that, I began to design my own patterns."

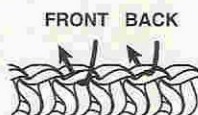

As an adult, she began to design professionally. Then from a simple mail-order ad in a needlecraft magazine, *ANNIE'S ATTIC*® was born. From her kitchen table, she, her family and friends, began to fill the thousands of orders that arrived.

After the first ad came another, and then another. Then a catalog. Then a magazine, *Annie's Quick & Easy Pattern Club*, followed by another, *Annie's Crochet Newsletter*.

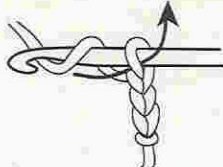

Today, *ANNIE'S ATTIC*® involves many thousands of people, all dedicated to sharing needlecraft. And although Annie buys designs from people all over the world, she still creates and publishes many of her own patterns in the catalog and magazines.

Antique Pincushions®

GENERAL INFORMATION

To **join with a dc**, place slip knot on hook, yo, insert hook in st or sp, yo, pull loop through, (yo, pull through 2 loops on hook) 2 times.

To **starch and shape** your crochet work, you will need fabric stiffener or powdered laundry starch (usually found in laundry supply sections of most grocery and variety stores), a piece of cardboard or Styrofoam® covered with plastic wrap (to keep the work from sticking to the surface) and rust-proof stainless steel straight pins. Begin by applying the stiffener or starch to the crochet according to the manufacturer's directions; pin to the surface covered with plastic wrap, shaping as desired. Let dry completely. Remove pins.

To **decorate pincushions** use small appliqués, silk flowers and other embellishments as desired.
