YOUR BEAR may not be the same size as the ones in this book. SO before you start refer to the measurments on page 17. Make your adjustments (a few rows or a few stitches) and then your bear or other animal will have the sweater just right for him or her.

Note

Whenever the pattern says HOLD STS the stitches are to be put on a piece of yarn or knitting needle for joining in some way later.

Warning: The party shoes and pants are difficult!

*THREAD, my precious Teddy Bear
Got so much love he lost his hair,
Then my Grandma knit a sweater,
And now my THREAD looks so much better.*

*Dear talented knitters
Don't you think that a bear,
With all these hand 'knittings'
Has more than his share?*

*One could knit all these clothes
Kind animal knitters,
Not just for your bears
But for all kinds of critters.*
