Introduction

Soft and tender and cuddly — that's what little babies are. This collection of scrumptious chenille baby wear features designs using chenille yarn with all these same qualities.

We've included both knit and crochet designs specifically designed for chenille yarns. Choose the Sweetie Pie or Ruby Princess set—sacque, booties and bonnet—for classic knit styling and picture-perfect attire.

If you love to crochet, the Cozy Cutie or Pure Joy set offers you huggable styles that are fun to create in caressable chenille.

Patterns are sized from newborn to six months. Plus there are two afghans—so you can get ready to spoil your new arrival with a luxury chenille wardrobe.

* An asterisk is used to mark the beginning of a portion of instructions to be worked more than once; thus, "rep from * twice more" means after working the instructions once, repeat the instructions following the asterisk twice more (3 times in all).

† The dagger identifies a portion of instructions that will be repeated again later in the same row or round.

—The number after a long dash at the end of a row indicates the number of stitches you should have when the row or round has been completed. The long dash can also be used to indicate a completed stitch such as a decrease, a shell, or a cluster.

() Parentheses are used to enclose instructions which should be worked the exact number of times specified immediately following the parentheses, such as "(2 sc in next dc, sc in next dc) twice." They are also used to set off and clarify a group of stitches that are to be worked all into the same space or stitch, such as "(2 dc, ch 1, 2 dc)" in corner sp.

[] Parentheses are also used to provide additional information to clarify instructions.

Join - join with a sl st unless otherwise specified.

The crochet patterns in this book are written using United States terminology. Terms which have different English equivalents are noted below.

United States	English
single crochet (sc)	double crochet (dc)
half double crochet (hdc)	half treble (htr)
double crochet (dc)	treble (tr)
triple crochet (trc)	double treble (dtr)
skip (sk)	miss
slip stitch (sl st)	slip stitch (ss) or "single crochet"

A Word About Yarns

These cute baby sets have been created with Chenille Sensations by Lion Brand® and Honeysuckle Yarns chenille by Elmore-Pisgah Inc. Any chenille yarn that works to the gauge given can also be used.

A Word About Gauge

A correct stitch gauge is very important. Please take the time to work a stitch gauge swatch about 4" x 4". Measure the swatch. If the number of stitches and rows are fewer than indicated under "Gauge" in the pattern, your hook or needle is too large. Try another swatch with a smaller size hook or needle. If the number of stitches and rows are more than indicated under "Gauge" in the pattern, your hook or needle is too small. Try another swatch with a larger size hook or needle.
