MATTRESS STITCH

This seam will give your garment a professional finish. Even if you have always used backstitch or oversewn seams, try this method and you will be surprised how easy it is and how much better the seams look and feel. Mattress stitch should be worked one whole stitch in from the edge. It can even be worked on shaped edges - as you are working from the right side, it is easy to see where you are and to keep the seam neat and straight. When starting, leave a long end which can be secured by running it back along the edge when the seam is completed. If the seam needs to be undone, simply pull this end, drawing the yarn through the stitches.

1. With right side facing you, lay the two pieces to be joined flat and edge to edge. Thread a knitter's needle and insert the needle between the edge stitch and the second stitch on the first row. Pass the needle under two rows, then bring it back through to the front.
 2. Return to the opposite side and working under two rows at the same time throughout, repeat this zigzag action always taking the needle under the strands that correspond exactly to the other side, and going into the hole that the last stitch on that side came out of, taking care not to miss any rows.
- The mattress stitch stitching should be elastic without being loose - while working keep yarn held firm, not pulling sts to tightly.

GRAFTING

Grafting is a method that joins two pieces of knitting without a seam. It is ideal for areas of a garment where a seam may be uncomfortable i.e. the toe or heel of a bootie.

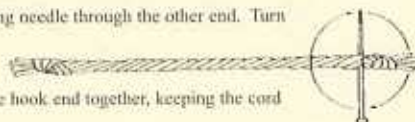

Place the two row edges to be grafted facing each other, right side up (as indicated on diagram). For each piece of work we recommend placing stitches on 2 spare needles or stitch holders. Using a blunt needle, threaded with matching yarn, pass needle from the back towards the front of the first stitch on the lower piece. * Then pass needle into the first stitch of the upper piece from the front towards back. Pass needle into the next stitch on the upper piece from the back towards front. Now return into the first stitch on the lower piece from the front towards back, then pass from the back into the next st on the lower piece towards the front. Pull yarn gently through to duplicate knitted stitch. Rep from * until all the sts have been grafted. Fasten off neatly on the wrong side.

TO MAKE A TWISTED CORD

1. Cut the required number of strands of yarn 2 - 3 times the length of the finished cord. eg. 4 strands of yarn 100cm long will produce a cord 8 strands thick and approx 40cm long. Knot the strands together at each end, making sure all lengths are equal.

2. Attach one end to a pin, hook or handle, insert a knitting needle through the other end. Turn the knitting needle clockwise until the strands are well twisted.

3. Holding the centre of the cord, place the needle and the hook end together, keeping the cord taut to avoid tangling.

4. Release the centre of the cord so that the two halves twist together. Smooth out any lumps. Knot and trim both ends.

MAKING A POMPON

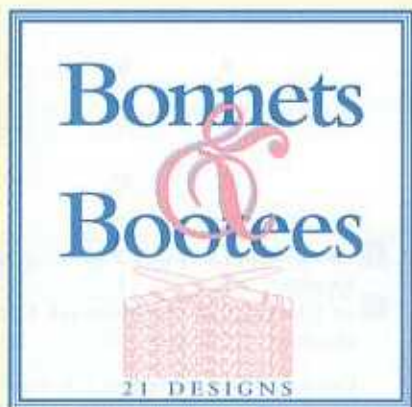

1. Decide the size of the Pompon, then cut two circles of card, the diameter of which will be slightly larger than the size of the finished pompon. Cut a smaller hole in the centre of each circle, about half the size of the original diameter.

2. Holding the two circles together, wind the yarn around the ring (using several strands at a time), until the ring is completely covered.

3. Cut all around the outside edge between the two circles using a sharp pair of scissors. Make sure all the yarn has been cut.

4. Separate the two circles slightly, wind a length of yarn between them then tie **firmly** into a knot, leaving sufficient yarn for sewing the pompon in place. Pull the two circles apart and fluff out yarn to cover centre join. Trim as desired.

2nd and foll Alt Rounds: 1ch, 1dc in same place as sl st, 1dc in each dc to end, sl st in first dc.

3rd Round: 1ch, 'Inc' in same place as sl st, 'Inc' in each dc to end, sl st in first dc ... 24dc.

5th Round: 1ch, 1dc in same place as sl st, 'Inc', * 1dc in next dc, 'Inc', rep from * to end, sl st in first dc ... 36dc.

7th Round: 1ch, 1dc in same place as sl st, 1dc in next dc, 'Inc', * 1dc in each of next 2dc, 'Inc', rep from * to end, sl st in first dc ... 48dc.

Cont inc in this manner (adding 1dc between inc each time) in foll 3rd round/s until there are 60 (72-84) dc, then in foll 5th (4th-4th) round/s until there are 84 (96-108) dc.

Work 8 rounds dc.

Change to C2, and work 5 rounds dc.

Next Round (worked over elastic): Fold over 2.5cm at one end of elastic and hold it so that just the fold is protruding, then work 1ch, 1dc in same place as sl st (working over folded elastic), 1dc in each dc to last 6dc (working over elastic all the time and drawing elastic up slightly to keep work firm), thread the other end of elastic through the first fold and fold it back for 2.5cm, then work 1dc in each dc to end (working over folded elastic), sl st in first dc.

Work 1 round dc. Fasten off.

Shape Peak:

With right side of cap facing, using 3.00mm hook and C1, proceed as folls -

Counting from last st from last round (back of hat), miss 27 (30-33) dc, join C1 into next dc with a sl st, work 1dc in same place as sl st, 1dc in each of next 2dc, 'Inc', * 1dc in each of next 5dc, 'Inc', rep from * 3 (4-5) times, 1dc in each of next 2dc, **turn** ... 35 (42-49) dc.

1st Row: Sl st across first 2dc, 1ch, 1dc in each dc to last 2dc, **turn** ... 31 (38-45) sts.

2nd Row: Sl st across first 2dc, 1ch, 1dc in each of next 3dc, 'Inc', 1dc in each of next 9 (13-16) dc, 'Inc', 1dc in each of next 9 (12-16) dc, 'Inc', 1dc in each of next 3dc, **turn** ... 30 (37-44) sts.

3rd Row: As 1st row ... 26 (33-40) sts.

4th Row: Sl st across first 2dc, 1ch, 1dc in each of next 2dc, 'Inc', 1dc in each of next 16 (23-30) dc, 'Inc', 1dc in each of next 2dc, **turn** ... 24 (31-38) sts.

5th Row: As 1st row ... 20 (27-34) sts.

6th Row: Sl st across first 2dc, 1ch, 1dc in each of next 3dc, 'Inc', 1dc in each of next 4 (7-11) dc, 'Inc', 1dc in each of next 3 (7-10) dc, 'Inc', 1dc in each of next 3dc, **turn** ... 19 (26-33) sts.

7th Row: As 1st row ... 15 (22-29) sts.

8th Row: Sl st across first 2dc, 1ch, 1dc in each of next 2dc, 'Inc', 1dc in each of next 5 (12-19) dc, 'Inc', 1dc in each of next 2dc. Fasten off.

TO MAKE UP

Using 2.50mm hook and C1, work 1 row of dc, then 1 row of 'Crab St' evenly around edge of peak. Fasten off. Using 2.50mm hook and C2, work 1 round of 'Crab St' evenly around lower edge of cap. Fasten off. Using C2, make a small pompon (refer inside front cover) and attach to top of Cap.

FRENCH KNOTS

Bring the needle from the back to the front of the work and wind the yarn several times around the needle according to the size of the knot required. Take the needle back through the same place and draw the yarn through, forming a small knot on the right side. If the knot tends to slip through to the wrong side, insert the needle half a stitch further on to avoid this.

SATIN STITCH

This is used to completely cover an area of knitting without duplicating stitches.

STEM STITCH

Stem stitch is worked from left to right, taking small sts across. Always keep the thread below the needle (as illustrated).

HOW TO MAKE A TASSEL

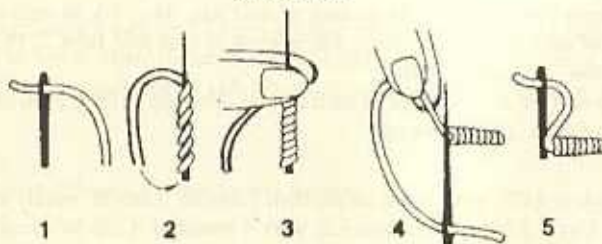

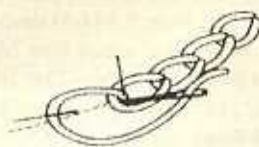

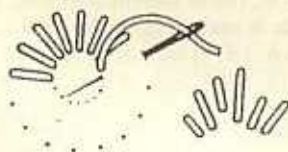

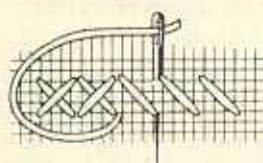

1. Cut a rectangle of card as wide as the required length of the finished tassel. Wind the yarn around the card until the required thickness is reached. Break the yarn, thread through a knitter's needle and pass the needle under all the loops. Do not remove needle.
2. Tie the end of the yarn firmly around the loops, remove the card and cut through the loops at the opposite end to the knot.
3. Wind a length of yarn around all the loops 2cm below the fold and fasten securely. Pass the needle through the top and use the end to sew in place. Trim the end neatly.

When instructions read - 'Cast off 2 sts, K5 (or another number), the st left on the right hand needle after casting off, counts as one st.

Turning Note: When pattern specifies 'turn' - proceed as follows to avoid holes in work. Take yarn under needle and onto other side of work, slip next st onto other side of work, slip next st onto right hand needle, take yarn under needle and back to original position, slip st back onto left hand needle, then turn and proceed as instructed in patt.
