Sew in all loose ends to make neat. Sew side seams in petticoat. Sew front skirt to back skirt leaving the edges of the upper frills free. Sew apron frill to top frill of back along side seams. Sew bodice side seams, and remaining shoulder seam. Sew sleeve seam, and make a line of running sts along the sleeve head so you can gather to fit the armhole. Sew sleeve to armhole. Sew front and back crotch seams in bloomers, and then inside leg seam. Trim with lace and cord as picture. (As the neck is fitted, you will have to remove the doll's head prior to fitting, this is easily replaced).

## Headdress

Make a triangular shape with wire. Unravel the white & gold cord and using the gold cord only twist around the triangular wire shape until covered, glue or sew in place. Taking metallic thread criss cross over the shape to give a weave effect, glue or sew to secure.  
 Sew a teardrop pearl to front of headdress.
