Projects Include 12" Musical Doll
With Wings, Beaded Dress
In 2 Lengths, Panties, Purse
and Wand.

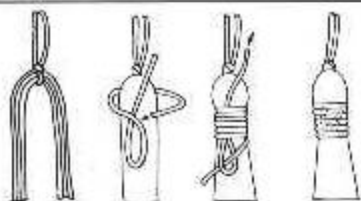

TOOTHFAIRY/ANGEL

Imagine the joy in a little girl's heart when she awakens to find her first tooth replaced by her very own Toothfairy. This magical doll is sure to be a favorite keepsake of warm childhood memories. Pattern comes complete with panties and a tiny coin purse to place child's tooth in as she goes to sleep. It can later be used to deliver coins for further teeth. Also included are instructions for a longer dress to create a family heirloom Christmas Angel which everyone will look forward to seeing on the tree top year after year. A wonderful "Guardian Angel" gift for a sick or discouraged friend, her beaded purse can be filled with stardust, pennies from heaven or a tiny note. The dress is created in a cascade of tiny pineapples — each adorned with a pearl. Her bead-encrusted, feathery wings are a perfect compliment to the dress. Her soft, plushy body has jointed arms and legs and plays a tune when squeezed. We chose "Twinkle Twinkle Little Star" since she carries a tiny star in one hand. Her head is adorned with a pearl halo above silky blond embroidery floss tresses. This loveable little doll is sure to bring comfort and joy to the lives she touches.

TASSLE — WRAP CROCHET COTTON 40 TIMES AROUND A 2½" WIDE PIECE OF CARDBOARD (32 TIMES FOR FLOSS). CLIP ONE END TO MAKE 5" LENGTHS. TIE 5" LENGTHS TOGETHER IN THE MIDDLE USING A 12" PIECE OF COTTON OR FLOSS. SKIP DOWN ABOUT ½" AND WRAP A 12" LENGTH OF FLOSS OR COTTON AROUND ALL PIECES OF THREAD. THREAD TAPESTRY NEEDLE ONTO ENDS OF THE THREAD AT TOP OF TASSLE AND SEW TASSLE ONTO BOTTOM LOOP OF PURSE.

PEARLIZED CROCHET

You can now make cotton crochet projects with a beautiful pearly glow using "Metallic Filament" new from J.&P. COATS. Simply crochet your project using 1 strand crochet cotton and 1 strand metallic filament at the same time. The filament is available in the J.&P. COATS Embroidery Floss display where you shop. It comes in a variety of colors you'll want to try. For a pearlized effect choose color #1001 PEARL. It is best to use filaments only on non starched projects since stiffening products coat threads and will reduce the sparkle effect. The angel's dress (not shown pearlized) and the toothfairy's dress (shown) can both be pearlized for an even more magical effect.

SECOND WING

ROWS 1 - 14: With right side of work facing you, join in beg ch 6 ring. Rep ROWS 1-14 for first wing. Finish off.

FINISHING

Using needle and thread sew a 4mm pearl bead in each ch 3 space of both wings. Pour a small amount of stiffening solution in bottom of plastic bag. Saturate wings in solution then squeeze out excess using sides of bag. Remove wings from bag and squeeze out remaining excess solution with paper towels. Take special care to wipe beads clean. Spread out wings and lay flat on plastic covered surface. Bend wings slightly until first ch 5 lps of each wing are touching each other. Wings should now

be in a slight V position. When dry bend each wing lengthwise to give a gently curved appearance. Position wings on doll's back WITH DRESS ON. Using crochet cotton and tapestry needle, sew touching ch 5 lps together as you sew wings securely to back of doll. Glue 2 or 3 fluffy white maribou feathers on back of each wing.

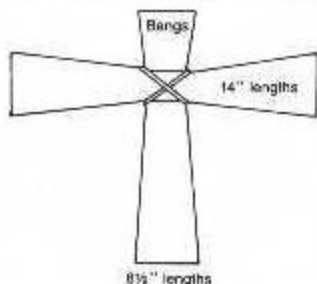

DOLL, cont'd. from page 3

FINISHING

Doll is assembled using crochet cotton and tapestry needle. Place head on neck so that neck is about 1/2 of the way up the back of doll's head. Chin should be level with top of first row of hdc made in neck (ie. very little of the neck can be seen from the front). Turn beg ch 5 ring of chin under so that it does not show and sew head firmly onto neck. Sew arms in place with top of arm and shoulders level. Turn doll upside down with back facing you. Place legs against doll's back with last row of thigh stitches level with beg ch 28 of hips. Close body and join legs at the same time by sewing all 4 corresponding stitches from back and front of hips and front and back of each thigh together at the same time all the way across hips.

HAIR

Hair is made using five 9 yard cards of embroidery floss. Wrap 2 cards of floss around a 14" wide piece of cardboard. Clip both ends to make 14" lengths of floss. Wrap 3 cards of floss around an 8 1/2" wide piece of cardboard (you can use this book to wrap 8 1/2" lengths). Clip both ends to make 8 1/2" lengths. Lay 8 1/2" lengths flat. Skip down 1 1/4" for bangs and center 14" lengths of floss across at right angles. Using a scrap of floss, tie all pieces of floss together where they overlap to form crown of head. Comb floss gently and iron to remove wrinkles. Cover top and back 'scalp' area of doll's head with a thin layer of white craft glue. Press hair in place with tied 'crown' glued to center top of head. Trim ends and bangs.

FINISHING TOUCHES

Thread all 15 pearl beads on strong thread and tie ends together. Sew or glue halo in place. For more durability replace halo with a small bow glued or sewn to crown of hair. Tie bow using a 6" length of 3/8" ribbon. Cut a 12" length of 1/8" ribbon for each shoe. Center middle of ribbon over front of doll's toes. Cross ends behind leg and pull ends to front. Crisscross ends across front of foot as shown in photo. Cross ends behind leg again. Bring ends to front of leg and tie a bow. Use a few dabs of glue or stitch ribbon securely to foot.

ROW 1: Join in back lp of first ch of beg ch 62 at neckline. Work along sides of stitches at right angles to prev rows of stitching all the way around opening as follows: 2 sc in first dc. 1 sc in next sl st of neckline edging. †3 sc in next dc. 2 sc in next dc. 3 sc in next dc. † 2 sc in ch 1 at bottom of opening. Rep from † to † once more. 1 sc in next sl st of

neckline edging. 1 sc in next dc. Ch 4 (button hole loop), 1 sc in same dc. Sl st in back lp of next ch of beg ch 62. Sew button in place and check button hole loop size, adjusting if necessary. Finish off.

FINISHING

Dress requires no stiffening or starching and should not be ironed. Spray dress lightly with water and smooth any wrinkles after beads are added. Sew a 6mm pearl bead in last ch 3 loop before each pineapple. For strongest results we suggest using crochet cotton and embroidery needle. Starting at hem sew bead in first pineapple. Do not break off but work your thread as if finishing ends up to the pineapple above. Continue up to neckline taking care not to pull thread too tightly. Use the same method for sleeves. Cut a 10" length of 4mm pre-strung pearl beads. Using needle and thread sew beads around neckline. Clip excess. Sew a 3" length of remaining beads around each cuff. Trim excess. Sew 2" scrap of 1" wide ribbon in opening at front of dress. Apply a few dabs of glue along raw edges to prevent fraying. Glue ceramic or ribbon rose in place. Cut 3/8" length of ribbon in half. Fold both pieces in half and glue or sew fold just below rose. **SLIP FOR TOOTHFAIRY** — Sew ends of 2 1/4" ribbon together using needle and thread. Gather ribbon along one edge with elasticized thread to form waist band. Pull thread as tight as necessary and secure ends. **SLIP FOR ANGEL** — Cut two pieces of satin as shown below. With right sides of fabric together, sew front and back together. Fold down, iron and stitch a 1/2" hem at waist. Gather waist using elasticized thread. Put slip and dress on doll. Trim hem of slip 3/4" longer than dress. Turn up and iron a 3/8" hem. Fold up hem once more and iron. Stitch hem.
