introduction

5

baby cashmerino 3 is the latest addition to my popular series of booklets for babies and children, all knitted in one of my favourite yarns. This collection features a range of designs from a smart cabled slipover and pretty dress for special occasions, playful alphabet cubes for the nursery, and for the newly born there is a delicate lace and bobble blanket to be wrapped and cherished in.

baby cashmerino is the perfect yarn for babies, soft against the skin, easy to wash and wear and for those of us who love to knit for the little ones in our lives, a joy to knit with.

basic information

The quantities of yarn are based on average requirements and are therefore approximate. It is essential to work to the stated tension and you should always knit a tension square before starting. If you have too many stitches to 10cm/4in your tension is tight and you should change to a larger needle. If there are too few stitches, your tension is loose and you should change to a smaller needle. We cannot accept responsibility for the finished product if any yarn other than the one specified is used. Instructions given are for the first size, with larger sizes in round brackets. Where only one figure or instruction is given this applies to all sizes.

Work all directions inside square brackets the number of times stated. See ball band for washing and pressing instructions.

Fold ears in half across the centre and stitch around the edges.

lining

Using the knitted piece as a template, cut a piece of lining fabric the same shape adding 1.5cm/½in all around. Neaten all fabric edges by pressing under the 1.5cm/½in seam allowance and slipstitch in place to knitted piece around all edges.

to make up

Place markers on side edges, 30cm/12in up from cast on edge. Fold in half along cast on edge and stitch to form lower edge of bag then continue seam up the side edges to markers, leaving edges above markers open. Cut ribbon in half and sew one piece to the corner of the front edge and the remaining piece to the back. Fold cast off top edge in half and join seam to form top of hood. Lay carryboo flat, so the hood forms a triangle. Measure 10cm/4in down from the tip of the hood along the folded edges and place a marker, then stitch the ears in place with the top of the ear at the marker.
