

Double Bump Scarf or Dishcloth Pattern

(Designer: Missy Angus)

An excellent scarf or dishcloth pattern! Dishcloths that come out square and lay flat – scarves that look great for either male or female wear. Both sides of the pattern look beautiful so this is a reversible pattern.

The pattern is worked in multiples of 3 + 1 Let your imagination run free!! Use solids or random yarns. Try mixing a solid shade with a toning/matching random for great effects. Most of all enjoy!!

Materials: Any yarn you want to use. This pattern is an ideal stash buster.

Needle size: Should match size suggested on ball band or correct size for the thickness of yarn you are working with. As a suggestion, use Sugar and Cream Cotton for dishcloths with a size (US)7 needle.

For a scarf try worsted weight (UK Aran) with size (US)8 needles

Dishcloth:

Cast on 37 stitches (or any combination of 3 + 1)

Scarf: Cast on 31 stitches (or any combination of 3 + 1)

Row 1: Slip 1st stitch as if to knit, (P2, K1) across to end of row. (RS)

Row 2: Slip 1st stitch as if to purl, (K2, P1) across to end of row. (WS)

Row 3: Slip 1st stitch as if to knit, Knit across to end of row. (RS)

Row 4: Slip 1st stitch as if to purl, Purl across to end of row. (WS)

(Dishcloth) - Repeat these 4 rows 12 more times ending on Row 2.

You will have 13 rows of the pattern.

(Scarf) - Repeat these 4 rows until desired length ending on Row 2.

Bind off in Purl.

The bind off row is (RS) facing you - would have been row 3 if pattern had continued. It really doesn't matter what row you bind off on, but after many tests, I found the pattern seems to look best with this bind off.
