# SPECIAL INSTRUCTIONS

## CHECK LIST

Check your needle sizes as both Metric and U.K. sizes are given.

Having chosen the garment you are going to knit, check your tension by working a 4 inch square (10 cms. x 10 cms.).

### NOTE ON JOINING IN NEW BALLS OF YARN

These should always be joined to an edge that is being used as a seam, never on a front edge or one that forms a border.

### FINISHING

**COSY-GLO:** DO NOT PRESS

**TREASURE D.K.:** Pin out to correct measurements and press with a cool iron over a dry cloth.

### BACKWARDS AND FORWARDS FLAT KNITTING

For backwards and forwards flat knitting the circular twin-pin is used in exactly the same way as a pair of needles. Begin knitting from the left hand point onto the right hand point. When the last stitch has been worked, transfer the point with the stitches on from the right hand to the left hand. Knit off stitches from left to right point, turn round and repeat, as if using a pair of needles.

To obtain a perfect result you must use the Emu qualities recommended in this book. Emu Wools will not accept any responsibility for the finished garment unless the stated quality is used.
