TO MAKE UP

For Special Pressing Instructions see page 18.

Work a fringe all around edge. To make the fringe wind yarn over a piece of stiff cardboard 3 inches in depth (this will produce a 2 inch length when complete). Press yarn before cutting along one edge and removing cardboard. Using 4 strands together, fold in half and with crochet hook pull one end of 4 strands through one "eyelet" on edge and other end through next eyelet, then pull ends through centre "loop" of fringe and draw up tightly. The ends of fringe should be pulled through from back of work so that the "loop" falls to front of work. Repeat all around edge.

SPECIAL PRESSING INSTRUCTIONS COURTELLE BABY QUICKERKNIT — DO NOT PRESS.

BRI-NYLON, BRI-NYLON BABY QUICKERKNIT and SUPERLITE BRI-NYLON QUICKERKNIT

Pin out to correct measurements and press with a cool iron over a dry cloth, omitting ribbing.

WOOL

Pin out to correct measurements and press with a warm iron over a damp cloth, omitting ribbing.

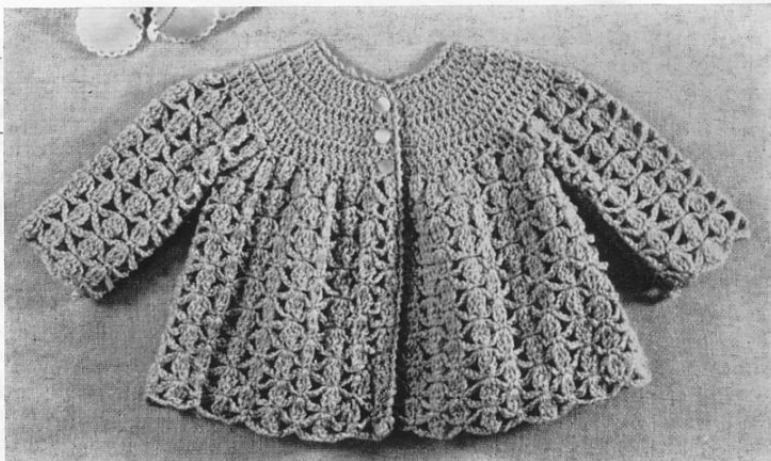

MACHINE WASHABLE DOUBLE KNITTING WOOL and TRICEL

Pin out and press as given for Wool. It is essential that the seams are joined with the same yarn as used for the making as other yarns could shrink and spoil the shape of the garment. Make sure that all seams are fastened off securely as the agitation of a washing machine could loosen these stitches. Use same yarn to sew all buttons on securely.

Swiss Darning

The principle of Swiss Darning is that the embroidered stitch follows the line of the knitted stitch, superimposing what appears to be coloured patterns in stocking stitch on the front surface of the fabric. This is the working method

X = YELLOW

/ = BROWN

• = BLACK

for Swiss Darning on the knitted fabric. First draw the needle through the 2 threads at the base of the stitch to be covered, then insert the needle again through the two threads at the top of the stitch to be covered, draw the thread through, thus covering one side of the knitted stitch. Now insert the needle again through the base of the next stitch and the second side of the stocking stitch loop on the front of the fabric will be covered.
