Baby knits that are made by hand are made with love. As you wait for the arrival of your own little one, or a precious someone close to you, what better way to make time pass than to make beautiful little clothes to welcome that special new person. Tiny babies, chubby bouncing babies, sweet smiling babies, feisty spirited babies, Bless them all.

Busy babies keep going all day through and as your little person grows, playtime gets longer. What fun to watch them grow in beautifully-made, colourful handknits. And the little details you add make the knits even more special.

In this booklet you will find tiny garments to dress baby from head to toe. But the real stars you see are the babies themselves! Thank you to Jemima, Joel, Stephanie, Matthew, Sasha, Darcii and Sophie for making our gorgeous knits look really cute!

Happy knitting!
