ADDING ACCESSORIES

When crocheting fashion doll outfits for gift-giving, why not complete the dress or play wear with purchased accessories? Matching plastic shoes, tennis rackets, sunglasses, etc., are inexpensive and easily available in toy and department stores.

PONYTAIL ELASTICS

Use the coated ponytail elastics (smaller size) as a base for skirts, dresses, shorts, etc. The elastics are just the waist size needed and will save you the time of sewing together regular round elastic. They come in many colors so you can color-coordinate them to your yarn or thread.

TINY POMPONS

Here's a way to make tiny pompoms for doll clothes: Cut two strands of yarn each about 12 inches long. Place two 1/4-inch washers together and wrap the strands of yarn around them, drawing the yarn through the centers of the washers with a small crochet hook until all the yarn is used. Cut yarn between washers along the outside edge.

Using about 6 inches of 3 strands of 6-strand embroidery floss, tie tightly in the center between washers which have been separated. For slightly larger pompoms, use 1/2-inch washers.

BOTTOM BEADWORK

Bead-and-sequin work is worked on the bottom front. With bead needle and length of thread, sew 1 sequin with 1 silver bead at center, as desired, over the bottom front until all 26 beads are attached.

SEQUIN CHAINS

Note: This is a unique way of joining sequins and much easier than sewing them on 1 at a time.

Working with ball of jade cotton, thread cotton onto bead needle, do not cut.

Thread rem 171 kelly green sequins onto jade cotton, remove needle.

Leaving a 4-inch length of crochet cotton at beg, with crochet hook ch 1, [push up 1 sequin, ch 1] rep across for indicated number of sequins, leaving a 4-inch length of cotton, fasten off.

Make 2 tie chains, each with 15 sequins.

Make 1 top trim chain with 52

sequins.

Make 1 front loop chain with 50 sequins.

Make 1 headpiece chain with 39 sequins.

With sewing needle and thread, sew each tie chain to front of tie, starting at front of tie.

With sewing needle and thread, starting at back opening, sew top trim chain from right back along top edge, across front and around back, ending at left back opening.

With sewing needle and thread, starting below top trim chain in line with tie chains, sew front lp chain across to within center bustline, fasten off. Starting at opposite edge in same position, sew across to center bustline, allow rem length of sequin chain to fall into a natural loop shape, secure with sewing needle and thread.

With care, so as not to twist, join ends of headpiece chain, weave in loose ends. Place on head as headband. ✽

SHIRT STRIPES

Note: Before beginning, please read shirt stripes instructions to have a better understanding of the process.

The shirt stripes are crocheted with true blue cotton, steel crochet hook size 6 and are worked evenly and consistently over sc sts of rows.

Do not work over sts of Rnd 26 unless otherwise indicated.

Beginning at side edge of Row 5, with right side of shirt facing, insert hook from right side next to sc st. From wrong side, draw up a lp of true blue cotton, insert hook in space beyond sc, draw up a lp and draw straight through loop on hook as if to slip stitch, rep this across sc row, fasten off. Weave in loose ends as work progresses.

Stripes are worked on body of shirt in same manner on Rows 5, 7, 9, 11, 13, 17, 19, 21, 23 and 25.

Row 15 of body is worked across Rnd 1 of sleeves at the same time.

Stripes are worked on each sleeve in same manner as Row 5 of body over Rnd 3 of each sleeve.

When the shirt is placed on the doll, it's important that the chain stitching show properly. To do this, work collar with wrong side facing. Work the same as Row 5 of body over Row 2 of collar. Working over Rnd 26 edge of collar, work chain stitching over center 24 sc sts only.

FINISHING

Sew snap fasteners to Rnd 28 even with body of shirt on Rows 17 and 23.
