KNITTING

41 designs to knit and crochet for baby

Introduction

We were in the garden having a drink. Julia Carpenter had just mentioned that she had become a grandmother for the first time. She was talking with enthusiasm about knitting again after a gap of 20 years.

'I publish books on knitting and crochet,' I said. As a sporting philistine, it was a statement which drew a smile and the normal incredulous response. Julia, however, who was to become the inspiration for this book, continued; 'Well, I can tell you that there is not a decent baby knitting book in any bookshop or specialist knitting yarn shop. It is impossible to find any original patterns or ideas. I've looked everywhere. There's nothing!'

Research indicated that Julia was correct. Baby knitting and pattern books have practically disappeared. Those that were found were very dated. Some that were still on sale had been published first as 'traditional' books in the 1960's! I called Julia, who was keen, as a young grandmother, to create a personal wardrobe for her new granddaughter. After a layoff of twenty years the needles were to click again. None of the skill had disappeared and she experienced an immediate bonding and satisfaction from her labour as she knitted.

She discovered that it was more rewarding and less expensive to knit than to shop. Simply selecting from the 'ready mades' in the High Street was impersonal and boring. They were, she found, expensive, overpriced, cheaply knitted and poor value. She had decided that her granddaughter was going to have original knits in unique colour combinations. She was going to start her life as a trend setter with individual hand knits made from yarns that were specially selected for her!

This book contains many of Julia's designs with additions from the Harmony collection. Knits for boys have been added. We have included one or two crochet garments and a shawl which we believe are an essential part of every smart baby's wardrobe.

My daughter has just given birth to Katie. Having taught myself to knit from the Harmony Guides perhaps it is time for me to knit for Katie, just maybe....., well, maybe not!

With thanks to Julia Carpenter.

General Notes

Tension

Always check your tension before starting work. If the tension piece measures **less** than the required width try a size larger needle or hook. If the piece measures **more** than the required width try a size smaller needle or hook. Where tensions are given over st st or dc for a patterned garment, check your tension in st st or dc. If you have to use a different needle or hook size a similar adjustment must be made to the all needle or hook sizes used in the pattern. A proper fit and correct size of finished garment is only possible with the correct tension.

Notes

Figures in round brackets, (), refer to the larger sizes. Figures or instructions in square brackets, [], should be repeated as stated after the brackets.

Finishing Touches

Swiss Darning

A Swiss darned or duplicate stitch covers an individual knit stitch, giving the appearance that the design has been knitted in. Always match your tension to the knitting - too loose and the stitches will not be covered; too tight and the work will pucker.

Swiss darning horizontally

Work from right to left, thread a tapestry needle with the embroidery yarn. Bring the needle out at the base of the first stitch, take it around the top of the stitch, then insert the needle back through the base of the same stitch, thus covering the original stitch completely. For the next stitch bring needle through at the base of next stitch to the left. Continue in this way until all the appropriate stitches have been covered.

Swiss darning vertically

Work from bottom to top. Bring the needle out at the base of first stitch, then take it around top of the stitch. Insert the needle back through the base of the **same** stitch, then bring it up through the base of the stitch above, thus forming a vertical chain.

Herringbone Casing

Join waist length of elastic into a ring, making sure it is not twisted. Lay inside waistband work a her-

ringbone stitch, from left to right over the elastic. Work into every alternate stitch, stitching just inside the top edge of the garment and just below the lower edge of the elastic. Take care not to pull the stitches tightly or catch the elastic as it must run freely within the casing.

Twisted Cords

1. Cut required number of strands of yarn about three times the length of the finished cord. Four strands of yarn 100 cm [40 ins] long will produce a cord eight strands thick and approximately 35 cm [14 ins] long. Ensure the strands are equal length and knot together at each end.

2. Attach one end to a hook or door handle and insert a knitting needle through the other. Turn the knitting needle clockwise until the strands are tightly twisted. The tighter the yarns are twisted, the firmer the cord will be. They should kink up the moment the tension is released.

3. Holding the cord in the centre, bring ends of cord together allowing the halves to twist together. Keep the cord fairly straight to avoid tangling, smooth it out evenly. Knot cut ends together and trim. Tie a knot in folded end at the required point and cut and trim ends.

Work 3 rows in st st, starting purl.

Next row: K1, *yf, k2tog; rep from * to end.

Change to smaller needles and work 3 rows in st st, starting purl. Cast off.

Tip

It is important when turning up a hem to ensure that each stitch is sewn to its own base and not to the next stitch on either side. Wrong placing will cause the hem to twist and this cannot be put right by pressing.

Work across sts of front neck in the same way.

Join side and shoulder seams. Fold picot edgings in half to inside along picot row and slip stitch loosely in place. Slip stitch side edges of neck edgings in place.

Cardigan Back

Using smaller needles and A cast on 51(57-63) sts.

Rep the last 2 rows 4 times more.

Change to larger needles. Working in st st, starting knit and joining in M and B as required work the 17 rows of chart. Break off A and B and continue in M only until back measures 21(25-29) cm [8¼(10-11½) ins] ending with a purl row.

Shape Shoulders

Cast off 8(9-11) sts at beg of next 2 rows, then 9(10-11) sts at beg of following 2 rows. Slip remaining 17(19-19) sts onto a holder.

Next row: Rib 6, slip these sts onto a safety pin, rib to end increasing 1 st

at end of row for 1st and 3rd sizes only. 24(27-30) sts.

★ Change to larger needles. Working in st st starting knit, work the 17 rows of chart. Break off A and B and continue in M only until front is 13(13-15) rows shorter than back to start of shoulder shaping (work 1 more row here for Right Front), thus ending at front edge.

Shape Neck

Next row: Work 2(3-3) sts, slip these sts onto a safety pin, work to end.

Dec 1 st at neck edge on next 3 rows, then following 2 alt rows. 17(19-22) sts remain. Work 5(5-7) rows straight, thus ending at side edge.

Shape Shoulder

Cast off 8(9-11) sts at beg of next row. Work 1 row. Cast off remaining 9(10-11) sts.

Right Front

Using smaller needles and A cast on 29(33-35) sts and work 4 rows in k1, p1 rib as given for Back.

Break off A and B and continue in M only inc 1 st at each end of every following 6th row 1(2-3) times. 41(46-51) sts. Work straight until sleeve measures 13(15-17) cm [5(6-6¾) ins] ending with a purl row. Cast off.

Finishing and Bands

Read pressing to instructions on ball band.

Left Front Band

Using smaller needles and A cast on 1 st, then with right side of left front facing, rib across sts on safety pin for front band. 7 sts.

Continue in rib until band, **when slightly stretched** fits up front edge to start of neck shaping ending with a wrong side row. Break yarn and slip sts onto a safety pin.

Sew band in place stretching evenly and mark positions for 4 buttons, the first to match existing buttonhole in right front welt and allowing for a 5th to be placed 3 rows above sts on safety pin. Space remainder evenly between.

Pompons

1. Cut two circles of cardboard with a diameter slightly bigger than the size of the finished pompon. Cut a smaller hole in the centre of each

circle, about half the size of the original diameter. The larger the hole, the fuller the pompon, but if it is too large the pompon will be oval. To make sure that the holes are equal and aligned, cut one in one circle, then use the opening as a template for drawing and cutting the other.

2. Holding the two circles together, wind the yarn around the ring (using several strands at a time for speed) until the ring is completely covered. As the hole in the centre gets smaller you will need to use a tapestry needle to pass the yarn through.

3. Cut all around the yarn at the outside edge between the two circles using a pair of sharp scissors. Make sure that all the yarn has been cut.

4. Separate the two circles slightly, wind a length of yarn between them and tie it firmly in a knot, leaving an end long enough to sew the pompon in place. Pull the two circles apart and fluff out the pompon to cover the centre join. Trim around the ends of yarn to produce a smooth shape.
