DRYING. Turn the garment wrong side out, place on a clean cloth or towel and pull to original shape and size. Dry flat in a warm place. Do not hang on a line to dry. Never dry in strong sunlight — this causes scorching — even sparkling white garments will scorch and not bleach in strong sunlight.

FOR MACHINE WASH. See instructions on back cover.

STORING. Fold, and place garments when quite dry and aired in a plastic bag and keep in a drawer. Do not store soiled garments.
