General Notes

The quantities of yarn stated are based on average requirements and are therefore approximate.

After casting off stitches for shaping, one stitch will remain on the right hand needle which is not included in the instructions that follow.

VERY IMPORTANT

MEASURE YOUR TENSION THROUGHOUT KNITTING TO ENSURE SUCCESS.

If the knitting is loose use a thinner needle.

If the knitting is tight use a thicker needle.

As the shapings (may) differ for the various sizes follow the headings for the size required.

N.B.—For the smallest size read the instructions as given. For the larger sizes read the figures within the brackets.
