Baby's Sweater and Cardigan

Materials and Measurements: See back page.

Tension

21 sts and 30 rows = 10 cms [4 ins] square measured over pattern using larger needles.

It is essential to obtain the correct tension in the yarn used and a small test piece should be worked. If the piece measures **more** than the required width, try again using a smaller needle. If the piece measures **less** than the required width, try again using a larger needle.

Notes

Figures in brackets refer to the larger sizes.

The quantities of yarn stated are based on average requirements and are therefore approximate.

Abbreviations

Alt = alternate; beg = beginning; cms = centimetres; ch = chain; dec = decrease; dc = double crochet; inc = increase; ins = inches; k = knit; p = purl; pssso = pass slipped stitch over; rep = repeat; sl = slip; st = stitch; sts = stitches; tog = together; yf = yarn forward.
