IMPORTANT

Use ONLY the Naturally yarn specified.
(We cannot accept responsibility for an imperfect garment if any other brand is used.) Follow our instructions exactly.
We advise every knitter to check

their tension carefully before commencing the garment.

All measurements in this design are based on the stated tension therefore it is essential that the correct tension be obtained and maintained throughout the garment to achieve success. We recommend the needle size we have used to obtain the tension BUT as each knitter knits differently it may be necessary for some knitters to change their needle size accordingly.
