Hello and welcome...

...to the November issue of *Knitting & Crochet* monthly – where we traditionally begin our festive makes for Christmas. But first up we've got some fabulous autumn-season style on offer, with a collection of gorgeous knits (p6). For you, there's a gilet and snood; sweater and scarf; shirt-tailed jumper and shawl, and a cosy hat, all designed in easy-knit textures. And for him, there's a stylish jumper with a hint of cable.

Eco-conscious knitters will love the brand-new yarn I'm showing you for my Ed's Choice (p22) – and the colourful Fair Isle, circular-yoke sweater that you can make with it.

To continue with the autumnal feel, we have a sweet little felted tote bag (p45), knitted using a clever yarn that changes colour to give a wonderful rainbow effect.

Not forgetting those with a penchant for crochet (and we know there are lots of you out there), we've a matching jacket, hat, blanket and duck toy for babies (p38), a super teddy bear (our first ever in crochet – p49), and a classic 'wear any time, anywhere' jacket (p54).

Now, I did mention the 'C' word earlier and, although it may only be October, you'll need plenty of time to get yourself organised with our lovely luxury gift ideas (p27). Be warned, though – you may well end up keeping a couple for yourself!

See you next month.

ED'S CHOICE

We're all keen to be eco-friendly wherever we can, and with this in mind I'd like to show you Linea Botanica – a brand-new 'eco' yarn from Rico, added to its range following the great success of 'Pure', its 100% wool collection.

The yarn is beautifully presented as 50g rustic-style hanks, spun from 100%

organically raised and treated wool. There are six beautiful, subtle hues that are created using specially selected natural herbal dyes.

This delicacy follows through to the yarn's soft-touch quality, but don't be fooled by this gentle attribute, as I'm told its robust knitting can easily compete with more substantial yarns. Working with generous 5mm needles will get the thumbs-up from knitters – we all love getting our projects finished as quickly as possible!

Rico has produced patterns that showcase the new yarn's qualities perfectly, with designed projects using the earthy colours to their full advantage. I've chosen this circular yoke Fair Isle sweater – a key look for autumn/winter.

*Yarn subject to availability

Be kind to yourself and the environment with this cosy Fair Isle sweater – knitted in organic wool that's been dyed with wonderful herbal colourings

This month, knit some modern Fair Isle, spread a little love with amigurumi toys, own mittens for every occasion and make a special something for a special someone

MORE EASY FAIRISLE KNITS: 13 projects with a modern twist

by Martin Storey (Rowan, £9.99)

Martin Storey's new designs have been inspired by the traditions of Fair Isle knitting, its shapes, forms, colours and patterns. But this is Fair Isle for the modern day, real world. And while Fair Isle knitting is known for being labour-intensive, Martin's projects are accessible and straightforward. None of them use more than two colours in a single row, and many will fit inside your bag should you want to work on the move. There are tablet covers and iPhone covers, as well as hats, cowls and scarves. Everything you might need to get by in the modern-day, real world.

MAGICAL AMIGURUMI TOYS: 15 sweet crochet projects

by Lilleliis (Amigurumi Patterns/Tara Enterprise, £12.99)

Lilleliis is an Estonian-based company with a simple mission – to design toys children will love. The designs combine the Japanese amigurumi crochet technique with the European tradition of teddy bear-making. While it's true that some of the patterns in this book are more suitable for those with advanced crochet skills, many have been put together with the beginner in mind. So there is something for everyone. And as well as teddy bears, the Lilleliis team has create patterns for amigurumi mice, monkeys, caterpillars, ponies, rabbits and people. Irresistible.

PRETTY KNITTED HANDS: Mittens & wrist warmers for all seasons

by Clara Falk and Kamilla Svanlund (Search Press, £12.99)

There is a mitten for every season. A mitten for every occasion. And a mitten for every milestone. Mittens you'd wear to make snowballs, mittens you'd wear to drive your car and even mittens you'd wear to walk down the aisle. All are included in this book, from the chunkiest winter warmers to the sheerest summer-party accessories. The patterns are easy to follow and accessible, and accompanied by pictures and photos. So any new skills you might need, like knitting cables or lace, or knitting with different colours, should be within reach even of the competent beginner.

100 LITTLE KNITTED GIFTS TO MAKE

by Search Press Studio (Search Press, £12.99)

The best gifts come from the heart – and this book is packed with them. Like the booties knitted for a new arrival, or the scarf that feels like a hug from someone special. You don't need a lot of experience to follow the patterns; the stitches used are explained in a good amount of detail. And you don't need to spend a fortune buying specific yarns, either. The patterns allow you to use whatever yarns and materials you have to hand. All you need to get started is a pair of knitting needles and a ball of wool. The next time someone you love has a birthday or celebration, your handmade gift will make them feel very special, and very loved indeed.

It's A Classic

Simple lines, super-soft to the touch and in a go-with-everything shade. This is a jacket to treasure

YARN OF THE MONTH

This month's choice is Yarn Stories Fine Merino and Baby Alpaca DK (75% fine merino, 30% baby alpaca), an incredibly soft yarn, sourced from the finest raw materials that are then spun at the company's own worsted-spinning (so the yarn is very fine) mill in Yorkshire. Decades of experience enables them to achieve a sophisticated blend (the kind of quality that goes into Saville Row suits) and a colour range of 16 shades, from subtle creams and greys to the richer jewel brights. All of which makes this the perfect go-to yarn for our Tunisian crochet jacket. We opted for the Dove shade, with its timeless appeal, to complement this classic design – it adds to its versatility and makes it an 'all season' item you'll want to wear again and again.

Learn How To Do Tunisian Crochet With Our Video Guide

Tunisian crochet (or Afghan crochet) uses a hook with an extended length and stitches are made as if crocheting but kept on the hook like on knitting needles. These stitches are worked off on following row. It produces a firm fabric, ideal for jackets, blankets and accessories.

Work 4 rows in rib as given at beginning.

Cast off in rib.

Overlap garter stitch borders and catch down at sides so that top edge of right topper overlaps to the left and to the right on left topper. Sew 3 buttons to top half of border on each topper.

Abbreviations

Practically all knitting and crochet patterns use some sort of abbreviations to make the instructions concise and easy to follow. Each pattern will have its own brief description of the most common abbreviations (**k**, knit or **ch**, chain) with a more detailed description of specific abbreviations, like how to work cable or cluster. Also, the most regularly used words are either shortened (**fol** – following) or letters are used to describe what is needed to be done next (**tbl** – through back of stitches).

Some widely used abbreviations have more or less the same meaning, but there could be exceptions. Listed below in alphabetical order are the most commonly used abbreviations, with an extended description of their meanings.

alt, alternate – worked on every other row or stitch.

beg, begin or beginning – to start as specified or position to be worked at or from, measured from or marked edges.

ch, chain (see page 72).

cont, continue – carry on working.

dc, double crochet (see page 72).

dc2tog, work 2 double crochet together – [insert hook from front to back under two strands of next stitch, yarn round hook and pull through] twice, yarn round hook and pull through all 3 loops on hook.

dc3tog, work 3 double crochet together – [insert hook from front to back under two strands of next stitch, yarn round hook and pull through] 3 times, yarn round hook and pull through all 4 loops on hook.

dec, decrease or decreasing – by working 2 or more stitches together.

In crochet, decreases are made by working specified number of stitches to last stage of each stitch, then joined into one at final stage. In knitting, if no specific instructions are given, here is how to decrease:

dec 1 st – the right-hand needle is inserted knitwise or purlwise in next 2 stitches on left-hand needle at the same time and complete as if knitting or purling 1 stitch.

dec 2 sts – the right-hand needle is inserted knitwise or purlwise in next 3 stitches on left-hand needle at the same time and complete as if knitting or purling 1 stitch.

dtr, double treble (see page 73).

fol, following.

gst, garter stitch – knit or purl every stitch on every row. Also refers to texture of fabric produced by knitting or purling every stitch.

htr, half treble (see page 72).

inc, increase or increasing – by working twice or

more times into same stitch.

In crochet, the instruction will specify how to increase. Usually 1, 2 or more stitches are worked into base of starting chain at beginning of row and 2, 3 or more stitches are worked in last stitch.

In knitting, if no specific instructions are given, here is how to increase:

inc 1 st – knit or purl in next stitch, but do not drop this stitch off left-hand needle, work into back of it again, then drop this stitch off left-hand needle.

inc 2 or more sts – keep working into front and back of stitch until required number of stitches are increased (the number of times worked into a stitch would be the number of stitches increased, plus first original stitch).

k, knit (see page 70).

k row or rows, knit every stitch across each row(s).

k1tbl or k1b, knit 1 stitch through back loop (with yarn at back, insert right-hand needle from right to left in back of stitch on left-hand needle, bring yarn under and over the right-hand needle, draw loop through and drop the stitch off left-hand needle).

k2tog, knit 2 stitches together (see page 71).

k2tog tbl or k2togb, knit 2 stitches together through back of loops – insert right-hand needle from right to left in back loop of next 2 stitches, bring yarn under and over right-hand needle and pull through, dropping the 2 stitches of left-hand needle.

k3tog or more stitches, work as k2tog, but inserting needle through 3 or more stitches.

m1 or up1, make one or pick up 1 (see page 71).

p, purl (see page 70).

p row or rows, purl every stitch across each row.

patt, pattern – texture of fabric created by stitches as set out on stated rows. Also means continue working or maintain working stitches as set out before.

psso, pass slipped stitch over – insert left-hand needle into front of slipped stitch (second stitch) on right-hand needle, lift this stitch and place over first stitch.

p1tbl or p1b, purl next stitch through back loop (with yarn at front, insert right-hand needle from left to right in back of stitch on left-hand needle, bring yarn over and under right-hand needle, draw loop through and drop the stitch off left-hand needle).

p2sso, pass 2 slipped stitches over – insert left-hand needle into front of second and third slipped stitches on right-hand needle, lift these stitches and place over first stitch.

p2tog, purl 2 stitches together (see page 71).

p2tog tbl or p2togb, purl 2 stitches together through back of loops (insert right-hand needle in from left to right in back loops

of second then first stitches, bring yarn over and under right-hand needle and pull through, dropping the 2 stitches off left-hand needle).

p3tog or more stitches, work as p2tog, but inserting needle through 3 or more stitches.

rem, remain or remaining.

rep, repeat.

RS, right side.

skpo, slip 1, knit 1, pass slipped stitch over (see page 71).

sl, slip.

sl1, insert right-hand needle in front of next stitch on left-hand needle knitwise (from left to right) or purlwise from (right to left) and slip this stitch off left-hand needle without working into it.

slst or ss, slip stitch.

st(s), stitch or stitches.

stst or ss, stocking stitch – knit stitches on right side rows and purl stitches on wrong side rows. Also means the texture of fabric that is created by knitting and purling alternately to produce smooth surface on knit (right) side and ridged surface on purl (wrong) side.

tbl, through back of loop (see k1tbl, p1tbl).

tog, together – work 2 or more stitches together at the same time.

tr, treble (see page 73).

tr2tog, work 2 treble together – [yarn round hook, insert hook from front to back under two strands of next stitch, yarn round hook and pull through, yarn round hook and pull through first 2 loops on hook] twice, yarn round hook and pull through all 3 loops on hook.

tr3tog, work 3 treble together – [yarn round hook, insert hook from front to back under two strands of next stitch, yarn round hook and pull through, yarn round hook and pull through first 2 loops on hook, 3 times, yarn round hook and pull through all 4 loops on hook.

ws, wrong side.

yf or yfwd, yarn forward – is usually worked between 2 knit stitches; bring yarn from back to front between needles, then over right-hand needle to make a st.

yo, yarn over (see yarn forward, yarn round needle and yarn over needle).

yon, yarn over needle – is usually worked between purl and knit stitches; take yarn from front to back over right-hand needle to make a st.

yrh or yoh, yarn round hook or yarn over hook; take yarn from back over and under hook to back again.

ym, yarn round needle.

worked between 2 purl stitches, take yarn from front over and under right-hand needle, bringing it to front again to make a stitch.

worked between knit and purl stitches, take yarn from back to front between needles, then over and under right-hand needle, bringing it to front again to make a stitch.

Glossary

Tension

Practically every knitting instruction will state a tension, with a few exceptions, like toys or small accessories.

Tension is the number of stitches and rows that an average knitter will achieve to stated measurements, using specific yarn, pattern and needles. It is used to translate measurements into the number of stitches and rows to be worked.

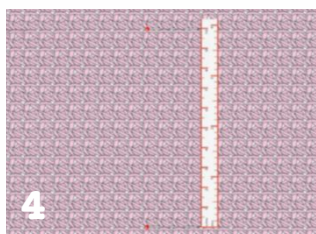

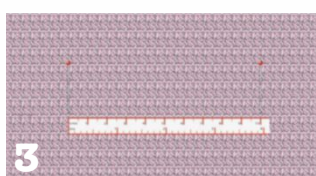

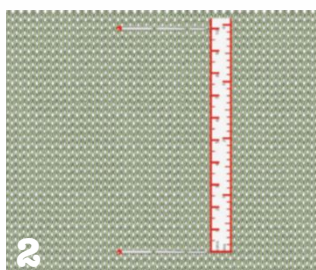

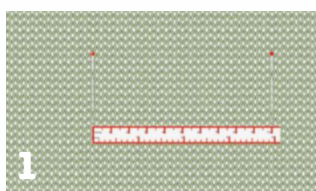

Before commencing a specific project, check your tension by working a swatch about 13cm square in pattern, yarn and needles or crochet hooks as stated. Stretch swatch in each direction and allow to rest. Mark 10cm horizontally in the middle of the test piece (diag. 1 and 3) and count stitches between markers. Mark 10cm vertically in the middle of test piece (diag. 2 and 4) and count the rows between markers. If the number of stitches and rows is less than quoted, knit another swatch, using smaller needles or hooks. If the number of stitches and rows is greater, use larger needles or hooks.

You may need to knit or crochet samples a few times until the stated tension is achieved.

It is more important to obtain the right number of stitches than rows.

Diagrams 1 and 2 show stitching and rows of stocking stitch of standard double knitting tension.

Diagrams 3 and 4 show stitches and rows of double crochet of average double knitting tension.

Substituting yarns

If you are intending to use yarns other than specified, look for a type of yarn that has the same texture and fibre content: wool for wool, cotton for cotton, with same or similar standard tension and same thickness as original yarn.

The best indicators of the thickness of the yarn are the tension and size of needles or hooks used. A standard crochet tension is not usually available.

Here, we list the standard knitting tension of classic yarns, although these may vary:

4 ply yarn is 28 stitches and 36 rows, to 10 x 10cm, over stocking stitch, using 3¼mm needles.

Double knitting yarn is 22 stitches and 28 rows, to 10 x 10cm, over stocking stitch, using 4mm needles.

Aran yarn is 18 stitches and 24 rows, to 10 x 10cm, over stocking stitch, using 5mm needles.

Chunky yarn is 14 stitches and 19 rows, to 10 x 10cm, over stocking stitch, using 6½mm needles.

For example: If the pattern states 30 stitches and 38 rows over stocking

stitch, you may be able to use 4 ply yarn for this, but using 3mm needles instead of 3¼mm.

In both knitting and crochet, yarn amounts may differ when using substituted yarn, so check the ball band for weight and length informations. If the length is different, work out your amounts by multiplying the length of original yarn by the amount of balls quoted, divide this figure by the number of metres stated on the substituted yarn and that will give you the number of balls needed in the yarn you intend to use.

Slip knot

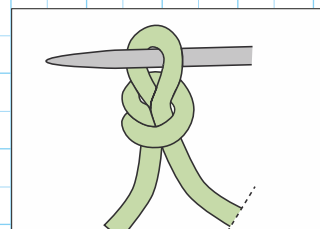

1 Loop the yarn with the ball end on top (the ball end is shown with a broken line).

2 Dip the needle into the loop, catch the ball end and pull it through the loop.

3 Pull both ends to tighten the knot.

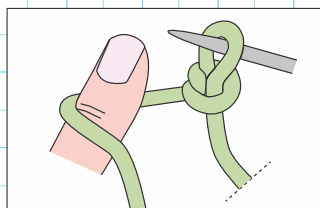

4 Pull the ball end to bring the knot up to the needle.

Holding the yarn and needles

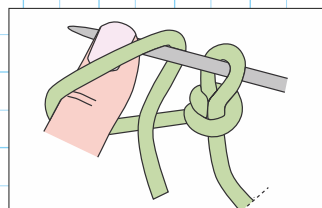

To make even stitches, control the yarn by taking it over the first finger of the right hand, under the second, over the third and under the fourth, or even around the fourth if necessary. Your

right hand also holds the needle that makes the new stitches. Hold this like a knife or a pencil – whichever is more comfortable. Your left hand holds the needle with the stitches already made.

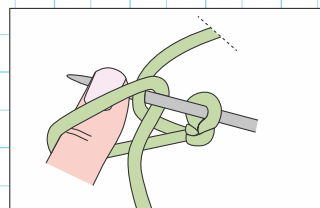

Casting on by thumb method

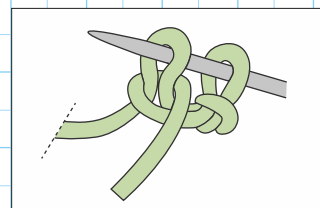

1 Leaving a long end, hold the yarn in the left hand and take the left thumb under the yarn and upwards.

2 Insert the needle in the loop just made on the thumb.

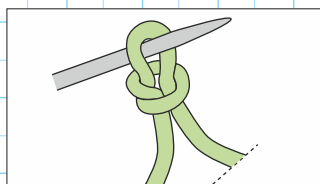

3 Take the ball end of the yarn around the needle and bring it through the loop, slipping the loop off the thumb.

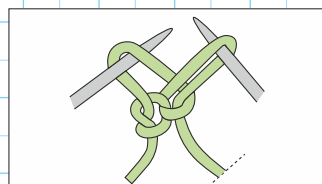

4 Pull the yarn end to close the stitch up to the needle. Continue to cast on stitches as steps 1-4.

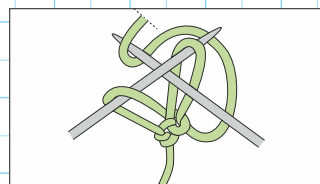

Casting on by cable method

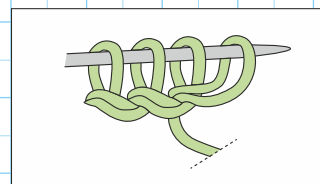

1 Make a slip knot, then hold the needle in your left hand.

2 Knit one without slipping the stitch off.

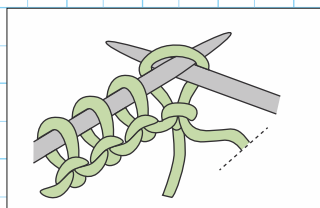

3 Insert the right-hand needles between the last 2 stitches just made, yarn round needle and pull the loop through, thus making new stitch. Slip the new stitch onto left needle.

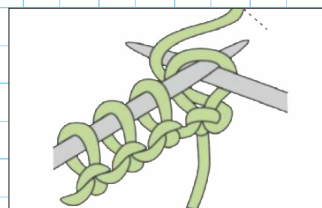

4 Continue making stitches as step 3, until you have the number of stitches you need.

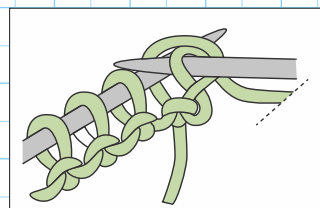

Knit stitch (k)

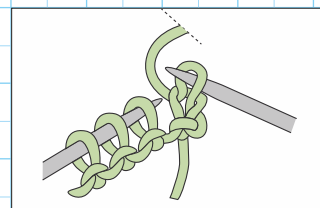

1 Turn the cast-on so that it's in the left hand and insert the right-hand needle from left to right in the front of the first stitch.

2 Take the yarn from behind to bring it under, up and over the right-hand needle.

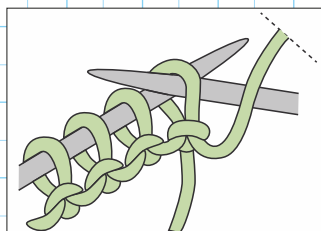

3 Use the tip of the right-hand needle to pull the yarn through.

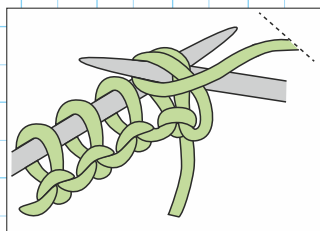

4 Slip the stitch off the left-hand needle to complete the new stitch on the right-hand needle. Continue to make knit stitches as steps 1-4.

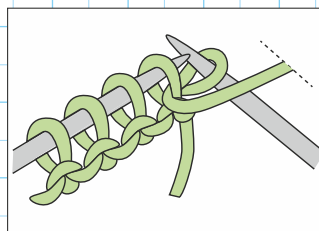

Purl stitch (p)

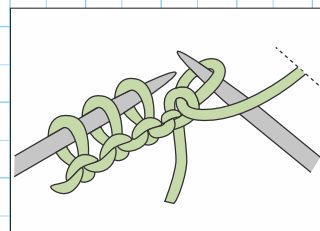

1 With the yarn to the front, insert the right-hand needle from right to left in the front of the first stitch.

2 Take the yarn up and around the right-hand needle.

3 Use the tip of the right-hand needle to pull the yarn through.

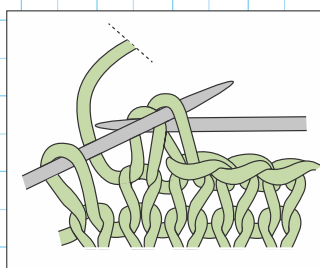

4 Slip the stitch off the left-hand needle to complete the new stitch on the right-hand needle.

Casting off

Knit two stitches, then * use the left-hand needle to lift the first stitch over the second.

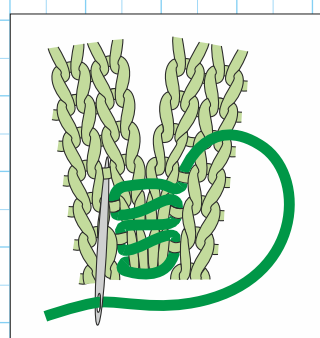

Knit the next stitch, then repeat from * until one stitch is left.

Break the yarn, take it through this stitch and draw up.

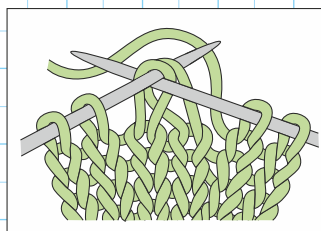

Invisible seaming

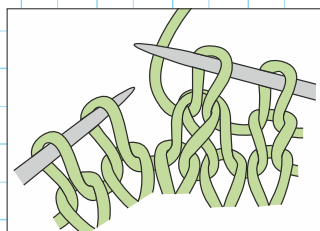

Sometimes called ladder or mattress stitch, this method of sewing up gives the neatest seams. Place the two edges together, right sides upwards and starting at the cast-on edge, take the yarn underneath the strand beside the edge stitch at one side and then the other. After a few stitches pull up the yarn to tension the seam.

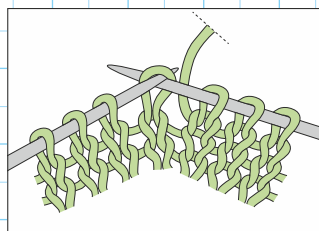

Decrease by knitting two stitches together (k2tog)

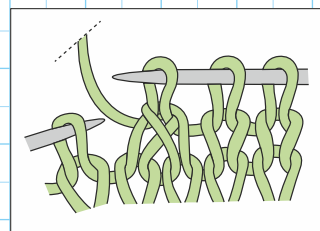

1 Insert the needle in the next two stitches knitwise (that is, through the front of the loops).

2 Yarn round needle, pull through both stitches and slip these stitches off together. The resulting decrease has the top stitch slanting to the right.

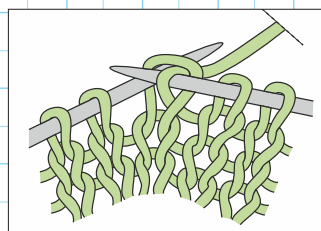

1 Insert the needle in the next stitch knitwise (through the front of the loop) to slip it on to the right-hand needle.

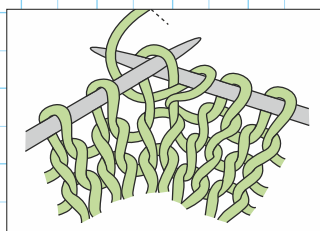

2 Knit the next stitch, then use the left-hand needle to lift the slipped stitch over the knitted one. The resulting decrease has the top stitch slanting to the left.

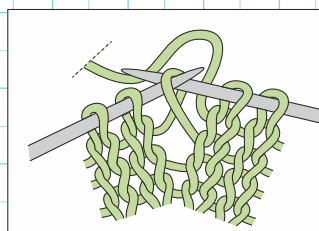

Increase by knitting in the front and then the back of one stitch (kfb)

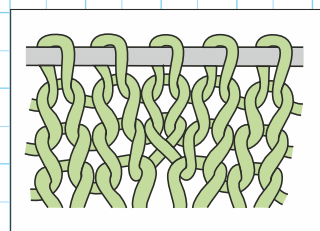

1 Knit the stitch in the usual way, but without slipping it off.

2 Take the right-hand needle to the back and knit the stitch again.

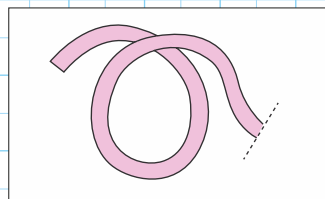

1 Pick up the strand lying between needles and knit in the back of it.

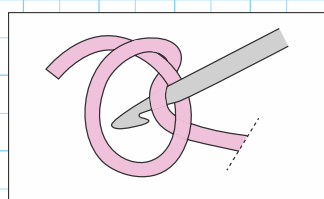

2 This makes a new stitch that fits closely between existing stitches

Crochet Class

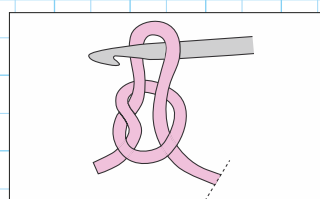

Slip knot

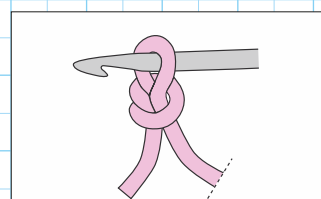

1 Loop the yarn with the ball end on top (the ball end is shown with a broken line).

2 Dip the hook into the loop, catch the ball end and pull it through the loop.

3 Pull both ends to tighten the knot.

4 Pull the ball end to bring the knot up to the hook.

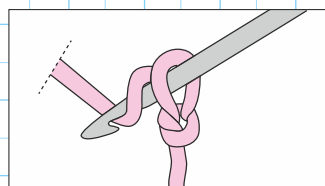

Holding the yarn and hook

Both crochet and yarn are held in the left hand, with the right hand holding the hook preferably like a pencil, but like a knife if you prefer. The work is held between thumb and first finger, with the ball end of

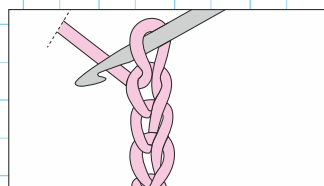

the yarn taken over the first three fingers and under the fourth, or around the fourth if necessary.

Extending the second finger holds the yarn taut for hooking.

Chain (ch)

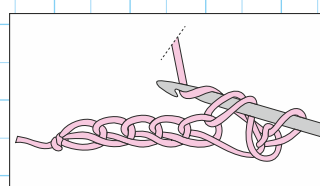

1 Twist the hook under and over the yarn – yarn round hook (yrh). Pull the yarn through the loop on hook and drop it off to make first chain.

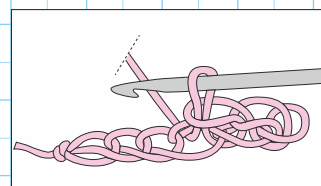

2 Continue to make chain in this way.
Each chain is made up of three strands, with the V shape the 'right side'. When counting chain don't count the loop on the hook.
At the start of a row chain will stand for the first stitch.

Slip stitch (slst)

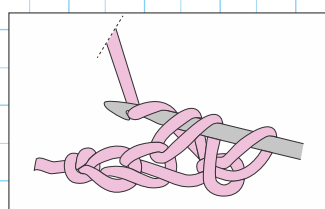

1 Make a length of chain. Insert the hook under two strands of second chain from hook and yarn round hook.

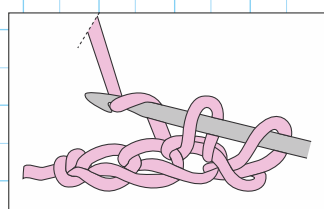

2 Pull the yarn through the chain and loop on the hook. This stitch has virtually no height.

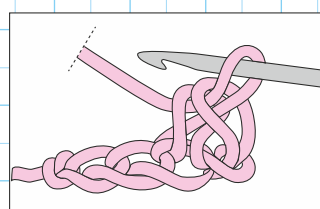

Double crochet (dc)

1 Insert the hook under the top two strands of the second chain from the hook. Yarn round hook.

2 Pull the yarn through to make loops on the hook. Yarn round hook again.

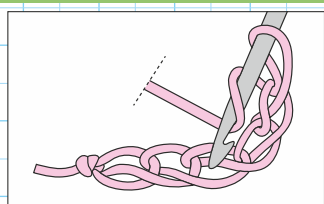

3 Pull the yarn through both loops on the hook to make one double crochet. Insert the hook in the next chain and repeat steps 1-2.

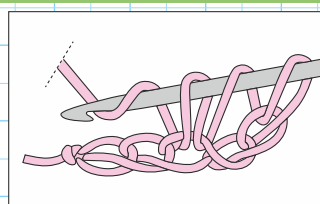

Remember not to take the yarn round hook before inserting the hook. When working into stitches always insert the hook under the top two strands of yarn unless instructed otherwise.

Half treble (htr)

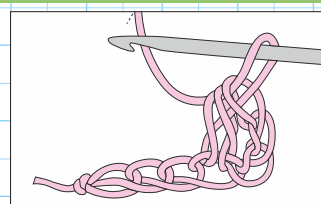

In height the half treble is halfway between a double crochet and a treble and is frequently used as a transitional stitch between the two.

1 Yarn round hook and insert the hook in the third chain from the hook.

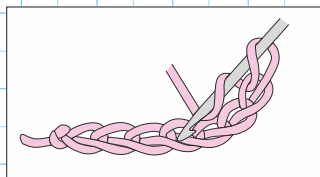

2 Yarn round hook and pull the yarn through to make a loop on the hook, then yarn round hook again.

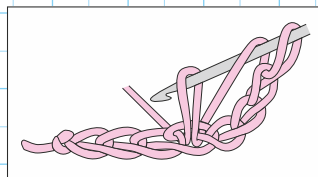

3 Pull the yarn through all three loops on the hook to complete the stitch.

Treble (tr)

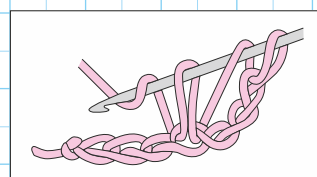

Treble stitch is twice the height of double crochet, because it has an initial yarn round hook, which requires additional steps (wraps) to complete the stitch. The height of stitches is dictated by the number of wraps worked.

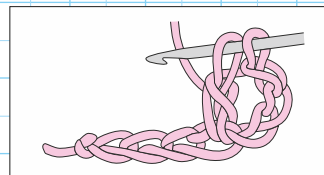

1 Yarn round hook before inserting the hook under two strands of the fourth chain from the hook.

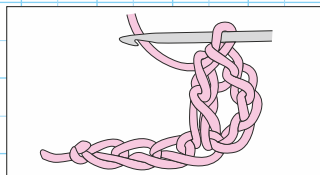

2 Yarn round hook and pull the yarn through to make three loops on the hook.

3 Yarn round hook again.

4 Pull the yarn through first two loops on hook, making two loops on the hook.

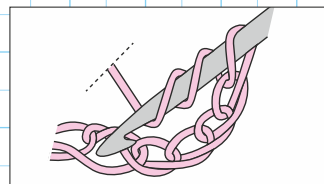

5 Yarn round hook for the last time and pull it through the remaining two loops to complete the stitch.

6 To continue making treble, yarn round hook and insert the hook in the next chain, then repeat steps 2-5. At the beginning of a row three chain usually stand in for the first treble.

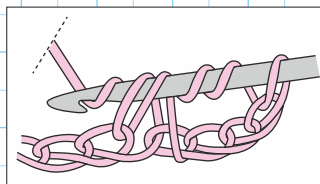

On the next row make sure that the treble following the chain is made in the second

stitch of the previous row, because if it's made in the stitch immediately below you will have made an extra stitch. The last treble of the row will be made in the top chain that started the previous row. Understanding row-end stitches will keep the edges under control.

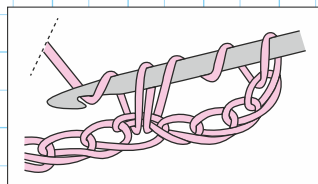

Double treble (dtr)

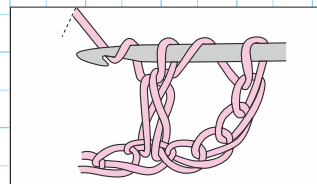

1 Yarn round the hook twice before inserting the hook under the top two strands of the fifth chain from the hook.

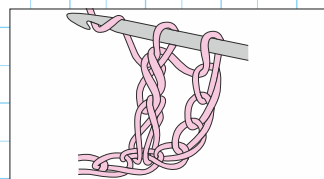

2 Yarn round hook and pull the yarn through to make four loops on the hook.

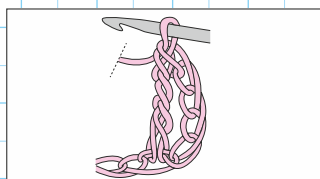

3 Yarn round hook and pull the yarn through the first two loops on the hook to make three loops on the hook.

4 Yarn round hook and pull the yarn through the next two loops on the hook to make two loops on the hook.

5 Yarn round hook and pull the yarn through the remaining two loops on the hook.

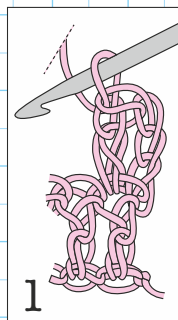

6 The finished double treble. To continue making double treble, yarn round hook twice and insert the hook in the next chain or stitch, then repeat steps 2-5.

Fastening off

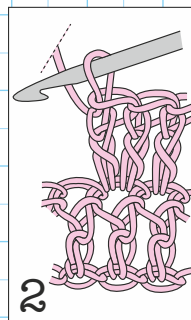

Simply break the yarn, take it through the last loop and draw it up.

Increases

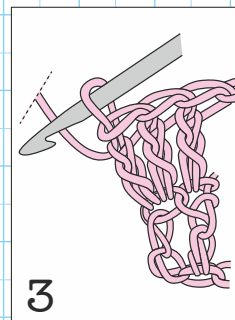

For clarity these are shown as single increases worked in treble, but the principle is the same in double crochet, double treble, etc.

1 At the beginning of a row, instead of working into the next stitch after the chain that counts as the first stitch, work into the stitch below. This increases one stitch.

2 Mid row simply work the two additional stitch, or

stitches, in the place indicated.

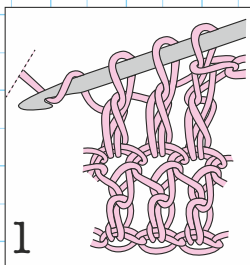

3 At the end of a row, work two stitches in the top chain that formed the first stitch of the previous row. This increases one stitch.

Decreases

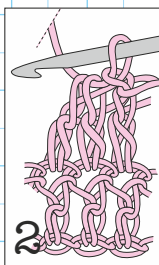

Decreases are part stitches worked into a stated number of stitches and then joined into one in the last stage of the stitch.

Decreasing one treble stitch is shown, but the principle is the same in all stitches and for any number of decreases.

1 Without making the last wrap of each make a treble in each of the next two stitches: * yarn round hook, insert hook in next stitch, yarn round hook, pull through, yarn round hook, pull it through two loops; repeat from * once, leaving three loops on the hook.

2 Yarn round hook and pull it through all three loops on the hook.
