JUST HATS

Shielding you from the sun, protecting you from an arctic wind, or lending the finishing touches to your favorite outfits—there are so many reasons we love hats. *Lion Brand Yarn: Just Hats* is packed with stand-out designs and clever embellishments. You'll find endless possibilities in *Just Hats*, including:

- all-original, brand-new knit and crochet patterns in a range of styles
- clear, fully illustrated instructions and easy-to-follow diagrams
- snappy designs suitable for women, men, and children made in seasonally appropriate yarns.

Show off your personal style, create a last-minute gift, or knit up a whole wardrobe of chapeaux; with *Lion Brand Yarn: Just Hats* at your fingertips, it's a cinch.

INTRODUCTION

Functional or fashionable, traditional or trendy, hats are great accessories to make and wear. From fast and easy toppers to projects using advanced techniques, hats are a sure route to knitting pleasure. They keep you warm in winter, protect you from the sun in the summer, and hide bad hair days year-round.

Just Hats is brimming with both knit and crochet patterns for all levels of expertise. The patterns come in a variety of styles suitable for men, women, and children. Basic embellishments like tassels and pom-poms make personal statements on even the simplest of hats. Adding fancy yarns or stitch variety further personalizes your chapeau.

There are eight chapters in this book, each with a specific focus. New knitters will want to start with the simpler patterns in the beginning and then move their way toward the more advanced patterns in the later chapters, which feature instructions for techniques like granny squares (chapter four), color patterning (chapter six), and felting (chapter seven). Easy patterns are included in every section, so if you know the basics, feel free to jump from chapter to chapter.

We assume you know the basic knitting skills of knit and purl, and the basic crochet skills of single crochet, double crochet, and half double crochet. If you need to learn these basic stitches or refresh your memory, there are a number of free resources. Learntoknit.com and learntocrochet.com offer good introductions to first-time stitchers. Crochet.about.com and knitting.about.com provide tutorials on more advanced techniques and forums for asking questions of on-staff experts. Also, most libraries have good knitting and crochet reference books.

This book follows the standards and guidelines created by the Craft Yarn Council of America to help you choose patterns that are right for your skill level. Each pattern is labeled as **beginner**, **easy**, **intermediate**, or **experienced**. **Beginner** patterns are suitable for first-

time knitters and crocheters and only require basic stitch skills. **Easy** patterns call for basic stitches, repetitive pattern work, simple color changes, simple shaping, and finishing. **Intermediate** patterns include a variety of stitches and techniques such as lacework, simple intarsia, double-pointed needles, and finishing. Projects using advanced techniques such as short rows, multicolor changes, complicated cables, lace patterns, detailed shaping, finishing, and using fine threads are for **experienced** knitters and crocheters.

KNOWING YOUR YARNS

In today's marketplace there is a dazzling array of yarns. Knowing the inherent qualities of each type of yarn will lead you to pleasing results when you experiment with different texture combinations.

Traditional **smooth** yarns give good stitch definition and are great for trying different stitches or experimenting with color. In a variety of gauges from super fine to super bulky, these yarns come in a wide range of fibers and blends to fit any project or budget.

Brushed yarns give off a "halo" of hair-like fiber and work well on large needles and hooks in simple stitches. They include mohair, mohair blends, angora, and synthetic yarns.

Chenille yarn looks and feels like velvet. It is best to knit and crochet these yarns at a firm gauge.

Other yarns are **heavily textured**. Bouclés, for instance, are a "loopy" yarn, which can help to hide a multitude of stitching sins. They are best used on larger needles and hooks. They work up fast, but be careful: make sure to pick up the entire thread and not to catch your needle or hook on the "loop" part of the yarn only.

Embellishing a hat with **eyelash yarns** is a fun way to express your inner diva. Since the "lash" part of the yarn is often connected by a thin thread, eyelash yarns can easily be worked with other yarns to great effect.

A good rule of thumb with any fancy or textured yarn is "less is more." Save the fancy stitchwork for smoother yarns. Let the dazzling yarn do the work for you!

FINDING YOUR GAUGE

Getting your gauge may be a new concept if you haven't been knitting or crocheting very long. In general, gauge

(sometimes called tension) is the number of stitches and rows measured over a number of inches (or centimeters) of your fabric. Every knitter or crocheter has her or his own particular tension **even when using the same needles and yarn as another person**, so it is important to make sure you get an accurate gauge in order to make a hat that will match the size in the pattern.

You need to knit or crochet a gauge swatch to find your gauge number, or "G" number. As a starting place, use the needle or hook size recommended by the manufacturer, which can be found on the yarn label. Needles and hooks are sized in two ways: the actual size measured in millimeters (mm) and a descriptive size. Knitting needles have descriptive sizes that are expressed in numbers and crochet hooks have descriptive sizes that are expressed in letters. For example, 5 mm knitting needles are size 8 and 5 mm crochet hooks are size H.

Knit or crochet a swatch in the stitch called for by your project that is AT LEAST 4" (10 cm) wide. With a ruler, count the number of stitches in a 4" (10 cm) width (including half-stitches if there are any). Divide this number by 4, and you have your "G" number, or THE NUMBER OF STITCHES PER INCH. It is a good idea to take this measurement at a few different places on the fabric and average them. Your number may have half or quarter stitches represented (as a decimal point if you did your division on a calculator).

If you did not get very close to one of the gauges in the pattern, go up a needle size if your gauge is too tight, or down a needle size if your gauge is too loose, and try again. Finding your gauge accurately is important for a proper fit!

YARN WEIGHTS

When describing yarn as “bulky” or “sportweight,” different people mean different things. The Craft Yarn Council of America has established guidelines called the Standard Yarn Weight System to standardize descriptions of yarn thickness. The **materials section** of each pattern in this book features an icon of a skein of yarn with a number on it. That number corresponds to one of these categories. The guiding principle of this system is the smaller the number, the thinner the yarn.

SEAMLESS TECHNIQUES

FOR KNITTERS

If using double-pointed needles, distribute stitches evenly on each needle (see illustration 1-1). Cast on loosely for a more comfortable hat. To avoid twisting the first row at the join, cast on an extra stitch, work the first two rows back and forth, then join the work by knitting the first and last stitch together on the third row.

After you knit the body of the hat, you will decrease at regular intervals to shape the crown. After several decrease rounds, you'll find that you have too few stitches to fit around the circular needle. At this point, switch to double-pointed needles.

There are two methods of decreasing most commonly used. The first technique, called knit 2 together (abbreviated k2tog), is worked as follows: Insert the right needle into the first two stitches on the left needle, wrap the yarn the way you normally would, pulling the yarn through the two stitches (see illustration 2-1). The two

stitches will fall off the needle, leaving one new stitch on the right needle. This is also called a right-slanted decrease because the knit 2 together stitches slant to the right.

To create a left-slanted decrease, patterns often use a technique called slip, slip, knit (abbreviated ssk). This is worked as follows: Insert the right needle tip into the first stitch on the left needle as if you were going to knit it and then slip it to the right needle, slip the second stitch the same way (see illustration 3-1). Insert the tip of the left needle into the front of the two slipped stitches, wrap the yarn around the right needle as you normally would, and knit the two stitches off the needle (see illustration 3-2).

1-1. Using double-pointed needles.

2-1. Knit 2 together.

3-1. Slip 2 stitches for slip, slip, knit.

3-2. Knit slipped stitches for slip, slip, knit.

FOR CROCHETERS

Crochet patterns are made in “multiples” that repeat across the row. Often a pattern will contain a multiple of a particular number plus some extra stitches. These extra stitches provide balance in the pattern so your piece will begin and end symmetrically. After you have created the foundation chain it is advisable to use markers between multiples as you set up your pattern.

Crochet patterns increase stitches by working more than one stitch in a space and decrease stitches by working two stitches together. Increase a stitch (shown here in single crochet) by working a stitch into a space and then inserting the hook into the same space (illustration 1-1). Work a second stitch into the same space (illustration 1-2) for one stitch increased (illustration 1-3). On the next row, make single crochets above both stitches.

To decrease, single crochet 2 together by pulling up a loop in one space and then a second loop in the next space (illustration 2-1). Place the yarn over the hook and draw through all 3 loops on the

hook (illustration 2-2). One stitch is decreased (illustration 2-3).

1-1. Increase in single crochet: inserting hook into same space.

1-2. Working second stitch into a space.

1-3. Increase finished.

2-1. Pull up loop to single crochet 2 together: in one space, one in next space.

2-2. Yarn over, draw through all 3 loops.

2-3. Decrease finished.

EDGY EDGINGS

For hats constructed from the bottom up, the most important thing to keep in mind is that the edging has to be able to stretch over the entire head and be snug enough that the hat stays on. No matter which edging you choose, make sure your cast-on edge is not too tight. If you tend to cast on tightly, try casting on with a needle or hook that is one or two sizes bigger than you use to make the rest of the hat.

Fold-up brims provide extra warmth. If you choose to make a hat with a brim, keep in mind that the “wrong side” is the side that will show. A reversible stitch such as rib is great because there is no wrong side to the fabric. If the pattern you use is seamed (constructed back and forth, not in the round) remember to sew the brim seam on the outside of the hat so that it will be hidden when the trim is folded over.

If you choose a stitch pattern that has an even number of stitches, while your hat pattern calls for an odd number of stitches, simply increase a stitch on the last row of your edging. It will be virtually invisible. The simplest invisible knit increase is a make one.

SIMPLE KNIT EDGINGS

Rolled Edge: One of the properties of stockinette stitch is that it tends to roll. This provides a nice decorative detail with a minimum amount of work. Cast on the required number of stitches and simply knit (if you are working in the round) or knit a row, purl a row (for a seamed hat) on an extra inch and a half (4 cm) before you begin your pattern.

Garter Stitch Edge: This stitch is very stretchy so use a needle at least 2 needle sizes smaller than you would

for the rest of your hat and knit every row. When working in the round, you must knit 1 row, purl 1 row to achieve the same effect.

Rib Edge: Alternating columns of knit and purl stitches creates a very stretchy fabric (remember to go down a needle size when using this stitch). The simplest rib is 1x1 rib, which is knit 1 stitch, purl 1 stitch. You need to have an even number of stitches and work as follows: **Row 1** Knit 1, purl 1; repeat to end of row. Repeat Row 1 for rib pattern.

Another common rib pattern is 2x2 rib, which is worked over a multiple of 4 stitches: **Row 1** Knit 2, purl 2; repeat to end of row. Repeat Row 1 for rib pattern.

Seed Stitch Edge: This rib variation is unlike other ribbing because instead of knitting the knit stitches and purling the purl stitches, you alternate knit and purl stitches each row. Over an odd number of stitches: **Row 1** *Knit 1, purl 1; repeat from * to last stitch, end knit 1. Repeat Row 1 for pattern.

SIMPLE CROCHET EDGES

Since crocheting provides a denser fabric than knitting does, it is not as important for the edging to pull in the rest of the hat. The chain row at the bottom of the hat is an excellent base for many edgings. For a simple, smooth finish, slip stitch around the chain-base after you have completed your hat.

Double Crochet Ribbed Brim: This finish makes a somewhat bulky, slightly elastic ribbing to be turned up to the outside. Working a double crochet around the front post of the stitch below makes the double crochet pop forward, around the back post makes it recede. This

ribbing is worked in rounds the same as the body, and requires an even number of stitches. After your hat reaches the required length, slip stitch in the beginning of the round to join. Turn.

Round 1 With wrong side facing, chain 2. If your hat has an even number of stitches, skip the first post right after the beginning chain and begin with the next post. If your hat has an odd number of stitches, begin with the first post right after the beginning chain. Double crochet around the front post of the appropriate single crochet, [back post double crochet next single crochet, front post double crochet next single crochet] around. The last front post double crochet should be in the same single crochet as the slip stitch of the previous turning. Slip stitch in the top of the turning chain.

Round 2 Chain 2, front post double crochet each front post double crochet, back post double crochet each back post double crochet around, slip stitch in the top of the turning chain.

Repeat Round 2 for desired length of ribbed brim, generally 4" to 5" (10 to 13 cm). Fasten off.

Single Crochet Ribbed Brim: This is the more complicated of the two crocheted brim variations offered here. After you've worked your hat to the required length, slip stitch in the beginning of the round. Turn.

Row 1 Chain the number of stitches according to your gauge for 1" (2.5 cm) for narrow brim, 4" to 5" (10 to 13 cm) for wide brim. Single crochet in the 2nd chain from the hook, single crochet in each chain to body, skip single crochet of join, slip stitch in the next 2 single crochet of body. Turn.

Row 2 Skip slip stitches, single crochet through the

back loop (single crochet through back loop) in each single crochet across. Turn.

Row 3 Chain 1, single crochet through the back loop of each single crochet across, skip single crochet of join, slip stitch through both loops in the next 2 single crochet of body. Turn.

Repeat Rows 2 and 3 around hat.

If your hat has an even number of stitches, end with a Row 3, then end row with a slip stitch in the last single crochet of body.

If your hat has an odd number of stitches, end with a Row 2, at the outer edge of the ribbing.

Join ends of ribbing by seaming or slip stitch.

To attach a narrow brim that doesn't fold upward when worn, *with right sides together*, hold the last row of ribbing together with the beginning chain of ribbing and sew the brim to the hat with whipstitch, or a crochet slip stitch seam, carefully matching stitches.

To attach a wide brim that is folded upward when worn, place *wrong sides together*, then follow instructions for narrow brim.

Picot Border: Picots add an Andean touch to ear-flaps and flirty flair to basic edges. There are many variations of picot. Here is a simple example: In the same stitch work [3 double crochet, chain 3, slip stitch in 3rd chain from the hook, 3 double crochet].

Picot Edging: Single crochet in one space, *[skip the next space, picot in the next space, skip the next space, single crochet in the next space]; repeat from * around the hat. Join the round with a slip stitch in top of the starting chain-3. Fasten off.

FUN FINISHES

Even the simplest hat becomes a masterpiece when you embellish it. These techniques will help you personalize any pattern you choose to make.

CROCHET CORKSCREWS

Make a chain the desired length. Double crochet in 3rd chain from hook, work 2 more double crochet in the same chain, 3 double crochet in each chain to the end. Cut yarn, leaving tail for sewing. Pull the yarn tail through the last double crochet to secure.

Wrap yarn around cardboard, cut one end, and tie tassel.

TASSELS

Tassels add a dramatic finish to just about any hat. To make a tassel, cut a piece of cardboard the length you want the finished tassel. Wrap the yarn around the cardboard (see illustration 1-1), remembering that more strands make a fuller, heavier tassel. Slip a piece of yarn under one end and tie in a knot. Cut the other end open (see illustration 1-2). With a separate piece of yarn, wrap and tie the tassel near the top (see illustration 1-3).

ROPE CORDS

Cut 6 strands of yarn, each approximately 94" (238.5 cm) long. (If you are using a bulky yarn for the tie, you may want to use fewer than 6 yarn strands to make the cord.) Hold lengths together and tie a knot at each end. Anchor one end

and twist the other end clockwise many times until the piece is very tight and almost kinked. Hold the rope cord in the center and release both ends, allowing them to wrap around each other.

POM-POMS

Pom-poms are not just for ski hats. They can be big or little, multicolored or solid. To make, cut a piece of cardboard the size of the finished pom-pom and wrap the yarn tightly around the cardboard until the cardboard is completely covered (see illustration 2-1). Slide the yarn from the cardboard and tie tightly around the middle. Cut loops at both ends (see illustration 2-2). Trim pom-pom if necessary (see illustration 2-3).

2-1. Wrap yarn around cardboard.

2-2. Cut loops at both ends.

2-3. Trim the pom-pom.

EMBELLISHMENTS

We have included knit and crochet instructions for flowers. However, the possibilities are endless.

CROCHET FLOWERS

Chain 4. Join with slip stitch to form a ring.

Round 1 Chain 1 (counts as 1 single crochet), work 11 single crochet into the ring. Join the round with slip stitch in chain-1.

Round 2 [Chain 3, skip the next stitch, single crochet in the next stitch] 6 times—6 chain-3 loops.

Round 3 [In the next chain-3 loop work (single crochet, half double crochet, 3 double crochet, half double crochet, single crochet)] 6 times. Join the round with a slip stitch in the first single crochet. Fasten off.

KNIT FLOWERS

Cast on 42 stitches.

Row 1 (wrong side) Purl.

Row 2 Knit 2, *knit 1, slip this stitch back to the left needle, lift the next 5 stitches on the left needle over this stitch and off the needle, yarn over twice, knit the first stitch again, knit 2; repeat from *—27 stitches.

Row 3 Purl 1, *purl 2 together, drop 1 of the yarn-over loops, (knit into the front and back) twice in remaining yarn over of previous row, purl 1; repeat from * to last stitch, purl 1—32 stitches.

Row 4 Knit 1, *knit 3 together; repeat from *, end knit 1—12 stitches.

Row 5 *Purl 2 together; repeat from *—6 stitches; slip 2nd, 3rd, 4th, 5th, and 6th stitches over the first stitch. Fasten off and sew seam.

Make another flower if desired. Use contrasting color to attach the flower to the hat.

EMBROIDERY

Running Stitch: This basic sewing stitch looks fresh and new when made with yarn on knitted or crocheted fabric. Use a blunt, large-eyed needle and insert it into the fabric from the wrong side to the right side, leaving a 3" (7.5 cm) tail of yarn to weave in later. Insert the needle back to the wrong side and be careful not to pull the yarn too tightly or it will distort the fabric. Continue the running stitch for desired length.

Chain Stitch is a simple embroidery technique that looks great on knitted and crocheted fabric because it mimics the shape of the stitches (see *Vintage Vines*, page 48). Once mastered, it is easy to "draw" with this method either following a chart or working freeform. Personalize a simple hat by embroidering the recipient's initials.

Choose a yarn smooth enough to glide through the finished fabric. **Step 1:** Using a blunt, large-eyed yarn needle, secure the yarn by gently attaching it to a stitch on the wrong side of work. Leave a 3" (7.5 cm) tail for weaving in.

Step 2: Draw the needle through to the right side of work.

Step 3: Create a small loop by inserting the needle back where it came out. Secure the loop with your finger. Pull the needle through, above the loop, creating a chain stitch (see illustration). Do not pull too tightly or fabric will warp.

Repeat Step 3 in any direction as desired, careful to space chain stitches evenly.

Blanket Stitch, sometimes called buttonhole stitch, is a great finishing touch on edges. (See page 33).

Step 1: Using a blunt, large-eyed yarn needle, secure the yarn by gently attaching it to a stitch on the wrong side of your work. Leave a 3" (7.5 cm) tail to weave in later.

Step 2: Carefully draw the yarn needle through to the right side of work, close to the edge.

Step 3: Bring the needle above the yarn and insert it a couple of stitches to the right of where you first inserted it (see illustration).

Step 4: Pull the needle past the edge of the hat to complete the stitch.

Repeat Steps 3 and 4, inserting the needle the same number of stitches apart for even spacing.

NEEDLES AND HOOKS

As you become more experienced as a knitter or crocheter, you will develop a preference for a certain type of needle and hook. Needles and hooks range from plastic and metal to bamboo and exotic woods like ebony—some are gold plated! Use whatever makes you most comfortable. Sometimes it is beneficial to knit back and forth on circular needles (instead of straight needles) because the cord connecting the needles can accommodate more stitches.

OTHER TOOLS

Scissors and a tape measure are a must. It is handy to have a large-eyed, blunt needle for finishing and weaving in ends. You also might find it useful to have stitch markers and cable needles close at hand.

1.

THE EASIEST HATS EVER

These knit and crochet hats are super-simple and can be made in multiple sizes, in multiple gauges. They are just rectangles that are joined after stitching. If you can make a swatch, you are halfway there to making these hats. On the following page, we teach you how to sew the sides together. Simply pick your size, pick your yarn, and GO. Add a distinctive brim and finishing trim to make a hat just the way you want it!

PICKING YOUR SIZE

Once you have your gauge, or “G” number (see page 8), decide which size hat you want to make. While approximate ages are given for the hat sizes at the beginning of each pattern, all heads are unique! It is best to measure and pick the size according to the Finished Circumference measurements. Keep in mind that both knitted and crocheted fabrics stretch. For a snug fit, choose a size that is 2” (5 cm) smaller than the head for which it is intended. For a looser fit, match the hat size to the head.

READING THE CHARTS

When you come to a chart in your pattern, look for the size you wish to make, which is found **across the row**, from smallest to largest. The “G” numbers appear down the side, in stitches per inch. Find your “G” number along the left side, then follow across the row of numbers to find your size. For instance, if you are making a hat in G3 in size Child M, look down the column to G3, and then across to Child M and cast on 55 sts. If

there is only one column of numbers, it applies to all sizes. If there is only one row of numbers, it applies to all gauges.

FINISHING

Once you're done stitching, you'll need to sew the hat. Here are two methods from which to choose.

INVISIBLE SEAM

Line up the piece with the right sides facing out. Attach the yarn at the lower edge. Start on one side and *insert your needle under the running strand between 2 stitches on the outside edge of the opposite side of the work, draw the needle through; repeat from *, and alternate sides as you work up the seam (see illustrations 1-1 and 1-2).

SLIP STITCH SEAM

Work on the wrong side with the right sides of the piece facing each other. With a crochet hook the same size as the needles used, insert the hook through both fabrics, place the yarn over the hook and draw the hook through the seam stitches and the loop on the hook (see illustration 2). Continue to the end.

1-1. Invisible seam—stockinette stitch.

1-2. Invisible seam—garter stitch.

2. Slip stitch seam.

EASY-PEASY KNIT HAT

KNIT/BEGINNER

This basic pattern can be quickly jazzed up with a variety of embellishments.

SIZE

Child: S=6 months-4 years,

M/L=6-14 years

Adult: S/M, L

17 (18½, 20½, 22½)" [43 (47, 52, 57) cm] circumference x 6 (7, 7½, 8)" [15 (18, 19, 20.5) cm] depth

MATERIALS

- Approximately 100-200 yd (91.5-183 m) for Child, 200-330 yd (183-302 m) for Adult. Yarn amounts will vary due to hat size and yarn gauge.

- 1 pair straight needles in size necessary to obtain gauge

- Large-eyed, blunt needle

GAUGE

Work your gauge over garter stitch (knit every row), following the instructions under "Finding Your Gauge" on page 8.

Bind off all stitches loosely.

FINISHING

Sew up back seam (see page 9).

FUN FINISHES

POM-POM POINTS

Make two pom-poms (see instructions, page 14). Pull the pom-pom ties through the hat to the wrong side at the corners, then knot the ties on the wrong side. Weave in ends.

GATHERED AND TIED CORNERS

Make two rope cords (see instructions, page 14). Gather one corner of the hat and tie the rope cord in a bow, knotting the ends where desired, and cutting off excess cord below the knot. Unravel the cord ends. Repeat on other side.

DRAWSTRING TOP

Make one rope cord approximately

120" (305 cm) long (see instructions on page 14), using three strands of yarn. Thread the cord through the hat stitches, approximately 1½" (4 cm) down from the top, starting just left of the center front. Weave the cord in and out from front to back, about every 4–5 stitches, finishing the weaving so the end comes to extra space outside of the hat. Pull both ends gently, creating a drawstring effect, and knot once in the middle. Knot the ends of the rope cord at the desired length and cut off any excess. Make two pom-poms (see directions on page 14), and attach them to the ends of the rope cord with the pom-pom ties. Weave in ends.

4-CORNERS

Making sure the seam is at the back, sew the top seam starting at the corner, for

CHILD S	CHILD M/L	ADULT S/M	ADULT L
2½"	2¾"	3"	3½"
6.5 cm	7 cm	7.5 cm	9 cm

Flip the work and using a new length of yarn, repeat the seam on the other end. There is now a center, unsewn opening. Switch direction. Hold each unsewn side up to ITSELF, rather than to the other side, and using another length of yarn, close the seam, creating 4 corners.

EASY-PEASY CROCHET HAT

CROCHET/BEGINNER

The versatility of this pattern will have you returning to these pages again and again.

SIZE

Note These sizes are *suggestions only*. Since this hat is crocheted from side to side, you can work exactly to the desired head measurements.

Child: S=6–36 months,

M=3–5 years, L=5–14 years

Adult: S/M, L

18 (19, 20, 21, 23)" [45.5 (48.5, 51, 53.5, 58.5) cm] or *desired circumference* x 6½ (7, 7½, 8, 9)" [16.5 (18, 19, 20.5, 23) cm] or *desired length*

MATERIALS

- Approximately 100–200 yd (91.5–183 m) for Child, 200–330 yd (183–302 m) for Adult. **Yarn amounts will vary due to hat size and yarn gauge**
- Crochet hook in size necessary to obtain gauge
- Stitch markers
- Large-eyed, blunt needle

GAUGE

A pre-measured gauge is not necessary; however, see instructions on page 8 for general gauge and charted pattern instructions.

NOTES

- Hat is worked from *side to side*; in other words, the number of stitches that you begin with makes up the height of the hat, and the length that you make the piece becomes the circumference of the hat. Therefore, this hat can be made with any yarn, and custom fit to the desired head!
- Some of the Fun Finishes require shorter or longer hat heights (the number of stitches you begin with). Before you start your hat, look at the Fun Finishes to see if your desired finish requires a particular height.

- Working the first row of single crochet into the *back* of the foundation chain (inserting the hook into the nub on the back of the chain, rather than into the loops on the front) will make for a neater finished seam.

HAT

Loosely make a chain that measures the desired depth (see Note about depths for desired finishing), or approximately:

CHILD S	CHILD M	CHILD L
6½"	7"	7½"
16.5 cm	18 cm	19 cm
ADULT S/M	ADULT L	
8"	9"	
20.5 cm	23 cm	

Chain 3.

Row 1 Single crochet in the back of the 2nd chain from the hook (see Note above), single crochet in the

back of each chain to the desired depth, or length chosen above, measured without stretching. If you do not need all of the chains to achieve the depth, ignore any extras. Mark this side as the right side. Turn.

Row 2 Chain 1, single crochet in each single crochet across. Turn. (**Note** As you continue to work, check the depth measurement occasionally to make sure you are working on target.) Repeat Row 2 until the rectangle, slightly stretched, measures the desired head circumference or:

18"	19"	20"	21"	23"
45.5 cm	48.5 cm	51 cm	53.5 cm	58.5 cm

End the rectangle by working a right side row—an odd number of rows will have been worked. Cut yarn, leav-

ing a tail long enough for sewing, approximately 24" (61 cm). Pull yarn tail through the last loop to fasten. Thread tail onto a large-eyed, blunt needle.

FINISHING

Sew the back seam (short side of rectangle) as follows: Hold the rectangle so the top loops of the beginning chain lie in front going in one direction, and the top loops of the last row lie behind and face the opposite direction. Whipstitch the two sides together through both thicknesses, matching the loops as follows: Insert the needle under 2 loops at front and under 2 loops at back, draw the yarn through to the back, bring the needle to the front, then move to the next stitch. Do not over-tighten. Do not fasten end yet, you may need to

From left to right: Watchcap with self brim and gathered top in Cotton-Ease, flat seam with points and crochet corkscrews in Color Waves, natty cap with folded top and self brim in Jiffy, scrunchy in Landscapes, flat seam with ears in Wool-Ease.

continue with it. Remove any extra beginning chains, fasten off, and weave in all ends to wrong side of work.

TOP CLOSINGS

The Fun Finishes either use one of the top closings below, or have other instructions. Decide which Fun Finish you want and use the appropriate top closing.

FLAT SEAM

Flatten hat tube with the top edges even; the side seam and yarn end should be held in your right hand. Continue to whipstitch evenly across top edge through both thicknesses, matching rows by inserting needle under 2 loops at front, then under 2 loops at back, drawing the yarn through to back, and bringing the sewing needle to the front. Fasten off. Leave the seam on the outside of hat for more angular points, or turn inside out for subtler points.

GATHERED TOP

Continuing with threaded needle, weave yarn in and out through every other row of top edge as follows: Insert needle under edge stitch of first row, draw yarn to back, skip the next row. From the back, insert the needle under the edge stitch of the next row, draw the yarn to front, skip the next row. Continue in this way to the end of the seam. Pull yarn to tighten and gather stitches. Fasten off securely.

Note on Gathering: If your yarn is extremely thick or tends to break, either choose a different closing or use a thinner, sturdier yarn in a coordinating color for gathering.

FUN FINISHES

Three of the Fun Finishes below are added to a completed Easiest Hat. **For the Self-brim and the Scrunchy you must plan ahead and make the hat longer.**

EARS (AS SHOWN ON PAGE 23, WOOL-EASE #176 SPRING GREEN, 18".)

Finish hat with Flat Seam. Each ear is the triangle portion of the corner, stitched around and tightened to gather. Flatten hat. With threaded yarn needle, starting at one edge approximately 2" (5 cm) down from corner, weave yarn in and out of the top layer of hat rows, working diagonally across the corner, then continuing across the back layer to the beginning. Pull the ends of the woven yarn to gather, knot, and weave in yarn tails. Repeat on other side.

POINTS (AS SEEN ON PAGE 23, COLORWAVES #307 CARIBBEAN, 22" [56 CM])

Finish hat with Flat Seam. Wear as is or sew trims to the points; such as tassels (see page 14) or corkscrews (see page 14).

FOLDED TOP (AS SEEN ON PAGE 23)

Finish hat with Flat Seam. Find and mark the center of the top seam. Continuing with threaded yarn needle, tack the two side points to the center. Fasten securely. If desired, sew trim to top; either a pom-pom (see page 14), flower (see page 15), or a button.

STRING TIE (NOT PICTURED)

Do not finish top. After seaming the side, fasten. Use self-string (instructions below) or ribbon to gather the top as follows: Weave one end in and out of edge

stitches every other row of top edge. Pull end to gather, then knot securely. Tie a bow if desired.

SELF BRIM (AS SEEN ON PAGE 23, NATTY CAP SAMPLE IN JIFFY #173 GRASS GREEN, 23" [58.5 CM] CIRCUMFERENCE WITH 3" [7.5 CM] SELF BRIM AND FOLDED TOP, AND ALSO ON PAGE 23, WATCHCAP SAMPLE IN COTTON-EASE #148 POPSICLE BLUE, 19" [48.5 CM] CIRCUMFERENCE WITH 3" [7.5 CM] SELF BRIM AND GATHERED TOP.)

Must be planned before beginning Easy-Peasy Hat. Make the beginning chain 3" (7.5 cm) longer than given for size, or even longer, allowing enough height to turn upward and use as a brim. Continue with hat instruction as written.

SCRUNCHY (AS SEEN ON PAGE 23, SCRUNCHY IN LANDSCAPES #277 COUNTRY SUNSET, 20" [51 CM].)

Must be planned before beginning Easy-Peasy Hat. Make the beginning chain 2½" (6.5 cm) longer than measurement given for size. Continue with hat instructions as written. After seaming the side, drop the sewing tail. Thread needle with another length of yarn. Gather the hat 2½" (6.5 cm) down from the top edge, weaving the end in and out of every other row around the hat. Pull yarn tightly to gather, secure the tails. Pick up the dropped sewing tail and gather, the top edge stitches same as for the gathered top above, except do not pull the top completely closed. Pull approximately ⅔ of the way and secure the tails. Turn the top to the outside to shape like the "scrunchy" hair accessory (see Note on gathering under Gathered Top, previous page).

TRIMS

SELF-STRING

Use to gather the top edge. Make a chain 20" (51 cm) long for the knot ends, 26" (66 cm) or longer for bow. Slip stitch in the 2nd chain from the hook, then slip stitch in each chain to the end, fasten off, and weave ends.

CORKSCREWS—MAKE 2 (DIRECTIONS ON PAGE 14)

Sew Corkscrew to each point. Twist to desired effect.

SEAMLESS HATS

Knitting and crocheting in the round have many advantages. There is no seam, which means less finishing for you and a more comfortable hat for the wearer. Also, the right side is always facing so you can watch the hat develop as you work. Knitting in the round minimizes purling, which, for many knitters, means they can work faster and more comfortably.

BASIC CROCHET HAT

CROCHET/EASY

Crocheting a seamless hat is tons of fun—you just start at the top and go around and around.

SIZE

Child: S=6–36 months, M=3–6 years, L=6–16 years

Adult: S/M, L

17–18 (19–20, 20–21, 21–22, 23–24)" [43–45.5 (48.5–51, 51–53.5, 53.5–56, 58.5–61) cm] circumference x 6 (6½, 7, 7½, 8½)" [15 (16.5, 18, 19, 21.5) cm] depth

MATERIALS

- Approximately 100–200 yd (91.5–183 m) for Child, 200–330 yd (183–302 m for Adult). **Yarn amounts will vary due to hat size and yarn gauge**
- Crochet hook in size necessary to obtain gauge
- Stitch marker

GAUGE

Work your gauge over single crochet, following instructions under “Finding Your Gauge” on page 8.

NOTES

- If you want to make the Top-Knot Topper, read the instructions on page 28 before you begin.

CROWN

Make a slip knot, chain 2.

Round 1 Work 6 single crochet in the 2nd chain from the hook. Place marker and continue working in the round; move marker up as you go.

Round 2 Work 2 single crochet in each single crochet around—12 stitches total.

Round 3 [Single crochet in the next single crochet, 2 single crochet in the next single crochet] 6 times around—18 stitches total.

Round 4 [Single crochet in the next 2 single crochet, 2 single crochet in the next single crochet] 6 times around—24 stitches total.

Continue in this way, increasing 6 stitches each round, for the total number of rounds indicated on the

chart on page 28 (the number on the chart includes the 4 rounds worked above). **Note** If your “G”/Size calls for a +3 round, then after completing the number of rounds listed, work one more round increasing only 3 stitches (see +3 Round below chart). If your “G”/Size does not call for a +3 round, begin the Body instructions.

+3 ROUND

Work as if you were doing the next increase round, except make only one single crochet instead of 2 in the position of the first increase, work 2nd increase as usual, make only 1 single crochet in the position of the 3rd increase, work 4th increase as usual, make only 1 single crochet in the position of the 5th increase, work 6th increase as usual. Only 3 stitches have been increased on this round.

	CHILD S	CHILD M	CHILD L	ADULT S/M	ADULT L

G1.75	5 rounds (30 stitches)	5 rounds+3 (33 stitches)	6 rounds (36 stitches)	6 rounds+3 (39 stitches)	7 rounds (42 stitches)
G2	6 rounds (36 stitches)	6 rounds+3 (39 stitches)	7 rounds (42 stitches)	7 rounds (42 stitches)	8 rounds (48 stitches)
G2.5	7 rounds+3 (45 stitches)	8 rounds (48 stitches)	8 rounds+3 (51 stitches)	9 rounds (54 stitches)	10 rounds (60 stitches)
G3	9 rounds (54 stitches)	9 rounds+3 (57 stitches)	10 rounds (60 stitches)	10 rounds+3 (63 stitches)	11 rounds+3 (69 stitches)
G3.5	10 rounds+3 (63 stitches)	11 rounds+3 (69 stitches)	12 rounds (72 stitches)	12 rounds+3 (75 stitches)	13 rounds+3 (81 stitches)
G4.5	13 rounds+3 (81 stitches)	14 rounds+3 (87 stitches)	15 rounds (90 stitches)	16 rounds (96 stitches)	17 rounds+3 (105 stitches)

BODY

Moving marker up at the beginning of each round, single crochet in each single crochet around until piece measures:

6"	6½"	7"	7½"	8½"
15 cm	16.5 cm	18 cm	19 cm	21.5 cm

Be sure to measure the hat from Round 1 to edge.

FINISHING

Pick from the Edgings and Toppers that follow.
Remember to fasten off and weave in ends when you're done.

TOPPERS

TOP KNOT (AS SEEN OPPOSITE)

MUST BE WORKED BEFORE HAT IS BEGUN. Begin basic hat and work Round 1 of Crown. Single crochet

in rounds of 6 single crochet, making a tube approximately 4" (10 cm) long. Work Round 2 of Crown. Single crochet 1 round even on 12 single crochet. Continue with Basic Hat pattern. Weave in your tails to wrong side, and tie the top of the tube with an over-hand knot.

SELF POM-POM (AS SEEN OPPOSITE)

Make slip knot, leaving a long tail for sewing.

Round 1 Chain 2, work 8 single crochet in 2nd chain from hook, slip stitch in beginning single crochet.

Round 2 Chain 5 (half double crochet, chain 3) 4 times in the first single crochet, (half double crochet, chain 3) 5 times in each single crochet around, slip stitch in 2nd chain of beginning chain. Fasten off. Use the starting tail to sew the pom-pom to the top of hat.

From left to right: Slip stitch brim and self pom-pom in Lion Bouclé, single crochet ribbing in Magic Stripes, top knot and rolled brim in Wool-Ease, and double crochet rib brim in Wool-Ease doubled.

EDGINGS

SLIP STITCH EDGE (AS SEEN ABOVE)

Continuing with right side facing, slip stitch in each single crochet around, adjusting tension for fit. Slip stitch in the beginning single crochet of round.

ROLLED BRIM (AS SEEN ABOVE)

Single crochet around **THROUGH FRONT LOOP ONLY** until brim measures approximately 1¼" (3.25 cm), or long enough for the edge to curl up on itself. **TURN.** With wrong side of work facing, slip stitch through both loops of each single crochet to end of wrong side, then slip stitch in beginning of round.

DOUBLE CROCHET RIB BRIM (AS SEEN ABOVE)

When Basic Hat reaches required length, slip stitch in the beginning of round. **TURN.**

Round 1 With wrong side of hat facing, chain 2. If your

hat has an even number of stitches already, skip the first post right after the beginning chain, begin with the next post. If your hat has an odd number of stitches, begin with the first post right after the beginning chain. Double crochet around the front post of the appropriate single crochet. [Back post double crochet next single crochet, front post double crochet next single crochet] around. The last front post double crochet should be in the same single crochet as the slip stitch of the previous turning. Slip stitch in top of the turning-chain to close round.

Round 2 Chain 2, front post double crochet in each front post double crochet, back post double crochet in each back post double crochet around, slip stitch in top of turning-chain to close round.

Repeat Round 2 for desired length of trim.

EASY KNIT HAT

KNIT/EASY

Seemingly endless possibilities spring from this pattern. Once you figure out your gauge, you can mix and match different brim edges with various embellishments.

SIZE

Child: S=6 months–4 years, Child M/L=6–14 years

Adult: S/M, L

16³/₄ (18¹/₂, 20¹/₂, 22¹/₂)" [42.5 (47, 52, 57) cm] circumference x 6 (7, 7¹/₂, 8)" [15 (18, 19, 20.5) cm] depth

MATERIALS

- Approximately 100–200 yds (91.5–183 m) for Child, 200–330 yd (183–302 m) for Adult. Yarn amounts will vary due to hat size and yarn gauge.
- 16" (40.5 cm) circular needle and set of 4 or 5 double pointed needles in size necessary to obtain gauge
- Stitch marker
- Large-eyed, blunt needle

GAUGE

Work your gauge over stockinette stitch (knit every round), following instructions under "Finding Your Gauge" on page 8.

BRIM

- If you are working Seed Stitch Edge and your size below is an odd number of stitches, cast on

one stitch fewer than below, and increase one stitch on the last round of the seed stitch.

- If you are working Rib Edge, do not cast on the number below, cast on number shown on chart under Rib Edge, and follow those directions.

Gauge	CHILD S	CHILD M/L	ADULT S/M	ADULT L
With circular needle, cast on:				
G2.5 (2.5 st per inch)	42	46	52	56 stitches
G3	50	56	62	68
G3.5	59	65	72	79
G4	67	74	82	90
G4.5	75	83	92	101
G5	84	92	102	112
G6	100	111	123	135

Join, being careful not to twist, and place marker to mark the beginning of the round or begin as per note on page 10 Work desired edge below, then proceed to hat instructions.

SEED STITCH EDGE

Round 1 *Knit 1, purl 1; repeat from * around—see Note above about cast-on stitches.

Round 2 Purl the knit stitches and knit the purl stitches.

Repeat last round to desired length or approximately:

3/4"	1"	1 1/2"	2"
2 cm	2.5 cm	4 cm	5 cm

If you cast on one stitch fewer than shown above for your size, be sure to increase one stitch on the last round.

RIB EDGE

With circular needle, cast on:

G2.5	40	44	52	56 stitches
G3	48	56	60	68
G3.5	56	64	72	76
G4	64	72	80	88
G4.5	72	80	92	100
G5	84	92	100	112
G6	100	108	120	132

Join, being careful not to twist the stitches, and place a marker to mark the beginning of the round.

Round 1 *Knit 2, purl 2; repeat from * around.

Continue working the rib pattern in rounds to the desired length, or approximately:

1"	1 1/2"	2"	2"
2.5 cm	4 cm	5 cm	5 cm

From left to right: Flower patch with rolled edge and crocheted flowers in Wool-Ease, stitch in time with running stitch and pom-pom in Wool-Ease Thick & Quick and Kool Wool, rib edge with defining edge and tassel in Color Waves and Landscapes

Next Round Change to stockinette stitch and increase the following number of stitches around:

G2.5	2	2	0	0
G3	2	0	2	0
G3.5	3	1	0	3
G4	3	2	2	2
G4.5	3	3	0	1
G5	0	0	2	0
G6	0	3	3	3

You should now have the same number of stitches as the chart on page 30. Proceed to hat instructions.

GARTER STITCH EDGE

Round 1 Knit.

Round 2 Purl.

Repeat the last 2 rounds until piece measures desired length, or approximately:

3/4"	3/4"	1"	1 1/2"
2 cm	2 cm	2.5 cm	4 cm

ROLLED EDGE

Work in rounds of stockinette stitch until piece measures approximately 1½" (4 cm).

HAT

Work in rounds of stockinette stitch until piece measures from bottom of Rib, Seed Stitch, Garter Stitch, or Rolled Edge (allowing bottom to roll before measuring).

G2.5	2½"	3½"	4"	4½"
	6.5 cm	9 cm	10 cm	11.5 cm

FUN FINISHES

STRING O' POMS

Make three pom-poms (see instructions on page 4) and tie together, then sew pom-poms to the top of hat.

FLOWER PATCH (AS SEEN ON PAGE 31.)

Make the desired number of flowers and attach as shown, or as desired. Directions for flowers are on page 15.

DEFINING EDGE (AS SEEN ON PAGE 31.)

Work blanket stitch around the hat brim (see page 16).

Make one tassel and braid its cord (see page 14).

Attach to the top of hat.

STITCH IN TIME (AS SEEN ON PAGE 31.)

Instructions for pom-pom found on page 14.

With large-eyed, blunt needle and contrasting color, work a vertical line using backstitch either right or left of center.

Knit 1 round even.

Next (Decrease) Round *Knit 17 (14), knit 2 together; repeat from * around—108 (90) stitches total. Knit 1 round even.

Continue in this manner, decreasing 6 stitches evenly spaced around, then working 1 round even 8 times more—60 (42) stitches. Change to double-pointed needles when there are too few stitches to continue working on circular needle easily.

Next (Decrease) Round Decrease 6 stitches evenly spaced around as established on this round, then every following round until 6 stitches remain.

Next (Decrease) Round [Knit 2 together] 3 times, cut yarn leaving a 12" (30.5 cm) tail. Pull tail through remaining 3 stitches.

FINISHING

With a crochet hook, and using the yarn tail from the previous round, chain 10 (8), fasten off and secure to inside to form a loop. Block hat lightly by dampening and stretching over a plate of similar circumference.

1¾ OZ (50 G) 55 YD (50 M) BALL

2 balls #275 Autumn Trails or color of your choice

- Size 10 (6 mm) knitting needles or size to obtain gauge
- Size K-10.5 (6.5 mm) crochet hook
- Two stitch holders
- Large-eyed, blunt needle
- 5" x 5" (12.5 x 12.5 cm) piece of cardboard for tassel

GAUGE

12.5 stitches + 16 rows = 4" (10 cm) over stockinette stitch (knit on

right side, purl on wrong side).

Be sure to check your gauge.

STITCH EXPLANATION

Make 1 An increase worked by moving the left needle from front to back to pick up the horizontal thread of the previous row, lying between needles. Work this new stitch by knitting through the back loop to prevent a hole (see page 91).

EAR FLAPS

Cast on 3 stitches. Knit 1 row.

Increase Row 1 (Wrong Side) Purl 2, make 1, purl 1—4 stitches total.

Knit next row.

Increase Row 2 (Wrong Side) Purl 1, make 1, purl to last stitch, make 1, purl 1—6 stitches total.

Knit next row.

Repeat last 2 rows twice more—10 stitches total.

Work even for 2 rows, then repeat.

Increase Row 2 once more—12 stitches total.

Work even in stockinette stitch until piece measures approximately 3¾" (9.5 cm) from beginning, ending with a right side row. Place stitches on a holder. Make one more earflap, ending with a right side row. Place stitches on holder.

HAT

Next Row (Wrong Side) Cast on 10 (11) stitches onto the right needle, place 12 stitches of the first earflap onto the left needle, then purl across these 12 stitches—22 (23) stitches total on right needle. Cast on 19 (21) stitches onto the right needle—41 (44) stitches total on right needle. Place 12 stitches of the second earflap onto the left needle, then purl across these 12 stitches—53 (56) stitches total on right needle. Cast 10 (11) stitches onto right needle—63 (67) stitches total on right needle.

Next Row (Right Side) Knit 1 (0),

purl 1 (0), *knit 2, purl 1; repeat from *, end knit 1.

Next Row Purl 1, *knit 1, purl 2; repeat from *, end knit 1 (0), purl 1 (0).

Repeat the last 2 rows once more. Work in stockinette stitch until piece measures 4" (4¼") [10 (11) cm] from the beginning of rib, ending with a wrong side row.

CROWN SHAPING

Decrease Row 1 (Right Side) Knit 3, *knit 2 together, knit 2; repeat from * across—48 (51) stitches total.

Work 3 rows even.

Decrease Row 2 Knit 2, *knit 2 together, knit 1; repeat from *, ending knit 1—33 (35) stitches total.

Work 3 rows even.

Decrease Row 3 Knit 3, *knit 2 together; repeat from *, ending knit 2—19 (20) stitches total.

Purl next row.

Decrease Row 4 Knit 2, *knit 2 together; repeat from *, ending knit 1 (2)—11 (12) stitches total. Cut yarn, leaving a long tail for sewing. Thread tail into large-eyed, blunt needle and weave through remaining stitches. Pull tight to gather stitches and close the top of hat, fasten securely, then sew back seam.

FINISHING

EDGING

With crochet hook and right side facing, join yarn with a slip stitch in the back seam.

Round 1 Chain 1, making sure that work lies flat, single crochet evenly around the entire edge. Join round with a slip stitch in the first single crochet. Fasten off.

Make two tassels following directions on page 14. Sew one tassel at the bottom of each earflap.

GRANNY SQUARES

As simple geometric shapes, granny squares are perfect building blocks for hats. Using single or multiple colors, granny squares are portable projects, allowing you to satisfy your stitching needs anywhere.

MAKING A GRANNY SQUARE

Forming a ring is the first step. Chain as many stitches as the pattern dictates, insert the hook into the first chain above the slip knot (illustration 1), yarn over the hook and pull through the first chain and the chain on the hook (illustration 2).

Working into the ring (or under the chain): After you have created the ring, chain 3 chains if you are using double crochet, yarn over and insert the hook under the ring, yarn over and pull up a stitch. When you are working your third or larger rounds, make sure you insert your hook completely underneath the chain below it (illustration 3).

A handy tip when you begin each round is to hold the tail yarn on top of the chain you are crocheting into and crochet the tail so that it is tucked into the chain. This secures the tails as you work, making it easier to weave them later. It is a good idea to weave in the yarn tails as you go so you won't be faced with dozens of ends to weave when you have finished your project and are anxious to show it off.

For seaming information, see page 19.

1. Joining granny square ring: insert hook into first chain stitch.

2. Yarn over, pull through chain and stitch on hook.

3. Inserting hook below chain you're working on.

crochet, chain 2, 2 single crochet); repeat from * twice more, work 2 single crochet between the next 2 bullions, join round with a slip stitch in the top of the beginning chain-1—24 single crochet total. Fasten off.

Round 3 Join C with a slip stitch in any corner chain-2 space, chain 3 (counts as 1 single crochet and chain 2), single crochet in the same corner space, *single crochet in each of the next 6 single crochet, work (single crochet, chain 2, single crochet) in the corner space; repeat from * twice more, single crochet in each of the next 6 single crochet, join round with a slip stitch in the first chain—32 single crochet total. Fasten off.

Round 4 Join B with a slip stitch in the back loop of a 2nd chain in any corner chain-2 space, chain 2

(counts as 1 half double crochet), work half double crochet in back loop of each of the next 9 stitches, chain 2 for corner, * half double crochet in back loop of the next 10 stitches, chain 2; repeat from * twice more, join round with a slip stitch in the top of the beginning chain-2—40 half double crochet total. Fasten off.

FINISHING

Mark each corner chain-2 space as follows: thread a large-eyed, blunt needle with a 6" (15 cm) strand of contrasting color yarn. From right side of work, insert needle into the first chain, then bring needle up through the 2nd chain. Remove needle, allowing strands to remain.

ASSEMBLY

Hold 2 squares together, wrong side facing. Working through the back loops only of both squares, join A with a slip stitch inside marked stitches, chain 1. Working from left to right, work reverse single crochet in the back loops across to next marked stitch—12 stitches total. Fasten off, leaving corner markers intact. Working in the same manner, join the next 2 squares together forming a ring for the sides of hat. Join the last square to the top, matching the markers at the corners and also going through end of the reverse single crochet joining row with 2nd corner stitches—12 reverse single crochet per side total. Join round with a slip stitch in beginning chain-1. Fasten off. Remove CC yarn markers from corners now.

EDGING

Carefully join A with a slip stitch in any stitch along the bottom edge.

PURPLE PILLBOX

Round 1 Chain 1 (always counts as 1 single crochet), single crochet in the back loop of each stitch and in the end of the reverse single crochet joining row—52 single crochet total. Join the round with a slip stitch in the beginning chain-1. Fasten off.

Round 2 Working through both loops, join B with a slip stitch in any stitch, chain 1, single crochet in each single crochet around. Join round with a slip stitch to beginning chain-1. Fasten off.

Round 3 Working through both loops, join C with a slip stitch in any stitch, chain 1, work reverse single crochet in each stitch around. Join with a slip stitch in beginning chain-1. Fasten off. Weave in ends.

(C), #107 Candy Blue (D), or
colors of your choice

- Size G-6 (4 mm) crochet hook
or size to obtain gauge
- Small safety pin
- Large-eyed, blunt needle

GAUGE

16 stitches + 18 rounds = 4" (10
cm) over single crochet.

One granny square = 4¹/₂"
(11.5 cm).

Be sure to check your gauge.

NOTE

- Hat is worked in a spiral. Mark
the last stitch made in each
round with the safety pin to
indicate the end of round.

HAT

Beginning at the top edge, with A,
chain 91. Taking care not to twist
the chain, join with slip stitch in
the first chain to form a ring.

Working in single crochet, work in
stripe pattern as follows: 12 rounds
A, 1 round B, 1 round C, 1 round
D, and 18 rounds A.

Last Round With A, slip stitch in
each stitch around. Fasten off.

GRANNY SQUARE EARFLAPS

With B, chain 4. Join chain with a
slip stitch to form a ring.

Round 1 (Right Side) Chain 3 (always
counts as 1 double crochet), work
2 double crochet over ring, chain 2,
*work 3 double crochet over ring,

chain 2; repeat from * 2 more
times. Join round with a slip stitch
in the 3rd chain of chain-3. Fasten
off. From right side, join C with a
slip stitch in any chain-2 space.

Round 2 Chain 3, work 2 double
crochet in the same chain-2 space,
chain 1, *work (3 double crochet,
chain 2, 3 double crochet) in next
chain-2 space, chain 1; repeat from
* 2 more times, ending with 3 dou-
ble crochet in the beginning chain-
2 space, chain 2. Join round with a
slip stitch in 3rd chain of chain-3.
Fasten off. From right side, join D
with a slip stitch in any chain-2
space.

Round 3 Chain 3, work 2 double
crochet in the same chain-2 space,
chain 1, * work 3 double crochet in
the next chain-1 space, chain 1,
work (3 double crochet, chain 2, 3
double crochet) in the next chain-2
space, chain 1, repeat from * 2

more times, ending with 3 double crochet in the next chain-1 space, chain 1, 3 double crochet in beginning chain-2 space, chain 2. Join round with a slip stitch in the 3rd chain of chain-3. Fasten off. From right side, join B with a slip stitch in any chain-2 space.

Round 4 Chain 3, work 2 double crochet in the same chain-2 space, chain 1, * [work 3 double crochet in next chain-1 space, chain 1] twice, work (3 double crochet, chain 2, 3 double crochet) in the next chain-2

space, chain 1, repeat from * 2 more times, ending with [work 3 double crochet in next chain-1 space, chain 1] twice, 3 double crochet in the beginning chain-2 space, chain 2. Join round with a slip stitch in 3rd chain of chain-3. Fasten off. From right side, join A with a slip stitch in any chain-2 space.

Round 5 Chain 1 (counts as 1 single crochet), then single crochet in each stitch around, working 3 single crochet in each corner chain-2 space. Join round with a slip stitch in the first single crochet. Fasten off. Weave in ends.

FINISHING

Fold hat in half. Place a piece of contrasting color yarn to serve as a marker at each fold. Fold in the opposite direction, matching yarn markers at center. Place a yarn marker at each fold. Bring all yarn markers together so they meet at the center; the top of hat will form a "+". Whipstitch edges together, forming four points. Bring points together, then tack in place. Try on hat to determine position of earflaps. Place earflaps, on the diagonal, to cover ears. Remove hat, sew earflaps in place.

TASSELS

For top of hat, cut four 18" (46 cm) strands each of B, C and D. Draw strands through top of the hat, so they are doubled. Group colors together, then braid for 5" (12.5 cm). Tie ends with an overhand knot close to braid. Trim ends even for tassel. For each earflap, cut four 18" (46 cm) strands each of B, C and D. Draw strands through chain-2 space at the bottom corner. Continue to work as for top of hat.

CHILDREN'S HATS

These fun hats let kids' personality shine through. Lots of color and interesting shapes make hats they will love to wear. The Kiss (page 64) and Rocky Raccoon (opposite) use simple shaping with a distinctive flair—one has a little tail on top, the other has a long tail on the bottom! On we go to the king's court, where we find the Crown (page 66) and the Jester (page 68), both of which are knit flat and sewn up when you're finished.

MATERIALS

LION BRAND FUN FUR

100% POLYESTER

1³/₄ OZ (50 G) 64 YD (58 M) BALL

1 ball each #126 Chocolate (A), #204 Lava (B), #205 Champagne (C), or colors of your choice

- **Child Size:** Size N-13 (9 mm) crochet hook or *size to obtain gauge*
- **Adult Size:** Size P-15 (10 mm) crochet hook or *size to obtain gauge*
- Small safety pin
- Large-eyed, blunt needle

GAUGE

CHILD SIZE

7 stitches = 4" (10 cm) over single crochet using 2 strands held together and smaller crochet hook.

ADULT SIZE

6 stitches = 4" (10 cm) over single crochet using 2 strands held together and larger crochet hook.

Be sure to check your gauge.

NOTES

- Use 2 strands of yarn held together throughout.
- When changing colors, draw the new color through 2 loops on the hook to complete single crochet.
- Carry the color not in use loosely from round to round.
- It can be challenging to see the individual stitches when working with furry yarn. For best results, count the stitches as you work

each row or round to make sure you do not skip or miss a stitch.

STITCH EXPLANATION

Single crochet 2 together (single crochet decrease) Insert the hook into a stitch and draw up a loop. Insert the hook into the next stitch and draw up a loop. Yarn over, draw through all 3 loops on hook (see page 11).

CAP

With 1 strand each of A and B held together, chain 14.

Row 1 Single crochet in the 2nd chain from the hook and in the next 11 chains, work 3 single crochet in the last chain. Turn to the bottom loops of the foundation chain, then single crochet in each loop across—27 stitches total. Chain 1, turn. **Note** Rounded end of cap is the front and the straight end is the back.

Row 2 Single crochet in the first 12 stitches, [work 2 single crochet in the next stitch] 3 times, single crochet in each stitch to end—30 stitches total. Chain 1, turn.

Row 3 Single crochet in the first 12 stitches, [work 2 single crochet in the next stitch, single crochet in the next stitch] 3 times, single crochet in each stitch to end—33 stitches total. Chain 1, turn.

Rows 4–9 Single crochet in each stitch across. Chain 1, turn EXCEPT after Row 9 is completed, do not turn.

TAIL

Round 1 Work 20 single crochet evenly spaced across the straight back edge. Join work into round with a slip stitch in the first single crochet, keeping right side of work toward inside of the tail tube. Mark the last stitch with a safety pin to mark the end of next round.

Round 2 Chain 1, [single crochet 2 together] 10 times—10 stitches total. Remove safety pin. Fasten off. At the underside of the tail, join 2 strands of C with a slip stitch in the center stitch.

Round 3 Chain 1, single crochet in the same stitch as joining, then single crochet in each stitch around. Mark the last stitch made with safety pin. You will be working in a spiral marking the last stitch made with the safety pin to indicate the end of the round.

Round 4 Single crochet in each single crochet around. Drop C and change to 2 strands of A.

Rounds 5 and 6 Single crochet in each stitch around. When completing Round 6, change to 2 strands of C.

Rounds 7 and 8 Single crochet in each stitch around. When completing Round 8, drop C and change to 2 strands of A.

Repeat Rounds 5–8 for 2 (3) times more; do not change color at the end of the last round. Continue with 2 strands of C to the end.

Next Round With C, [single crochet 2 together] 5 times—5 stitches total.

Last Round Single crochet in each stitch around. Join round with a slip stitch in first stitch.

Cut yarn, leaving a long tail. Thread tail into large-eyed, blunt needle and weave through remaining stitches. Pull tight to gather, then fasten off securely. Weave in ends.

FINISHING

Try on cap to check for fit. If necessary, adjust edging to fit by using a tighter tension (smaller hook) to make smaller, the same tension as before to keep same size, or a looser tension (bigger hook) to make larger.

EDGING

From right side, join 1 strand each of A and B with a slip stitch at the base of the tail.

Round 1 Slip stitch in each stitch around. Join round with a slip stitch. Fasten off. Weave in ends.

With straight needles and A, cast on 1 stitch.

Row 1 Knit into the front and back of stitch—2 stitches total.

Row 2 Purl into the front and back of the first stitch, purl 1—3 stitches total.

Row 3 Knit into the front and back of the first stitch, knit to the last stitch, knit into the front and back of the last stitch—5 stitches total.

Row 4 Purl.

Repeat Rows 3 and 4 for 4 (5) times more—13 (15) stitches.

Mark the beginning and the end of the last row with stitch markers.

SHAPE POINT

Decrease 1 stitch each end on the next row, then every 4th row 4 (5) times more, ending with a right

side row—3 stitches remaining. Work even for 3 rows, ending with a wrong side row.

Next Row (Right Side) Knit 3 together. Fasten off last stitch. Make 3 more points using colors B, C and D.

FINISHING

Sew sides of hat pieces together, matching markers. Sew tops of hat pieces together from cast-on edge to markers. Sew point sections together matching colors.

HATBAND

With wrong side facing, circular needle and A, pick up and knit 48 (56) stitches evenly spaced around the bottom edge of the hat. Join work and place a marker to mark beginning of round.

Round 1 Knit.

Round 2 Purl.

Change to B and repeat Rounds 1 and 2.

For Size 18–24 months only, change to C and repeat Round 1.

For Size 4–6 years, change to C and repeat Rounds 1 and 2.

Change to D and repeat Round 1.

Bind off all stitches as if to purl.

Fold up band. Sew buttons to ends of points. Weave in ends.

INCORPORATING COLOR

Nothing grabs people's attention faster than color. The hats in this chapter use slip stitch, intarsia, and fair isle techniques to create color patterns in knitting, while stripes in both plain and fancy stitches enliven crochet patterns. Be bold in your color choices and you will never be known as the wallflower.

URBAN CHULLO

DESIGNED BY VLADIMIR TERIOKHIN

CROCHET/INTERMEDIATE

Stripes are the easiest way to incorporate color. Subtle gradations of green and blue make this earflap hat understated enough for him to wear. The picot edging is reminiscent of traditional Chullos worn by men in the Andes.

MANLY SLIP-STITCH HAT

DESIGNED BY REBECCA ROSEN

KNIT/EASY

Slip stitch knitting, a technique that uses only one color per row, is fun and easy to execute. This hat is knit back and forth and seamed when you're done. Bright contrasting colors and subtle texture complete this chic chapeau.

FELTED HATS

Everyone's felting! Felting tightens and shrinks knitted or crocheted fabric, making it firmer, stronger, and warmer. To make felt, you need wool or yarns with a high percentage of wool. Lion Brand Landscapes, which is used for I Felt Like It (page 86), has an acrylic core wrapped with wool. When it is washed, the wool felts around the acrylic, which gives the finished item an interesting texture and appearance. However, it does not felt exactly the same as 100% wool and may take longer to felt than pure wool.

When knitting or crocheting something you want to felt, you should use a larger needle or hook than you normally would for that yarn. Swatching is of the utmost importance. Make a large swatch (at least an 8" [20.5 cm] square) and felt it exactly as you plan to felt your finished project.

There are three factors necessary for successful felting: water, temperature change, and agitation. Felting can be done by hand, but it is much faster and easier to use a washing machine. Use a long wash setting with hot water and a cold rinse. Use your regular detergent and add several sturdy, washable items like jeans, clean canvas shoes, or tennis balls. Towels tend to embed lint into the felt so they should be avoided.

Regardless of the yarn you use, you may have to wash your project several times to felt it to your satisfaction. Felting is not an exact science and there are a number of variables that affect the rate of felting. The water temperature, whether you have hard or soft water, the detergent, and the amount of agitation will all make a difference. The size of your project will also play a role. Large pieces felt differently than small pieces. To felt additionally, dry by machine on the regular setting until almost dry.

After felting, remove your hat from the machine and place it over a round object to hold its shape while it dries. Some people are lucky enough to have a bowl or plastic container the size and shape of their head. If you do not, use a balloon.

GREAT PATTERNS

Put your stitching skills to use by making these fashionable hats. The patterns in this chapter may involve a few new maneuvers for some, but rest assured you'll be pleased with the results. From bobbles and pom-poms to cables and earflaps—we've got you covered. Rebel Rebel (page 94) and Urban Trekker (opposite) are so stylish they may be your inspiration to learn cabling if you don't know how. Those who yearn for extra ear coverage during winter months should whip up a Swiss Miss (page 96) or a Paul Bunyan (page 99). The Long and Short of It (page 102) and Carrie's Cap (page 105) are both crocheter's delights. With so many choices, it'll be difficult to choose just one to start.

FINISHING

Cut a strand of yarn about 10" (25.5 cm) in length. Thread into large-eyed, blunt needle, and weave through remaining stitches at the top of the crown. Pull tight to gather stitches to close the top of the hat, fasten off securely.

TIES

For each tie, cut 3 lengths of yarn, 15" (38 cm) each. Thread strands through the bottom point of the earflap. Working strands in pairs, braid tightly for 9" (23 cm). Knot ends close to braid. Do not cut excess yarn.

POM-POMS—MAKE 2 OF 2½" (6.5 CM) DIAMETER, 1 OF 3" (7.5 CM)

Follow directions for pom-pom on page 14.

Using 2 strands of excess yarn from tie, sew the smaller pom-pom to the end of one tie. Thread remaining ends into large-eyed, blunt needle and draw through center of pom-pom to incorporate them. Trim ends even with pom-pom. Repeat for other tie. Sew larger pom-pom to top of hat.

Turn.

Row 4 Chain 1, single crochet 2 together over the first 2 stitches, single crochet in the next 10 stitches, single crochet 2 together over the last 2 stitches—12 stitches total. Turn.

Row 5 Chain 1, single crochet 2 together over the first 2 stitches, single crochet in the next 2 stitches, work 2 single crochet in

the next stitch, single crochet in the next 2 stitches, work 2 single crochet in the next stitch, single crochet in the next 2 stitches, single crochet 2 together over the last 2 stitches—12 stitches total. Turn.

Row 6 Chain 1, single crochet 2 together over the first 2 stitches, single crochet in the next 8 stitches, single crochet 2 together over the last 2 stitches—10 single crochet total. Fasten off.

RIGHT EARFLAP

On the wrong side of the turning row, skip the next stitch from visor, then join MC with a slip stitch in the back loop of the next stitch. Work same as for left earflap.

LININGS

Visor and earflaps are lined on the inside (toward your face). Using CC, work same as left earflap, visor, and right earflap, working the first row of each piece through the front loop of the turning row.

FINISHING

Weave in ends.

JOINING

This last round joins the pieces to their linings, makes the ties at the tip of each earflap and adjusts the

back of hat for fit. When joining pieces, hold with wrong sides together, matching rows, single crochet through both thicknesses, working under one strand of earflap or visor and one strand of lining, except as noted. **Note** If you find it difficult to insert the hook into the edges of the pieces, try a smaller hook for the joining and work loosely, but use the P-15 (10 mm) hook to make the ties.

With right side facing and CC, start at the right earflap. Join CC with a slip stitch through both loops of single crochet of turning row at the beginning of the earflap. Single crochet together the edge of the right earflap with lining, working one single crochet in each row—9 (10) stitches total. Rotate, then single crochet together the single crochet at the tip through both loops of each piece. Make the first tie as follows: chain 25, slip stitch in 2nd chain from hook, slip stitch in each chain, slip stitch down through the top of the single crochet at the base of the chain. Rotate, then single crochet together down the earflap—9 (10) stitches total. Slip stitch in both loops of the turning row at the end of the earflap, slip

stitch in both loops of skipped single crochet of the turning row, slip stitch in both loops of the turning row at the beginning of the visor. Single crochet together visor and lining, working one single crochet in each row—6 stitches total. Rotate, then single crochet together at the front through both loops of each piece—10 stitches total. Rotate, single crochet together down the visor—6 stitches total. Slip stitch in both loops of the turning row, slip stitch in both loops in skipped single crochet of the turning row, slip stitch in both loops of the turning row at the beginning of the left earflap. Single crochet together and make the second tie same as the right earflap. Slip stitch in both loops of the turning row at the end of the left earflap, slip stitch in each 8 (9) stitches to beginning of round. Fasten off. **Note** Circumference of hat will “give” after some wear. Work the last 8 (9) slip stitches loosely if the fit is acceptable. Work the slip stitches firmly to make the hat a bit tighter if necessary.

Join with slip stitch to the first single crochet. Fasten off. Weave in ends.

FINISHING

Flatten brim so the increases are at the side edges. Center brim across 2 sections of the cap, with one double cluster at each edge and one at the center. Sew brim firmly to Round 14 of cap.

BACK POST DOUBLE CROCHET (BPDC): Yarn over, insert hook from back to front then to back, going around the double crochet post, draw up a loop (yarn over and draw through 2 loops on hook) twice. Skip stitch in front of the BPDC.

CC: Contrast color in a two-color scarf.

CHAIN: In crocheting, this is a loop made simply by drawing the yarn through an existing stitch or loop. It also refers to a series of loops; "chain 3" means to make three chain stitches in a row.

CN: Cable needle.

DOUBLE CROCHET (DC): This is a basic crochet stitch that is taller than a half double and shorter than a triple crochet stitch.

FRONT POST DOUBLE CROCHET (FPDC): Yarn over, insert hook from front to back then to front, going around the double cro-

chet post, draw up a loop, (yarn over and draw through 2 loops on hook) twice. Skip stitch behind the FPDC.

GARTER STITCH: Knit every row.

GAUGE: Sometimes called tension, gauge is the number of stitches and rows measured over a number of inches (or centimeters).

GRAFTING: A technique for joining two rows of "live" stitches without a seam. To graft, hold the two needles with the live stitches on them parallel with wrong sides of fabric together. Thread a blunt tapestry needle with one of the yarn ends and work as follows: Insert tapestry needle as if to purl into the first stitch on the front piece. Insert needle as if to knit into the first stitch on the back piece. Then follow steps 1–4 as outlined below. (1) Insert needle as if to knit through the first stitch on front knitting needle and let the stitch drop from the needle. (2) Insert tapestry needle into 2nd stitch on

the front needle as if to purl and pull the yarn through, leaving stitch on the knitting needle. (3) Insert tapestry needle into the first stitch on the back needle as if to purl and let it drop from the knitting needle, then (4) insert tapestry needle as if to knit through 2nd stitch on back needle and pull the yarn through, leaving the stitch on the knitting needle. Repeat 1–4 until all stitches are gone. When finished, adjust the tension as necessary. Weave in ends.

HALF DOUBLE CROCHET: A crochet stitch that is taller than a single crochet and shorter than double crochet.

KNIT 2 TOGETHER (K2TOG): A decrease made by inserting the needle into the first two stitches on the left needle, wrapping the yarn around as you normally would, and then pulling the yarn through both stitches. See illustrations on page 76.

LEFT-SLANTED DECREASE: See knit 2 together.

MAKE 1: An increase worked by lifting the horizontal thread lying between the needles and placing it on the left needle. Work this new stitch through the back loop.

MC: Main color in a two-color scarf.

RIGHT-SLANTED DECREASE: See slip, slip, knit.

SINGLE CROCHET (SC): A basic crochet stitch that is taller than a slip stitch and shorter than a half double crochet.

SLIDE: Push stitches back to opposite end of needle and, keeping the same side of the fabric facing, work the next row.

SLIP, SLIP, KNIT (SSK): Slip next two stitches as if to knit, one at a time, to the right needle; insert left needle into the fronts of these two stitches and knit them together. See illustrations on page 76.

S2KP2: Slip 2 sts as if to knit, knit 1, pass 2 slipped stitches over.

STOCKINETTE STITCH: Knit one row, purl one row.

TRIPLE (TREBLE) CROCHET: This is the tallest of all the basic crochet stitches.

TURN: Turn needle around and, with opposite side of fabric facing, work the next row.

WHIPSTITCH: A decorative seaming technique. Using either matching or contrasting yarn, bring needle through the fabric of one piece to be joined from wrong side to right side. Insert needle back through the fabric of the other piece and pull yarn carefully, avoiding pulling stitches too tightly. Repeat to end of fabric.

YARN OVER (YO): An increase created by wrapping the yarn counterclockwise around the right-hand needle and knitting the next stitch.
