When increasing stitches within pattern, the increased stitch(es) and the stitch used will count as one stitch when decreasing, casting off and when number of stitches are stated at end of row.

INTARSIA TECHNIQUE

When working with different balls of yarn the colour to be used should be twisted round the colour just used to link the colours together and avoid holes. **DO NOT BREAK OFF AND JOIN IN EXCEPT WHERE NECESSARY.**

FAIRISLE TECHNIQUE

When working with two colours the colour not in use should be stranded loosely across back of work to retain elasticity of fabric.
