TO MAKE UP

Join shoulder seams. Fold sleeves in half lengthways, then placing folds to shoulder seams sew sleeves in position. Join side and sleeve seams. Sew on button. Pin out garment to the measurement given on front page. Cover with damp cloths and leave until dry. See ball band for washing and further care instructions.

KNITTING TIPS

M1 - Make One Stitch

Pick up yarn lying between the stitch just worked and the next stitch and place it on left hand needle then knit (or purl) into the back of this loop.

MAKING UP

Mattress Stitch - Invisible Seaming

This method gives the neatest finish to a garment. Mattress stitch can be worked either one stitch in or half a stitch in from the edge.

Where the knit side of the work is the right side, work under two rows at a time.

Where the purl side of the work is the right side, work under one row at a time.

Joining Single Rib

When joining two ribbed sections, it is easier if the edge stitch on each piece is a knit stitch. So that you can take half a stitch from each side enabling a knit stitch to be formed when the two pieces are drawn together.

Joining Two Cast Off Edges

When using mattress stitch two cast off edges can be matched stitch for stitch.
