dolls fashions

Here is a wide selection of clothes for all your dolls. We have included something for almost every occasion – a lovely wardrobe for all the best dressed dolls.

As most of the patterns only take a small amount of yarn, this is an ideal opportunity to use up all your oddments to make presents or gifts for your local bazaar.

Sizes for all patterns are detailed in the paragraph below.

sizes

We have divided the book into two sections, the first (pages 2 to 8) containing patterns for Baby-type dolls in three sizes: 30(40-50) cms [12(16-20) ins] and the second (pages 9 to 15) containing patterns for Fashion-type dolls in three sizes: 27(29-31) cms [10¾(11¼-12¼) ins].

Measure the length of your doll from head to toe to see which size you require. For example, in this book we have used Teeny Tiny-Tears as the 1st size Baby doll, Tiny-Tears and First Love as the 2nd size Baby doll and our Design department's own baby doll for the 3rd size! The three Fashion Dolls we have used are Sindy, Barbie and Farrah.

pressing

Always press each piece on wrong side of work avoiding ribbing.

Wool: Using a hot iron and a damp

cloth, steam each piece thoroughly without allowing the weight of the iron to rest on the work. While the knitting is still damp pin out, then press lightly again and allow to dry.

Synthetic yarns: Press lightly on wrong side using a warm iron and a dry cloth, **except** when label states that yarn should not be pressed.

tension

The tensions for all the patterns in this book have been based on a standard tension over st st as detailed below. If you have to use a different needle size to obtain this tension a similar adjustment must be made to the needle sizes used in the patterns.

Double Knitting: 24 sts and 32 rows = 10cms [4 ins] square using size 3¾mm (9) needles.

4 Ply: 30 sts and 38 rows = 10cms [4 ins] square using size 3mm (11) needles.

abbreviations

Alt=alternate; beg=beginning; ch=chain; cms=centimetres; dc=double crochet; dec=decrease; garter stitch=every row knit; inc=increase; ins=inches; k=knit; p=purl; pss=pass slipped stitch over; rep=repeat; sl=slip; st=stitch; sts=stitches; st st=stocking stitch (1 row k, 1 r p); tbl=through back of loop; tog=together; tr=treble; yb=yarn back; yf=yarn forward; yfon=yarn forward and over needle; yrn=yarn round needle.

notes

The yarn quantities have been worked out as accurately as possible, but these may vary slightly according to the type of yarn used. Figures in round brackets refer to the larger sizes. Figures or instructions in square brackets, [], should be repeated as stated after the brackets.

Australia: Where Double Knitting is referred to in this book, we suggest you use 8 ply and where 4 ply is referred to use 5 ply.
