

MAKING UP

Refer to chart pieces and templates as you are making up. Please ensure that all pieces are seamed **FIRMLY** together using **BACKSTITCH**. If there are two identical pieces make sure they are made up as a **PAIR**.

HEAD

1. With right sides together stitch centre front seam of top muzzle from point L to point M.
2. With right sides together match points M and N on top muzzle with points M and N on under muzzle. Stitch together following direction of arrows.
3. Stitch dart 1 on side head pieces. With right sides together match point V to point O on side head pieces and stitch together.
4. With right sides together match points L and N of stitched muzzle to points V and N of stitched side head. Stitch along seam.
5. Match points N on under chin to points N on under muzzle. Stitch together.
6. With right sides together match points N and I on under chin to points N and I on side head. Stitch along seam.
7. Match points I and I on under chin to points I and I on front neck.

BODY

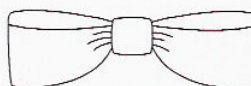

8. With right sides together match points J and E on body with points J and E on outside front leg. Stitch along seam.
9. With right sides together match points D and E on body with points D and E on outside back leg. Stitch along seam.
10. With right sides together stitch darts 3 and 4 in outside back leg.
11. With right sides together stitch dart 5 in outside front leg.
12. With right sides together match points F and G on inside back legs with points F and G on outside back legs. Stitch round from point F to point G easing pieces together as necessary following directions of arrows.
13. With right sides together match points J and E on inside front legs with points J and E on outside front legs. Stitch round from point J to point E easing pieces together as necessary following direction of arrows.
14. With right sides together match point K on outside back leg to point K on **INSIDE FRONT** leg. Starting at point E stitch along to point K.
15. With right sides together stitch inside back legs to outside back legs from point G to H. Turn legs to right side.
16. With right sides together stitch dart 2 in back pieces.
17. With right sides together stitch from point C to point U on centre back.
18. With right sides together stitch centre seam on tummy between points A and B.
19. With right sides together match point B on tummy to point C on body back (centre back).
20. With right sides together match point A and J on tummy with points A and J on front neck.
21. Ease tummy into place between points D and J easing inside front and inside back legs as you go. Stitch along seam.
22. Using the template provided mark and cut the two inner ears in fleece.
23. Match points Q, R and S on outer ear to points Q, R and S on inner ear easing together. Stitch together leaving an opening between points R and S. You will need to use a matching sewing thread for this. Repeat for other ear **MAKING SURE YOU HAVE A PAIR**. Turn

ears to right side.

24. Fold point R over to point S and stitch to hold top of ear together.

FINISHING OFF

25. Measure 1cm down from point T on both side head pieces and mark. Place top of ear to marker and stitch ears in place on both sides of head. The fold of the ear should be towards the top of the head.
26. Using black sewing thread (not included) stitch eyes to head approx 1.5cm either side of centre front and 1cm up from muzzle seam. Use photo for guidance.
27. Stitch markings using 6 strands of black thread (included). Make a 1cm long stitch across centre front seam in 3 places. The first should be approx 1cm up from muzzle seam, the second 1cm down from muzzle seam, and the third approx 0.5cm down from the second.
28. To create nostrils make a single lazy daisy stitch approx 0.5cm long and approx 3.5cm down from side head/muzzle seam.
29. Stitch eyebrows approx 1cm out from top edge of eyes making 3 stitches approx 1.5cm long going diagonally towards mane. Stitch 3 rows for each eyebrow making a long thin triangular shape.
30. With right sides together attach head to body. Match points T on side head to point T on body back. Match points I of side head/under chin to points I on front neck. Ease and pin rest of head in place. Stitch together.
31. On reverse side of fur fabric mark out a square measuring 6cm x 6cm and the mane shape. Cut out carefully trying to cut only the backing fabric and not the fur.
32. With right sides together pin mane in place. Match the blunt end of the mane to point O on side head pieces. Pin into place down each side of open back seam. Stitch firmly together using black thread. Turn to right side.
33. Fill with stuffing taking care not to overfill. Ladderstitch opening in back seam.
34. With right sides together attach fur fabric across end of tail using black sewing thread. With right sides together fold in half lengthways. Stitch across fur fabric and length of tail leaving one open end at top of tail. Turn to right side and ladderstitch opening.
35. Measure approx 12cm down centre back from end of mane. Attach tail firmly with small stitches using matching sewing thread.
36. To make tail bow mark out 2 rectangles 18.5cm x 4.5cm and 6cm x 1.5cm on the felt. Cut out. Stitch the short ends of the large rectangle together. Wrap the small rectangle around the middle of the large rectangle covering the seam. Stitch the small rectangle ends together. Stitch bow to tail just above fur fabric.

**When completed, this
is not suitable for
children under 3 years**

29sts x 49 rows = 10cm (4") square over g-st.
For best results check your tension carefully.
If you have more than 29sts to 10cm (4") your
tension is too tight and you should change to
a bigger needle. If you have less than 29sts
your tension is too loose and you should
change to a smaller needle.

Eeyore is worked in g-st on 3.25mm (UK10)
