How to follow the diagrams

Crocheting involves only a limited number of stitches, but by combining them you can create many different patterns. We have devised a system of symbols for the stitches, and these symbols are used in a pictorial diagram of each pattern or motif. From the diagram you can see the degree of difficulty of each project, and you can tell at a glance how far along you are by checking your work against the diagram. While you may be unfamiliar with this approach to crocheting, we feel sure that, with a bit of practice, you will find it much quicker and easier than a row-by-row description method.

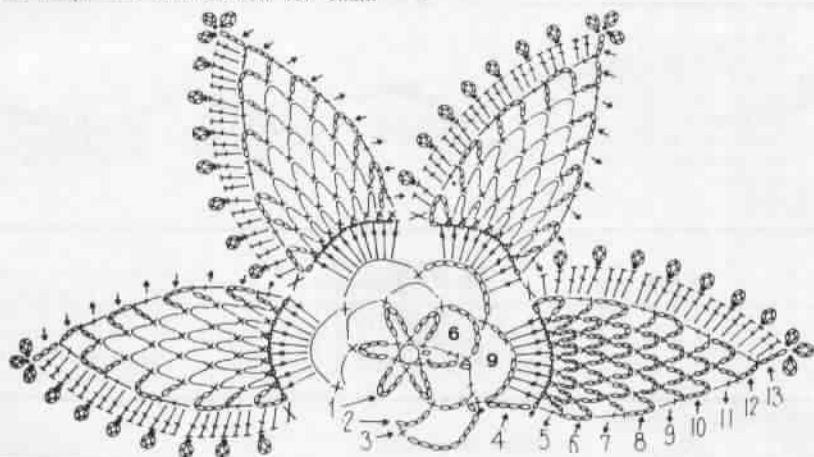

To get your project working smoothly, read the instructions and consult the abbreviations. As you proceed with the aid of the diagram, keep checking back to the CROCHET BASICS section at the end of the magazine for the symbols.

Take, for example, the diagram shown here. Rows or rounds are numbered in lightface; a boldface number inside a loop tells you how many chain stitches to make in that loop. The abbreviation for chain

stitch is ch, or ch st, and the symbol is O. In this sample diagram, you can see that in Round 1 a loop has 6 ch, while a loop in Round 3 has 9 ch. In Round 4, you are working in groups of 9 treble crochets, for which the abbreviations is tr and the symbol is $\overline{\text{T}}$. Only part of Round 3 is given in detail. That is because the same series of stitches is repeated all the way around. Likewise, only one petal is shown in full detail, because the same pattern is repeated each time. Arrows indicate the direction of work. Note that some patterns will require special symbols, and these will appear alongside the diagram with an explanation.

The additional diagrams - completed work, details of edging, etc. - will assist you in making more advanced crochet projects.

You are now ready to try your hand at any of our lovely patterns. A word of advice: Always read the instructions carefully before you begin. They may contain information on a fancy stitch, or on edging or assembling, that is not shown in the diagram.

Sample gauges for classical threads

Six-cord crochet cotton number	American hook size	Size of swatch
5	7	3" x 3" = 33 dc x 15 rows
10	8	3" x 3" = 36 dc x 16 rows

30	10	3" x 3" = 45 dc x 18 rows

All about cottons and hooks

There are many types of crochet thread on the market, and several types of hooks. To help you choose the right yarn and the right hook, here is a description of the more common crochet cottons, with their yardage, and a chart of hook size equivalents. Keep in mind that your individual crocheting style may call for a slightly thicker or thinner hook than the one recommended for a specific project.

CLASSICAL THREAD: Six-cord crochet cotton is available in several colors and thicknesses (the higher the number, the finer the thread), and it is tightly twisted. Four-cord, three-cord or uncorded thread is less expensive and easy to obtain.

Each ball weighs 20 grams, or approx. 3/4 of an ounce.

No. of cotton thread	Inter- national hook size	Ame- rican hook size
3 (83 yds)	1.75	4
5 (111 yds), 10 (124 yds)	1.50	8

HOW TO WORK PATTERNS FROM OUR DIAGRAMS

On this page and the next, you will find the key abbreviations and symbols used in our diagrams and instructions. Step-by-step illustrations show newcomers how to work the basic stitches and techniques. Additional abbreviations or symbols needed for a specific project will be included and explained with that pattern. Note that, in each diagram, rounds or rows are numbered in lightface, while a boldface number inside a loop indicates how many chain stitches to work in that loop.

Up to rnd 44, close each rnd with sl st in top of ch-3 (= first dc thru-out). On rnd 45, close same as on rnd 35. Fasten off (see black wedge). As of 2nd mo-

tif, join thus: replace center st of ch lps with 1 sc worked in corresp ch lp of adjacent motif. Join 2 rows of 4 motifs each in this way. **EDGING:** After all 8 motifs are joined, RS facing, attach thread with sl st in ch lp of corner motif (see white wedge). **RNDS 1-10:** Work all around motifs following boldface diagram. Up to rnd 9, last 4 ch sts = 1 tr in first sc on rnd 1 and in ch-1 counting as first sc on next rnds; on rnd 10, close with sl st in ch-1. Fasten off (see black wedge).

KNIT AND CROCHET CARDIGAN

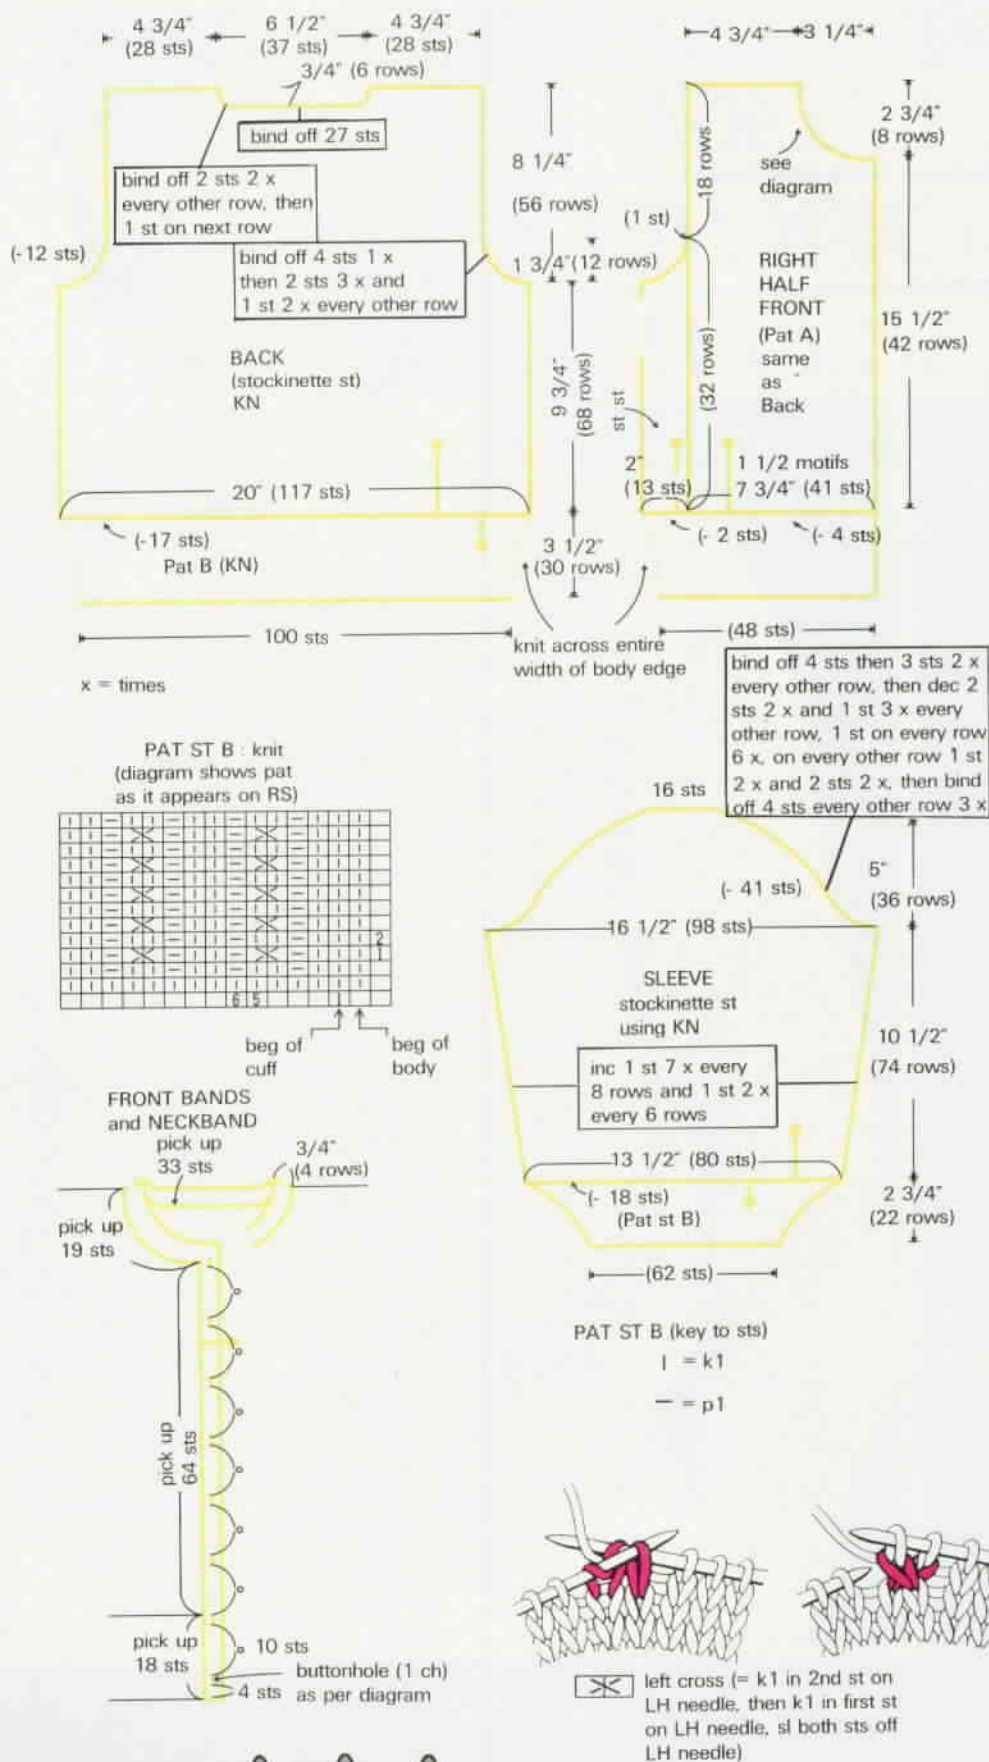

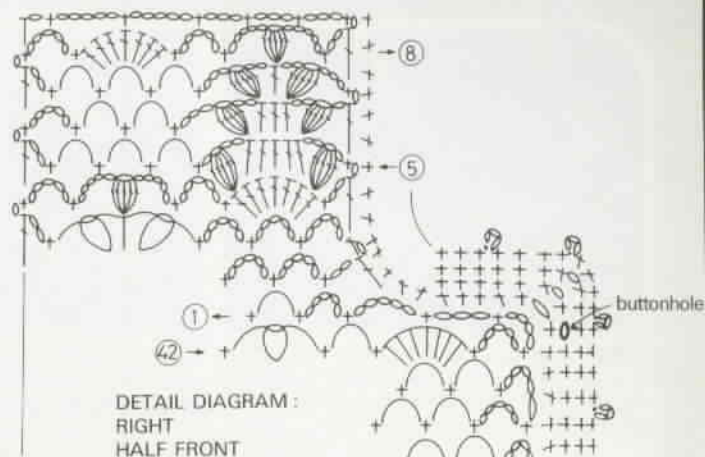

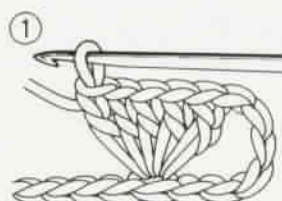

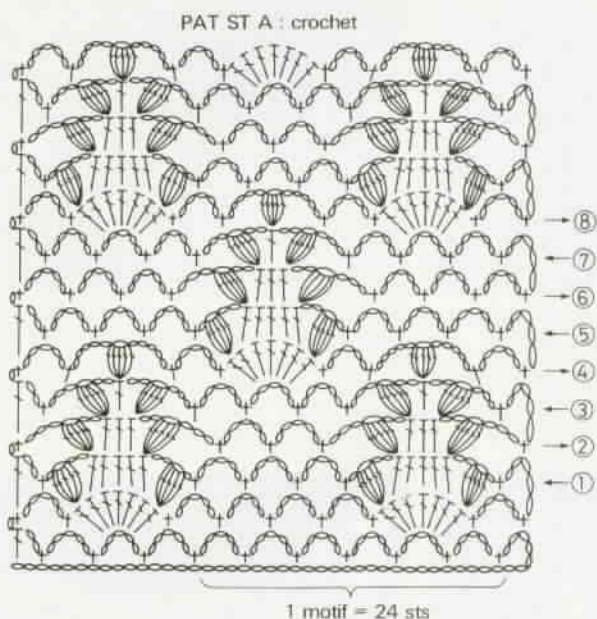

MATERIALS: Silk/linen blend yarn, 420 grams or 15 oz pistachio green. Metal buttons 1/2" in diameter, 8. Single point knitting needles, 2, US size 5 or **SIZE FOR GAUGE**. Aluminum crochet hook US size 2/C or **SIZE TO GIVE GAUGE**.

GAUGE: 4" square = 23 sts and 27 rows in stockinette stitch; also 3/4 motif and 11 rows in pat st A. **TO SAVE TIME, TAKE TIME TO CHECK GAUGE.**

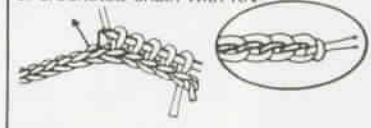

TO MAKE

BACK: With crochet hook (CrH), ch 117 sts + a few extra using waste yarn in contrasting color; fasten off. As per how-to and starting at beg of ch, pick up back strand (the "bump") of each ch st with knitting needle (KN) - 117 sts on KN (the ch will be unraveled later). Work even in stockinette st (<St st> (= knit on RS, purl on WS) as per Back Diagram. To shape armholes, bind off 4 sts at each edge, then, RS facing and beg with 1 st from edge, on every other row dec 2 sts 3 times, 1 st twice. To shape neck, bind off 27 center sts, then, working on one side only, at neck edge dec in same way as for armhole (that is, starting at 1 st from edge): on every other row 2 sts twice, dec 1 st on next row.

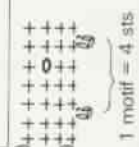

KNIT PIECES: cast on by picking up back strands (= "bumps") of crocheted chain with KN

pick up 6 sts every 4 rows of Pat A (see illustr. 10)

FRONT BAND

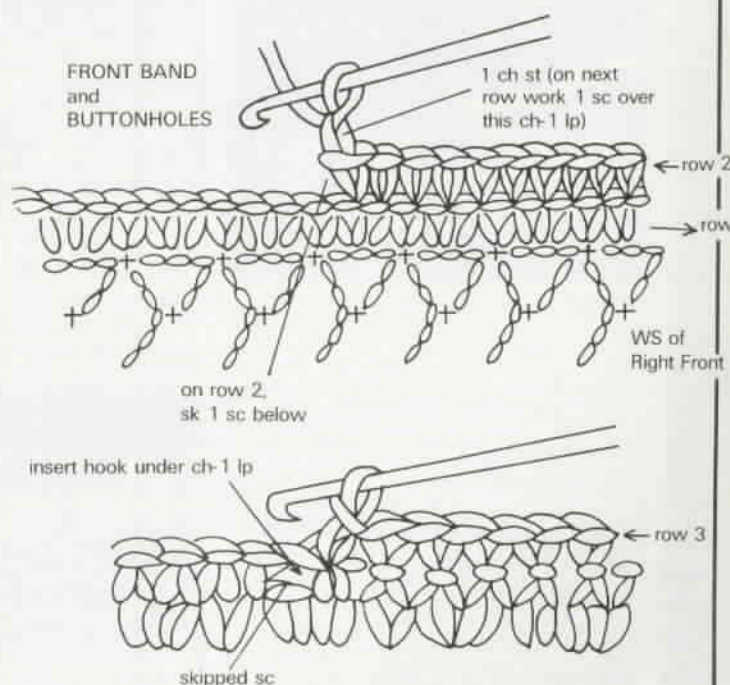

end with 1 more row across rem 28 sts. Bind off. Complete 2nd half to correspond.

RIGHT FRONT HALF: Work side panel in St st as per diagram (ch 13 + a few extra ch with waste yarn), then complete rem front in Pat A (see detail) using CrH.

LEFT FRONT HALF: Same as Right Front Half, but reverse all shapings.

SLEEVES: Beg at cuff edge, ch 80 with CrH. Fasten off. With KN pick up back strand of each ch st. Work in St st, inc at each edge thus: every 8 rows 1 st 7 times, then every 6 rows 1 st twice (to inc 1 st at each edge, twist cross strand bet first 2 sts at each edge). When piece measures 10 1/2" from beg, shape cap: at each edge and on every other row, bind off 4 sts once, 3 sts twice, then, in same way as for armhole (= at 1 st from edge) dec 2 sts twice, 1 st 3 times, cont to dec 1 st on every row 6 times, then dec on every other row thus: 1 st twice, 2 sts twice, now bind off 4 sts every other row 3 times, finally work 2 more rows across rem 16 sts. Bind off.

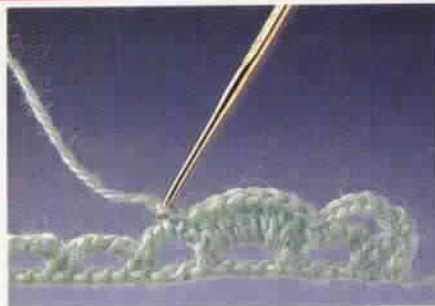

FINISHING: Using untwisted pistachio yarn strand (= 1/2 strand) and slip stitches, sew shoulder and side seams. Sew front seams with slip stitches using full strands of yarn. Body and cuff ribbings (rib): Undo Cr chains at bottom edge of Back and Front panels worked in St st, pick up sts with KN, adding 37 sts at each end picked up from bottom of Pat A pieces (across each of which you have already worked 1 row sc with CrH as per Photo 8). Work in Pat B (see diagram) across all these sts, but on row 1 dec evenly as shown. Bind off with sl sts using CrH (= RS facing, insert CrH in first st on KN, yo and draw thru lp on CrH, insert CrH in next st on KN, yo and draw thru 2 lps on CrH). Complete cuffs in same way. Sew sleeve seams with slip stitches using full strand of yarn. Front and neck bands: pick up sts with CrH as per Detail and work 4 rows following diagram, spacing 8 buttonholes across Right Front on row 2 as shown. Fit sleeves in place RS tog and join with sl sts using CrH. Sew buttons in place opposite buttonholes.

HAIRPIN SPECIAL

By Chantal Chevallier

Insertions of hairpin crochet bands add an airy delicacy to this very original tray mat.

SIZE: 11 3/4" in diameter.

MATERIALS: Pingouin crochet thread no. 8, ivory, 1 ball. Steel crochet hook US size 4. 1 3/4"-width hairpin fork.

TO MAKE

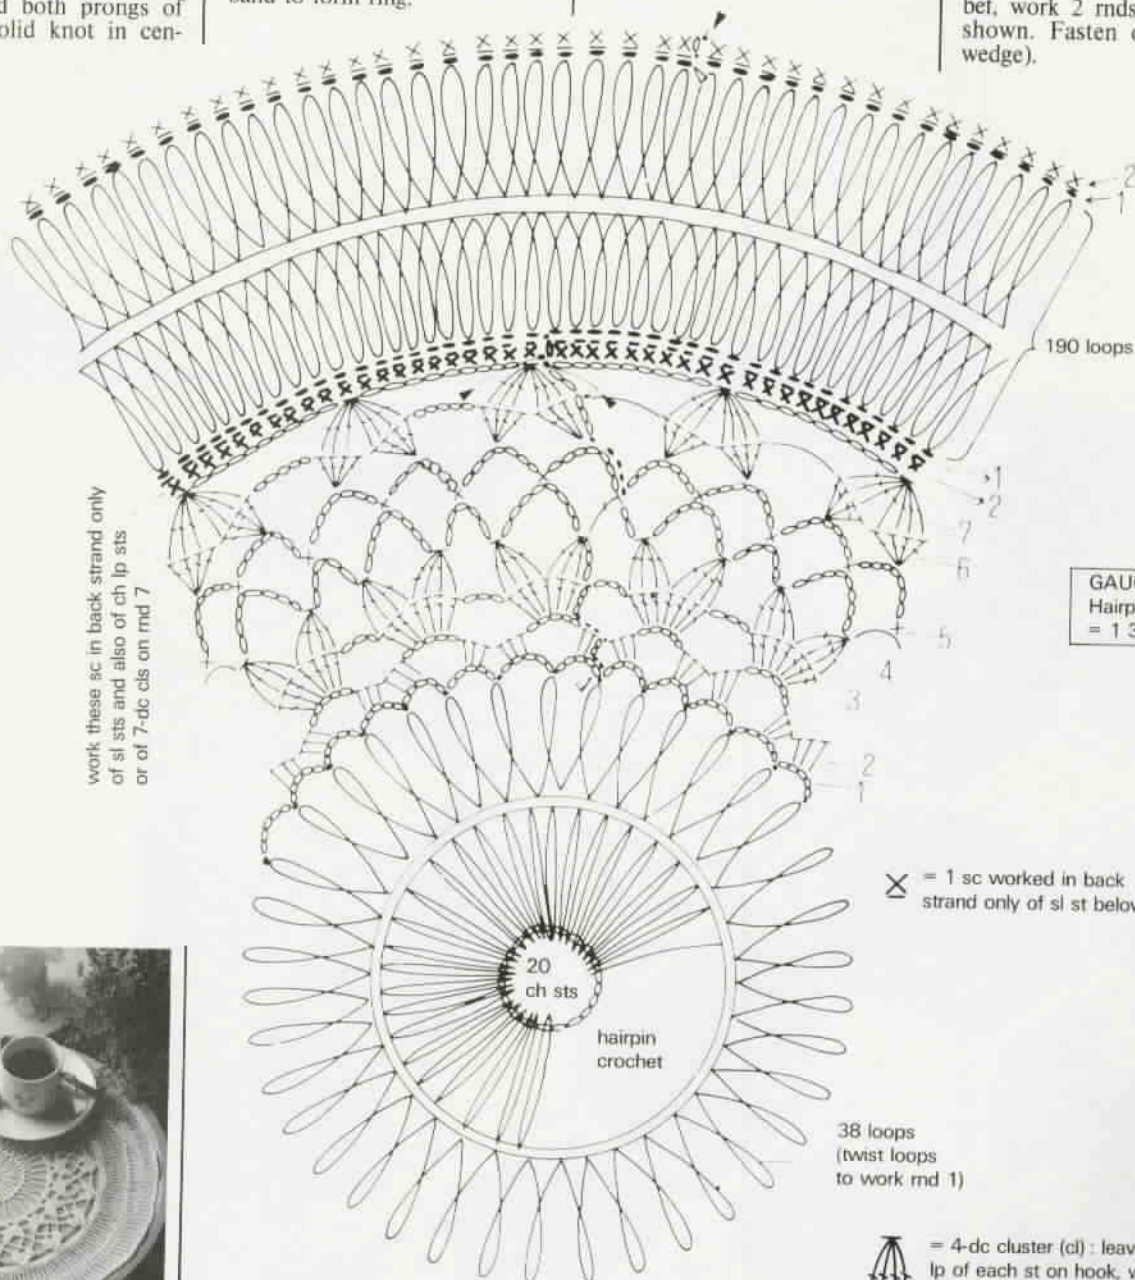

HAIRPIN BANDS: Hold fork with prongs upward. Wrap thread around both prongs of fork, make solid knot in cen-

ter of loop, thus dividing it into 2 lps. Move lps to top of fork. Wrap thread around left-hand (LH) index and keep it taut back of lp. Insert hook from down to up into LH lp, yo, draw thread and work 1 ch, then cont with * revolve fork to L so that thread is wrapped around RH prong (which thus becomes the LH prong), now, inserting hook from down to up, work 1 sc in LH lp, rep from * until you obtain number of lps indicated on diagram. Remove band from hairpin. Complete each of 2 bands in this way. Join each band to form ring.

CENTER SECTION: Work 20-st chain, run it thru lower lps of first hairpin band circle, close with sl st to form ring; fasten off. **RND 1:** Attach thread as per white wedge, then, twisting each hairpin lp, work (1 sl st in lp, 5 ch) 38 times; close with sl st in first sl st and cont with 1 sl st in each of next 2 ch sts. **RNDS 2-7:** Work following diagram and additional symbol for 4-dc cluster (cl); close with sl st throughout except on rnd 4, where last 3 ch sts = 1 dc in top of first cl. On

rnd 5, work sc in ch lps; on rnd 6, work dc grps in 4th st of ch-7 lps below. At end of rnd 7, fasten off (see black wedge). Now pick up 2nd hairpin ring. Twisting lps of inner edge, work 1 rnd sl sts, then, to work sc of 2nd rnd, ch 1, place pieces WS tog and join at the same time to rnd 7 as per boldface and additional symbol; close with sl st in first sc. Fasten off (see black wedge).

EDGING: RS facing, attach thread in outer hairpin lps of 2nd ring. Twisting each lp as bef, work 2 rnds all around as shown. Fasten off (see black wedge).

LEFT SLEEVE: RS facing, attach yarn in 8th sh of Left Front and inc 1 sh in this sh, work sh over next 7 sh, inc 1 sh in first sh of Back. Work sh for 10 rnds over these 9 sh; close each rnd with sl st in top of ch-2 (= first dc throughout) and cont with 1 sl st in each of next 2 sts to beg new rnd in ch lp of first sh. Fasten off.

RIGHT SLEEVE: RS facing, attach yarn in last sh of Back, inc 1 sh, work sh across 7 sh of sleeve, inc 1 sh in 8th sh of Right Front and work rnds over these 9 sh to corresp to Left Sleeve. Fasten off.

HOOD: Ch 46 + 2 ch to turn. **ROW 1:** In 3rd st from hook work 1 dc + 1 ch + 2 dc, then * sk 2 sts, 1 sh in next st, rep from * 14 times more - 16 sh in all; ch 2, turn. **ROWS 2-11:** Work even in sh over sh. For BODY work 13 rows (instead of 10) across 29 sh after armhole shaping and 12 rows (instead of 10) for SLEEVES. To make HOOD, ch 52 and work same as for pink hood but complete 13 rows across 18 sh; sew back seam, then join same as pink hood but sk 3 sts 3 times, 4 sts 7 times and 3 sts 3 times on neck edge. Fasten off.

EDGING: Place white side over pink side and work 1 rnd sh thus: pink side facing, attach pink with sl st in lower corner of Right Front, inserting hook in edge of last sh row and thru both thicknesses; alternate 1 pink and 1 white sh all around sacque (when changing color, work off
