LAMP SHADE No. 1
No. 20 Mercerized Cotton, No. 11 Hook.

Follow directions of platter dolly up to where it mentions to break on 5th row—only make dc where ttc are made on last round and pl where hpl are on last round—then press and lay on a paper just the size of the panel you are to fit and fill remaining space on panel with pl—then make a ch all around $\frac{1}{4}$ inch from edge of panel to form a straight line—part of spaces will form triangles, then make 1 row ls of 3 ch all around panel—like hm—and while making every other panel start second row of ls on sides—j the panels together by ch 1-j on l of opposite panel—ch 1-j back to next l on same panel—repeat this between every panel until 8 are joined. Make 3 rows around the same on lower edge or scallops of panels and 10 rows at top. Make straight line of ch at top by ch 2-j to l ch 2-j to next l-repeat around next row. Make sqs-mesh over this ch. Next row sc over top of mesh—then make small p of 6 ch and sc over p-missing a space of 16 sc—then make large ps over these small ones of 12 ch-sc 3 over each mesh with 3 ps over each large p having 6 sc between each and miss 1 small p each time—make 4 rows of ls of 3 ch around lower edge of scallops of panels and edge same as on top.

Band—ch 880—make same as insertion strip—only make daisies to j together having 3 close together in a cluster—then separate the next 3 by missing 1 pl between each cluster as shown in illustration—lower edge same as around scallops of panels—j tassels and balls like shown in illustration—sew band to covered shade then sew top on—use a 22 inch frame.

CURTAIN No. 2
No. 10 Mercerized Cotton, No. 9 Hook.

Follow directions of pincushion up to 1st round over daisies—making 4 daisies in a strip—make eight of these strips of small med for each pair of curtains large med—follow platter dolly directions up to where it mentions—break on 5th row—see page 12—omitting row of sqrs around four daisies as shown in illustration in bungalow set—see page 4 and where ttc with p are make 8 ch and sc 12 back over each 8 ch—make 6 of these large med for each pair of curtains and j strips and meds together as shown in illustration.

1st row around strips and meds—sc all around—double the amount as ch.

2nd row—j to either end—ch 23—turn-j to same stitch—sl st 1 ch to left * turn—sc 12 over 7 last ch—j last sc in 8th ch—* ch 11—j with sl st in 5 sc on previous row. Repeat from * 4 more times—ch 7—miss 9 sc—j with sl st—sl st in next st—ch 1—turn—sc 12 over 7 ch—j to 8 with sc—repeat—making 5 more small spaces as before—ch 23—j where these 23 ch begun—sl st to next st—ch 1—turn—12 sc over 7 ch—j with sc in 8th—repeat up and down scallops of meds—same to end on side of large meds—make 10 small spaces instead of 5—repeat to end—turn.

3rd row—sc—double the amount of sc as ch in all spaces—edge same as on curtains around daisies to form scallop—making ps of 6 ch after each 8 sc on outside.

Triple Treble Crochet with Picot

We would suggest to the crocheter to get thoroughly acquainted with the Key note before starting this intricate pattern.

Explanation of Stitches

Chain (ch) catch thread with hook, forming a loop; pull the thread with the hook through this loop to form first stitch; continue ch to any length desired; slip stitch (sl st) having a st on the needle, just hook through work, draw through work and loop on needle at the same time.

Single crochet (sc) having a st on the needle, put hook through work, draw thread through work (making two loops on hook) thread over needle and pull through both loops.

Half double crochet (hdc) having a st on needle, thread over, insert hook in st, thread over, and pull through all three loops at one time.

Double crochet (dc) thread over hook, insert hook in st and pull thread through; having three loops on hook, thread over, pull through two loops thread over and pull through last two.

Treble crochet (tc) like double crochet—only thread over 2 times—leaving 2 ls 3 times.

Double treble crochet (dtc) same as dc—only thread over 3 times.

Triple treble (ttc) like treble, but thread over four times, and pull through two loops at a time for five times.

Picot (p) make a ch of three, four or five, whatever the pattern calls for. Catch back in last st from hook, thread over and pull through all.

Triple treble with picot (ttp) thread over hook four times, leave off two loops twice, still holding four loops on hook, ch four on first loop. Take hook out of first loop, still holding three loops on hook, insert hook in first ch of four, pull thread through, this will form a picot, then leave off remaining sts, two at a time.

Picot loops (pl) ch 8 p in fourth ch from hook with sl st ch 12 p—back in 4 ch from hook—ch 4.

One-half picot loop (hpl) ch 8—sl st back in 5th st from hook to form picot—ch 4 j.
