STITCH GUIDE

The lines on the canvas is referred to as "threads". Count threads carefully before cutting. The diagram below shows how to count threads.

CONTINENTAL STITCH

Work horizontal rows, bring needle up at odd numbers and down at even numbers.

SLANTED GOBELIN

Work over two or more threads, this is a long, diagonal stitch

OVERCAST STITCH

Work one stitch in each hole along straight edges and in inside corners, and two or three stitches in outside corners for complete coverage.
