Using white yarn and yarn needle, run a row of running stitches around the body a little higher up from center, to separate the head from the body. Tighten and tie off.

Attach the arms to the body, centered on each side a little above running stitches, and tilting slightly forward.

Sew the hat onto the body, stuffing it about halfway through.

Sew on the eyes and mouth.

Cut nose out of orange felt. Sew a tiny seam in side forming a cone. Turn inside out and stuff with a little fiberfill. Glue the carrot nose on with seam side down.

Cut a 1" fringe in the ends of the scarf. Tie the scarf around the middle where you gathered his waistline and tie a double knot, making sure the tails are even.

Glue the three red pompoms down the middle of his belly

Put a little powder blush on his cheeks and you are all done!

Nose – cut one out of orange felt
