GENERAL INSTRUCTION

ABBREVIATIONS

ch(s) chain(s)
 Rnd(s) round(s)
 Approx. approximately
 st(s) stitch(es)
 sl st slip stitch(es)
 yo yarn over

WORKING IN ROUND(S)

Use a scrap of yarn (different color) between the last stitch of one row and first stitch of the next row. Flip the end of the scrap yarn to the front on one row then to the back on the next row and so on until the end.

CHANGING COLOR

To change color, in the last SC before color change, do not complete SC. Do not pull the yarn through last 2 loops on hook. Pull new color through last 2 loops on hook. Make new SC with new color.

GAUGE

Exact gauge is not important however the work should be close enough that stuffing should not show through stitches

Remark: If you are using worsted weight yarn, the amount of yarn need to be reduce to half amount.

TIP: When you get to the stuffing stage, try to keep in mind the shape of the doll that you're making. To give the character of the doll, it only takes a tiny bit of stuffing in a particular place on the head or body or any part of it. For mini rabbit, don't stuff too much in between rnd 1-20, and add more stuff on RND 21 onward, the rabbit's cheek must be rounded. And head should be pointed.

SIZE: About 28 inc. standing

About 22 inc. sitting
